FOR A FRAMEWORK CONVENTION ON CLIMATE CHANGE  
Second session  
Geneva, 19-28 June 1991  
Item 2 of the provisional agenda

PREPARATION OF A FRAMEWORK CONVENTION ON CLIMATE CHANGE

Set of informal papers  
provided by delegations, related to the preparation  
of a framework convention on climate change

Note by the secretariat

1. As envisaged at the first session of the Intergovernmental Negotiating Committee 1/, the secretariat is circulating, in document A/AC.237/Misc.1/Add.1, a set of informal papers provided by delegations, including "non-papers", related to the preparation of a framework convention on climate change. Its circulation is intended to facilitate the work of the Committee by ensuring that all delegations have access to a complete set of the papers available.
2. The papers are being circulated in the language in which they were received, and in many cases include explanatory notes indicating their status. They are listed in the alphabetical order of the submitting delegation.
3. It should be noted that the circulation of the informal papers does not imply any expression of opinion by the secretariat on the content of the papers.
4. Any future submissions will be circulated in further addenda to the present document.
