Conférence des Parties

Vingt-sixième session

Glasgow, 31 octobre-12 novembre 2021

Point 2 e) de l'ordre du jour provisoire

Questions d'organisation

Admission d'organisations en qualité d'observateurs

Admission d'observateurs : organisations présentant une demande de statut d'observateur*

Note du secrétariat

1. L'admission d'organisations intergouvernementales ou non gouvernementales en qualité d'observateurs aux sessions de la Conférence des Parties est régie par le paragraphe 6 de l'article 7 de la Convention, qui dispose notamment que :

« Tout organe ou organisme, national ou international, gouvernemental ou non gouvernemental compétent dans les domaines visés par la Convention, qui a fait savoir au secrétariat qu'il souhaite être représenté à une session de la Conférence des Parties en qualité d'observateur, peut y être admis en cette qualité à moins qu'un tiers au moins des Parties présentes n'y fasse objection. ».

2. À sa première session, la Conférence des Parties a décidé¹ que le secrétariat inviterait aux futures sessions de la Conférence des Parties et de ses organes subsidiaires toutes les organisations intergouvernementales et non gouvernementales admises à la session en cours et aux sessions ultérieures, à moins qu'une objection concernant telle ou telle organisation ne soit formulée conformément à la Convention et au projet de règlement intérieur appliqué². Par conséquent, toutes les organisations admises aux sessions précédentes de la Conférence des Parties (à l'exception de celles qui avaient été admises à une seule session) ont été avisées par le secrétariat de la date et du lieu de la vingt-sixième session de la Conférence des Parties conformément à l'article 8 du projet de règlement intérieur actuellement appliqué, sans préjuger des décisions que celle-ci pourrait prendre à cet égard. Seules les organisations qui demandent à participer pour la première fois aux travaux de la Conférence des Parties seront soumises à la procédure d'admission.

3. Le secrétariat a dressé, pour examen par la Conférence des Parties, la liste des nouvelles organisations intergouvernementales ou non gouvernementales qui ont souhaité être représentées en qualité d'observateurs aux sessions de la Conférence des Parties et de ses organes subsidiaires et qui satisfont 1) aux critères énoncés dans la Convention, 2) aux dispositions du projet de règlement intérieur et 3) à la pratique établie (voir l'annexe).

4. Pour établir cette liste, le secrétariat a tenu dûment compte des dispositions du paragraphe 6 de l'article 7 de la Convention et des articles 7 et 8 du projet de règlement

intérieur actuellement appliqué, ainsi que de l'usage, dont l'Organe subsidiaire de mise en œuvre a pris note³, qui veut que les organisations intergouvernementales ou non gouvernementales prouvent leur compétence dans les domaines visés par la Convention et confirment leur statut de personne morale indépendante et d'organisme à but non lucratif et/ou non assujéti à l'impôt, dans un État Membre de l'Organisation des Nations Unies, d'une institution spécialisée des Nations Unies ou de l'Agence internationale de l'énergie atomique, ou dans un État partie au Statut de la Cour internationale de Justice.

5. Les membres du Bureau de la Conférence des Parties ont reçu la liste des nouveaux candidats afin qu'ils l'examinent et ont décidé de recommander à la Conférence des Parties d'admettre les organisations figurant sur la liste⁴. Les organisations concernées ont été avisées qu'elles étaient admises à titre provisoire, étant entendu qu'il appartenait à la Conférence des Parties de se prononcer en dernier ressort sur leur admission en qualité d'observateurs. La Conférence est invitée, à la première séance de sa vingt-sixième session, à accorder le statut d'observateur aux organisations intergouvernementales ou non gouvernementales figurant sur la liste jointe en annexe.

6. S'agissant des articles 6 et 7 du projet de règlement intérieur actuellement appliqué, il doit être procédé en une seule fois à l'admission des organisations en qualité d'observateurs aux sessions de la Conférence des Parties, de la Conférence des Parties agissant comme réunion des Parties au Protocole de Kyoto⁵ et de la Conférence des Parties agissant comme réunion des Parties à l'Accord de Paris⁶, les décisions sur l'admission des organisations en qualité d'observateurs étant prises par la COP.

³ FCCC/SBI/2004/10, par. 100.

⁴ L'une des organisations ayant fait l'objet d'un examen par le Bureau a par la suite soumis un document indiquant son statut d'antenne nationale d'une organisation qui avait déjà été admise. Elle a donc été rayée de la liste.

⁵ Décision 36/CMP.1, par. 2 c).

⁶ Décision 2/CMA.1, par. c) ii).
