reached among Parties during the consultations referred to in paragraph 4 above with regard to the adoption of the agendas for the sessions of the governing and subsidiary bodies, as set out in paragraphs 8–10 below.

In addition, with regard to the placement of the sub-item of the supplementary provisional agenda for CMA 6 entitled “United Arab Emirates dialogue on implementing the global stocktake outcomes referred to in paragraph 97 of decision [1/CMA.5](#)”, the President proposed to retain it under CMA 6 agenda item 11, “Matters relating to finance”, with the following footnote, as in the provisional agenda for CMA 6: “The placement of this sub-item in the agenda does not prejudice outcomes on the modalities of the dialogue being considered under the SBI”. 11. The President informed Parties that the understanding set out in paragraphs 8–10 above applies to the supplementary provisional agendas for CMP 19 and CMA 6 and that it also applies mutatis mutandis to the related items on the supplementary provisional agendas for SBSTA 61 and SBI 61.
