Italy launches web site for COP 9 participants

The Italian delegation invites participants to visit the COP 9 exhibit or the Climate Change Kiosk in the foyer to view the new web site. The site provides those planning to go to Milan with complete information on the city, the Fiera Milano conference centre, airports, train stations, hotels and much more. The URL is www.cop9.it

OTHER ANNOUNCEMENTS

The Climate Change Kiosk

Located in the foyer, the Climate Change Kiosk is staffed daily between 9 a.m. and 7 p.m. The Kiosk's primary goal is to provide information about climate change and the secretariat. Further details on the facilities and services provided by the Kiosk are given in the booklet "Information for participants".

Security

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they are requested to co-operate with the security team if they are requested to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they wear their conference badges in full view at all times.

Information for participants

A booklet detailing the various facilities and services available to participants may be obtained from the Information desk.

Special rate public transport

Participants in the sessions may purchase public transport tickets for use in Bonn at a special discount rate. Please contact the Bonn Information desk in the foyer for more details. The desk is open 9 a.m. – 6 p.m. Tel.: 30 89 96 17.

Meditation room

A room for meditation and prayer is available to participants on the first floor of the conference centre. Those who wish to use this facility should go to Marion Hoffmeyer in La Marée, where they will be given appropriate directions.

Pigeonholes for delegates

Pigeonholes for the distribution of official documents and messages are located in the Documents Distribution area, which delegates are kindly requested to check at regular intervals. Participants are requested to refrain from distributing non-official material via the pigeonholes. All such material should be placed on the tables specially designated for this purpose.

SIDE EVENTS

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "...inside climate change", available from the Information desk and Documents Distribution. See also the secretariat web site: <http://unfccc.int/sessions/sb18/index.html>

The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process.
