

Conference of the Parties

Thirtieth session

Belém, 10–21 November 2025

Agenda item 3(a)

Reports of the subsidiary bodies

Report of the Subsidiary Body for Scientific and Technological Advice

Cooperation with other international organizations

Draft conclusions proposed by the President

1. The Conference of the Parties (COP) recalled that the Subsidiary Body for Scientific and Technological Advice (SBSTA), at its sixty-second session, noted that collaborations with other international organizations should be expanded beyond existing ones to enhance inclusiveness and agreed to continue consideration of this matter at SBSTA 63.
2. The COP noted with appreciation the submissions made by Parties and observers on this matter prior to and during this session.
3. The COP recognized that the Rio Conventions have distinct objectives, provisions and principles as well as governance arrangements and noted the importance of cooperation among them, as appropriate.
4. The COP noted the work conducted by the Joint Liaison Group of the Rio Convention secretariats and requested that the UNFCCC secretariat strengthen its engagement in the Group, within the scope of the Group and under the authority of the secretariats' respective governing bodies.
5. The COP invited Parties and observers to submit views on enhancing the inclusiveness of cooperation with other international organizations as well as on the cooperation with other Rio Conventions secretariats via the submission portal¹ by 1 May 2026, and agreed that SBSTA 64 will further consider this matter taking into consideration these submissions.
