5. United Arab Emirates just transition work programme

19. *Background*: CMA 5 decided that the implementation of the United Arab Emirates just transition work programme shall start immediately after CMA 5 and be implemented under the guidance of the SBSTA and the SBI through a joint contact group to be convened at each of their sessions, starting at SB 60, with a view to the subsidiary bodies recommending a draft decision for consideration and adoption by the CMA at each of its sessions, and agreed to review the effectiveness and efficiency of the work programme and consider its continuation at CMA 8.[19] Accordingly, matters relating to this agenda item are considered under the SBSTA and the SBI.[20]

20. CMA 5 requested the Chairs of the subsidiary bodies to prepare an annual summary report on the dialogues held as part of the work programme.[21]

21. CMA 7 also requested the secretariat to map relevant instruments, initiatives and processes under the Convention and the Paris Agreement and relevant entities in the United Nations system to support the implementation of the work programme and as input to the

6. Sharm el-Sheikh mitigation ambition and implementation work programme

25. *Background*: CMA 3 established a work programme for urgently scaling up mitigation ambition and implementation in this critical decade.[25]

26. CMA 4 requested the secretariat to prepare, under the guidance of the co-chairs of the work programme, a report on each of the dialogues held under the work programme, and an annual report comprising a compilation of the individual dialogue reports for consideration by the CMA, the SBSTA and the SBI.[26] CMA 4 also requested the SBSTA and the SBI to consider progress in implementing the work programme with a view to recommending a draft decision for consideration and adoption by the CMA at each of its sessions.[27] CMA 4 decided that the work programme will continue until CMA 8 with a view to adopting a decision on the continuation of the work programme at that session.[28] Accordingly, matters relating to this agenda item are considered under the SBSTA and the SBI.[29]

27. *Action*: The CMA will be invited to consider the draft decision recommended by the SBSTA and the SBI and the annual report and take any action it deems appropriate.

7. Further guidance on features of nationally determined contributions, referred to in paragraph 26 of decision 1/CP.21

28. *Background*: CMA 1 noted that features of NDCs are outlined in the relevant provisions of the Paris Agreement and decided to continue consideration of further guidance on features of NDCs at CMA 6.[30]

29. CMA 6 considered this matter and noted that Parties had expressed views thereon at that session, including those reflected in the non-exhaustive compilation of in-session submissions available on the UNFCCC website,[31] and agreed to continue consideration of the matter at CMA 8.[32]

30. *Action*: The CMA will be invited to consider this matter and take any action it deems appropriate.

8. Reporting and review pursuant to Article 13 of the Paris Agreement: provision of financial and technical support to developing country Parties for reporting and capacity-building

31. *Background*: CMA 3 decided that this matter will be considered at CMA 4 and at each session thereafter, including consideration of the support provided to developing country Parties for reporting and related capacity-building under Article 13 of the Paris Agreement.[33]

32. CMA 7 requested the secretariat to develop and implement a list of activities on an annual basis in 2026–2028.[34]

33. CMA 7 also requested SBI 65 to consider the submissions and reports from the list of activities referred to in paragraph 32 above with a view to providing guidance to the secretariat, as applicable, on ways of maximizing the reach and effectiveness of the activities to be undertaken in the subsequent annual cycle.[35]

[30] Decision 4/CMA.1, paras. 19–20. Owing to the postponement of sessions during the coronavirus disease 2019 pandemic, session numbers and dates referred to in mandates in previous decisions may no longer correspond to timelines for action to be taken. In keeping with guidance from the Bureau, the overarching objective is to maintain timelines and, therefore, the mandated year takes precedence over the session number.

9. Matters relating to adaptation

(a) Global goal on adaptation

35. *Background*: CMA 6 affirmed that the agenda item on matters relating to the global goal on adaptation is a standing agenda item and will continue to be included in the agendas for SB 64 and subsequent sessions of the subsidiary bodies and CMA 8.[36] Accordingly, matters relating to this agenda sub-item are considered under the SBSTA and the SBI.[37]

36. CMA 6 launched the Baku Adaptation Road Map with the aim of advancing progress in line with Article 7, paragraph 1, of the Paris Agreement and supporting the implementation of the elements outlined in paragraph 38 of decision 2/CMA.5 and requested the subsidiary bodies to develop modalities for work under the Road Map.[38]

37. CMA 6 established the Baku high-level dialogue on adaptation, to be convened on the margins of each CMA session by the President of that session and the President of the previous session, with the aim of identifying ways of enhancing the implementation of the United Arab Emirates Framework for Global Climate Resilience, and requested the President of the CMA to report on the outcomes of the dialogue at the relevant session of the CMA.[39]

38. CMA 7 decided to establish the Belém–Addis vision on adaptation and agreed that work under the vision will be carried out jointly by the subsidiary bodies.[40]

39. CMA 7 decided that the subsidiary bodies will develop and agree in 2026–2027 the terms of reference for the review of the United Arab Emirates Framework for Global Climate Resilience.[41]

40. CMA 7 requested the secretariat to prepare a technical paper, for consideration at CMA 8 at the latest, on the targets outlined in paragraphs 9–10 of decision 2/CMA.5 and the Belém Adaptation Indicators.[42]

41. *Action*: The CMA will be invited to take any action it deems appropriate, including on the basis of the recommendations of the SBSTA and the SBI.

(b) Report of the Adaptation Committee

42. *Background*: CMA 1 decided that the Adaptation Committee shall serve the Paris Agreement.[43] The Adaptation Committee reports annually to the COP through the subsidiary bodies.[44] Accordingly, matters relating to this agenda sub-item are considered under the SBSTA and the SBI.[45]

[36] Decision 3/CMA.6, para. 28.
[37] See documents FCCC/SBSTA/2026/7, paras. 14–21, and FCCC/SBI/2026/18, paras. 58–65.

[45] See documents FCCC/SBSTA/2026/7, paras. 22–23, and FCCC/SBI/2026/18, paras. 66–67.

43. *Action*: The CMA will be invited to take any action it deems appropriate on the basis of the recommendations of the SBSTA and the SBI. It will also be invited to elect members of the Adaptation Committee.

FCCC/SB/2026/4	*Report of the Adaptation Committee*
Further information	*https://unfccc.int/Adaptation-Committee and https://unfccc.int/process-and-meetings/bodies/election-and-membership*

(c) Review of the progress, effectiveness and performance of the Adaptation Committee

44. *Background*: COP 27 was to review the progress, effectiveness and performance of the Adaptation Committee,[46] and COP 26 invited CMA 4 to participate in the review as it relates to the Paris Agreement.[47]

45. CMA 4 and COP 27 noted that consideration of the review could not be completed at those sessions and would therefore continue at SB 58.[48] The review was considered at SB 58, 59 and 60.[49] SB 61 agreed that SB 62 would continue consideration of the matter,[50] but SB 62 could not complete consideration thereof.[51] SB 63 agreed to defer consideration of this matter to SB 64,[52] and SB 64 to defer consideration thereof to SB 65.[53] Accordingly, matters relating to this agenda sub-item are considered under the SBSTA and the SBI.[54]

46. *Action*: The CMA will be invited to take any action it deems appropriate on the basis of the recommendations of the SBSTA and the SBI.

10. Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts

47. *Background*: COP 19 and 20 requested the WIM Executive Committee to report annually to the COP through the subsidiary bodies and to make recommendations, as appropriate.[55] Article 8, paragraph 2, of the Paris Agreement states that the WIM shall be subject to the authority and guidance of the CMA and may be enhanced and strengthened as determined by the CMA.

48. The governing body or bodies shall consider the joint annual report of the WIM Executive Committee and the Santiago network for averting, minimizing and addressing loss and damage associated with the adverse effects of climate change, submitted through the subsidiary bodies in accordance with paragraph 19 of annex I to decision 12/CMA.4, endorsed by decision 11/CP.27, and provide guidance thereon.[56] Accordingly, matters relating to the joint annual report are considered under the SBSTA and the SBI.[57]

49. CMA 7 noted that considerations related to the governance of the WIM will continue at CMA 8.[58]

11. Matters relating to finance

(a) Matters relating to the Standing Committee on Finance

51. *Background*: COP 21 decided that the SCF shall serve the Paris Agreement in line with its functions and responsibilities established under the COP.[59]

52. CMA 7 requested the SCF to report to CMA 8 on progress in implementing its workplan for 2026.[60, 61]

53. COP 27 adopted the terms of reference for the second review of the functions of the SCF and requested SBI 59 to complete the work on that review with a view to recommending draft decisions on the matter for consideration and adoption at CMA 5 and COP 28.[62] SBI 59 to 63 could not conclude consideration of the matter and agreed to continue or defer consideration of this matter to a subsequent session.[63] SBI 64 agreed to defer consideration of the matter to SBI 65.[64] Accordingly, matters relating to the second review of the SCF are considered under the SBI.[65]

54. *Action*: The CMA will be invited to consider the SCF report and the recommendations of the SBI on the review of the functions of the SCF and take any action it deems appropriate.

(b) Guidance to the Green Climate Fund

55. *Background*: COP 21 decided that the GCF shall serve the Paris Agreement. It recommended that the CMA provide guidance to the GCF on policies, programme priorities and eligibility criteria related to the Agreement for transmission by the COP. It decided that the guidance to the GCF in relevant decisions of the COP, including those agreed before the adoption of the Agreement, shall apply mutatis mutandis to the Agreement.[66]

56. COP 30 invited Parties to submit views and recommendations on elements of guidance for the GCF and requested the SCF to take into consideration those submissions when preparing its draft guidance for the GCF for consideration at COP 31 and CMA 8, and the Board of the GCF to include in its annual report to the COP information on the steps it has taken to implement the guidance provided in decision 2/CP.30.[67]

57. *Action*: The CMA will be invited to provide guidance to the GCF on policies, programme priorities and eligibility criteria related to the Paris Agreement for transmission by the COP.

(c) Guidance to the Global Environment Facility

58. *Background*: COP 21 decided that the GEF shall serve the Paris Agreement. It recommended that the CMA provide guidance to the GEF on policies, programme priorities and eligibility criteria related to the Agreement for transmission by the COP. It decided that the guidance to the GEF in relevant decisions of the COP, including those agreed before the adoption of the Agreement, shall apply mutatis mutandis to the Agreement.[68]

59. COP 30 invited Parties to submit views and recommendations on elements of guidance for the GEF and requested the SCF to take into consideration those submissions in preparing its draft guidance for the GEF for consideration at COP 31 and CMA 8, and the GEF to include in its annual report to the COP information on the steps it has taken to implement the guidance provided in decision 3/CP.30.[69]

60. *Action*: The CMA will be invited to provide guidance to the GEF on policies, programme priorities and eligibility criteria related to the Paris Agreement for transmission by the COP.

(d) Report of the Fund for responding to Loss and Damage and guidance to the Fund for responding to Loss and Damage

61. *Background*: The Governing Instrument of the FRLD states that its Board will receive guidance from the CMA and the COP on its policies, programme priorities and eligibility criteria, take appropriate action in response to the guidance received from the CMA and the COP and submit an annual report to the CMA and the COP for their consideration.[70]

62. CMA 6 and COP 29 approved the arrangements between the CMA, the COP and the Board of the FRLD and requested the Board to report on the implementation of the arrangements in its annual report to the CMA and the COP, starting at CMA 7 and COP 30.[71]

63. CMA 7 and COP 30 invited Parties to submit views and recommendations on elements of guidance for the FRLD and requested the SCF to take into consideration those submissions when preparing its draft guidance for the FRLD for consideration at CMA 8 and COP 31, and the Board of the FRLD to include in its annual report to the CMA and the COP information on the steps it has taken to implement the guidance provided in decisions 8/CMA.7 and 4/CP.30 respectively.[72]

64. *Action*: The CMA will be invited to provide guidance to the FRLD on policies, programme priorities and eligibility criteria taking into consideration the reports of the Board of the FRLD and the SCF.

(e) Matters relating to the Adaptation Fund

65. *Background*: CMA 1 decided that the AF shall serve the Paris Agreement under the guidance of, and be accountable to, the CMA with respect to all matters relating to the Paris Agreement.[73]

66. CMA 4 requested SBI 58 to continue consideration of matters relating to the membership of the AFB, as needed, in view of the transition of the AF to exclusively serving the Paris Agreement.[74]

67. CMA 6 and CMP 19 also requested SBI 62 to consider the matter of the arrangements for the AF to exclusively serve the Paris Agreement and to make recommendations thereon for consideration at CMA 7 and CMP 20 respectively.[75]

68. SBI 62 agreed that SBI 63 would continue consideration of matters relating to the membership of the AFB, the arrangements for the AF to exclusively serve the Paris Agreement and the initiation of the fifth review of the AF.[76] SBI 63 could not conclude consideration thereof and agreed to forward the matters to CMA 7 and CMP 20 for consideration.[77] CMA 7 and CMP 20 requested SBI 64 to continue consideration of the matters.[78]

[70] Para. 13 of the Governing Instrument of the FRLD (annex I to decisions 5/CMA.5 and 1/CP.28).
[71] Paras. 4–5 of decisions 12/CMA.6 and 6/CP.29. The arrangements are contained in the annex to those decisions.
[72] Decisions 8/CMA.7, paras. 17–19, and 4/CP.30, paras. 16–18.
[73] Decision 13/CMA.1, para. 1.

(f) Matters relating to the implementation of Article 2, paragraph 1(c), of the Paris Agreement and its complementarity with Article 9 of the Paris Agreement

71. *Background*: CMA 7 decided to hold deliberations under the Veredas Dialogue on the implementation of Article 2, paragraph 1(c), of the Paris Agreement and its complementarity with Article 9 of the Paris Agreement, building on the Sharm el-Sheikh dialogue on the implementation of Article 2, paragraph 1(c), of the Paris Agreement and its complementarity with Article 9 of the Paris Agreement and taking into account the concerns and safeguards outlined in paragraph 3 of decision 11/CMA.7.[82]

72. CMA 7 requested the Veredas Dialogue co-chairs, to be appointed by the Presidency of the CMA at each of its sessions, to prepare an annual report on deliberations during the respective year under the Veredas Dialogue, including the Xingu Finance Talks, which are to be convened by the Presidency of the CMA as an annual high-level round table, for consideration by the CMA.[83]

73. *Action*: The CMA will be invited to consider the report referred to in paragraph 72 above and take any action it deems appropriate.

(g) Work programme on climate finance, including on Article 9, paragraph 1, of the Paris Agreement in the context of Article 9 of the Paris Agreement as a whole

74. *Background*: CMA 7 established a two-year work programme on climate finance, including on Article 9, paragraph 1, of the Paris Agreement in the context of Article 9 of the Paris Agreement as a whole.[84] CMA 7 decided that the work programme will be facilitated by co-chairs, one from a developed country and one from a developing country, appointed, in consultation with the respective constituencies, by the President of CMA 7.[85]

75. On 12 June 2026, the secretariat received a request[86] from the President of COP 30, CMP 20 and CMA 7 to include this matter as a sub-item in the provisional agenda for CMA 8. In accordance with rule 9 of the draft rules of procedure being applied, this sub-item has been included in the provisional agenda for this session.

12. Matters relating to technology development and transfer

(a) Joint annual report of the Technology Executive Committee and the Climate Technology Centre and Network

77. *Background*: CMA 1 adopted the technology framework under Article 10, paragraph 4, of the Paris Agreement and took note of the recommendation of the Technology Executive Committee and the Climate Technology Centre and Network to prepare and submit their joint annual report to both the CMA and the COP,[87] through the subsidiary bodies, on their activities to support the implementation of the Paris Agreement.[88] Accordingly, matters relating to this agenda sub-item are considered under the SBSTA and the SBI.[89]

78. SB 64 recommended a draft decision on this matter for consideration and adoption at CMA 8.[90]

79. The CMA adopted decision 18/CMA.7 on the Belém Technology Implementation Programme and requested the Technology Executive and the Climate Technology Centre and Network to include information on actions taken to implement the Programme, as well as on progress of implementation and the outcomes thereof, in their joint annual report to the COP and the CMA.[91]

80. *Action*: The CMA will be invited to take any action it deems appropriate on the basis of the recommendations of the SBSTA and the SBI.

(b) Host of the Climate Technology Centre

81. *Background*: CMA 7 and COP 30 requested SBI 64 to recommend a draft decision on the new host of the Climate Technology Centre, on the basis of the report on the evaluation of proposals submitted,[92] for consideration and adoption at CMA 8 and COP 31 respectively.[93]

82. CMA 7 and COP 30 also requested SBI 64 to recommend elements of a memorandum of understanding between the CMA, the COP and the proposed host.[94]

83. SBI 64 recommended the United Nations Environment Programme as the host and agreed to continue consideration of this matter at SBI 65.[95] Accordingly, matters relating to this agenda sub-item are considered under the SBI.[96]

13. Matters relating to capacity-building

85. *Background*: The PCCB prepares annual technical progress reports on its work for submission to the COP through the SBI.[97] CMA 2 decided that the PCCB shall serve the Paris Agreement in accordance with its mandate and terms of reference and confirmed that the PCCB shall report to both the CMA and the COP through its annual technical progress report.[98] Matters relating to this agenda item are considered under the SBI.[99]

86. CMA 7 requested the secretariat, under the guidance of the PCCB, to organize the 8th Capacity-building Hub, to be held at the United Nations Climate Change Conference in November 2026.[100]

87. *Action*: The CMA will be invited to take any action it deems appropriate on the basis of the recommendations of the SBI. It will also be invited to elect members of the PCCB.

14. Matters relating to the least developed countries

88. *Background*: CMA 7 noted decision 15/CP.30 paragraph 19 requesting SBI 64 to initiate the stocktake of the progress of the work of the Least Developed Countries Expert Group and its terms of reference taking into account the submissions and the information in the synthesis report referred to in paragraphs 17–18 of that decision,[101] and requested the SBI to recommend a draft decision on this matter for consideration and adoption at CMA 8.[102]

89. SBI 64 initiated the stocktake of the progress of the work of the Least Developed Countries Expert Group and its terms of reference and agreed that SBI 65 will continue consideration thereof with a view to recommending draft decisions on the matter for consideration and adoption at CMA 8 and COP 31.[103] Accordingly, matters relating to this agenda item are considered under the SBI.[104]

15. Report of the forum on the impact of the implementation of response measures

91. *Background*: CMA 1, COP 24 and CMP 14 acknowledged that a single forum on the impact of the implementation of response measures covers the work of the CMA, the COP and the CMP on all matters relating to the impact of the implementation of response measures and affirmed that the forum shall report to the CMA, the COP and the CMP.[105]

92. CMA 6, COP 29 and CMP 19 adopted the workplan of the forum and its KCI for 2026–2030.[106]

93. CMA 7, COP 30 and CMP 20 requested the KCI to present, at the second regular sessions of the subsidiary bodies each year, its annual report and key findings therefrom to the forum for consideration with a view to the forum making recommendations for consideration by the CMA, the COP and the CMP.[107]

94. SB 64 convened a meeting of the forum but could not conclude consideration of this matter and agreed that SB 65 will continue consideration of the matter.[108] CMA 7, COP 30 and CMP 20 decided that the forum will conduct the activities referred to in paragraph 11 of decisions 14/CMA.7, 6/CP.30 and 2/CMP.20 at SB 65.[109] Accordingly, matters relating to this agenda item are considered under the SBSTA and the SBI.[110]

95. *Action*: The CMA will be invited to take any action it deems appropriate on the basis of the recommendations of the SBSTA and the SBI.

16. Matters relating to Article 6 of the Paris Agreement

(a) Implementation of the guidance on cooperative approaches referred to in Article 6, paragraph 2, of the Paris Agreement

96. *Background*: CMA 3 adopted the guidance on cooperative approaches referred to in Article 6, paragraph 2, of the Paris Agreement; requested the secretariat to prepare annually a compilation and synthesis of the results of the technical expert review under Article 6, paragraph 2, including identification of recurring themes and lessons learned, for consideration by the CMA, including in the context of its review of the guidance; and also requested the secretariat to provide an annual report to the CMA on the activities relating to recording and tracking cooperative approaches, including information on recorded internationally transferred mitigation outcomes, corresponding adjustments and emission balances.[111]

97. CMA 4 further requested the secretariat to expedite the implementation of the capacity-building programme referred to in paragraph 12 of decision 2/CMA.3 and to report regularly on the status of its implementation to the SBSTA and the CMA.[112]

98. *Action*: The CMA will be invited to take any action it deems appropriate.

(b) Report of the Supervisory Body and guidance for the mechanism established by Article 6, paragraph 4, of the Paris Agreement

99. *Background*: CMA 3 designated the Supervisory Body for the mechanism established by Article 6, paragraph 4, of the Paris Agreement to supervise the mechanism[113] and CMA 4 adopted its rules of procedure.[114] In accordance with the rules, modalities and procedures for the mechanism,[115] the Supervisory Body is to report annually to the CMA.[116]

100. CMA 4 requested the secretariat to expedite the implementation of the capacity-building programme referred to in paragraph 14 of decision 3/CMA.3 and to report regularly on the status of its implementation to the CMA.[117]

101. *Action*: The CMA will be invited to consider the annual report including the recommendations of the Supervisory Body therein with a view to adopting the recommendations and provide guidance to the Supervisory Body, as appropriate. It will also be invited to elect members and alternate members of the Supervisory Body.

(c) Work programme under the framework for non-market approaches referred to in Article 6, paragraph 8, of the Paris Agreement and in decision 4/CMA.3

102. *Background*: CMA 3 adopted the work programme under the framework for non-market approaches[118] and established the GCNMA to implement the framework and the work programme, to be convened by the SBSTA Chair in conjunction with sessions of the SBSTA and operate in accordance with the procedures applicable to contact groups.[119] The progress and outcomes of the work programme will be reported at each session of the CMA, as appropriate, on the basis of information resulting from implementation of the work programme activities.[120]

103. CMA 3 requested SBSTA 64 and 65 to review the work programme with a view to enhancing the effectiveness thereof, taking into account relevant inputs, including the outcomes of the global stocktake, and to make recommendations thereon for consideration and adoption at no later than CMA 8.[121]

104. CMA 7 also requested SBSTA 64 to consider ways to implement additional functionalities in the NMA Platform[122] that would enable Parties to record projects identified under the Sharm el-Sheikh mitigation ambition and implementation work programme through their national focal points for Article 6, paragraph 8, of the Paris Agreement, and enable interconnection between the NMA Platform and other platforms, including national
