Distr.: General
27 February 2003

Fifty-seventh session
Agenda item 87 (c)

Resolution adopted by the General Assembly

[on the report of the Second Committee (A/57/532/Add.3)]

57/258. World Climate Change Conference

The General Assembly,

Acknowledging that change in the earth's climate and its adverse effects are a common concern of humankind,

Acknowledging also that the global nature of climate change calls for the widest possible cooperation, consistent with the provisions of the United Nations Framework Convention on Climate Change,¹

Welcoming the ongoing work in the United Nations system on climate change, in particular within the framework of the Convention, which is the key instrument for addressing this global concern,

Taking into account the Johannesburg Declaration on Sustainable Development² and the Plan of Implementation of the World Summit on Sustainable Development ("Johannesburg Plan of Implementation"),³

Taking into account also the Delhi Ministerial Declaration on Climate Change and Sustainable Development, adopted by the Conference of the Parties to the United Nations Framework Convention on Climate Change at its eighth session, held at New Delhi from 23 October to 1 November 2002,

Recognizing with concern the findings of the third assessment report of the Intergovernmental Panel on Climate Change,⁴ in which the Panel confirmed that significant cuts in global emissions will be necessary to meet the ultimate objective of the Convention, and recognizing the ongoing consideration by the Subsidiary Body for Scientific and Technological Advice of the implications of the report,

² *Report of the World Summit on Sustainable Development, Johannesburg, South Africa, 26 August–4 September 2002* (United Nations publication, Sales No. E.03.II.A.1 and corrigendum), chap. I, resolution 1, annex.

³ *Ibid.*, resolution 2, annex.

⁴ *Climate Change 2001* (Cambridge, United Kingdom, Cambridge University Press, July 2001 and March 2002), four volumes.

Reaffirming the Johannesburg Plan of Implementation, in which States that have ratified the Kyoto Protocol to the United Nations Framework Convention on Climate Change⁵ strongly urge States that have not yet done so to ratify it in a timely manner,⁶

Recognizing the need for strengthening scientific and technological capabilities and networks for the exchange of scientific data and information,

Stressing that the World Climate Change Conference will be supportive of the Convention process,

Noting the importance of broad participation in this process by Governments, parliaments, international and national organizations, the scientific community, the private sector and other representatives of civil society,

1. *Welcomes* the initiative of the Government of the Russian Federation to convene the World Climate Change Conference at Moscow from 29 September to 3 October 2003 as a forum for the exchange of views among the scientific community, Governments, parliaments, international and national organizations, the private sector and other representatives of civil society and for facilitating the implementation of existing policies related to climate change;

2. *Encourages* Member States and relevant organizations and bodies of the United Nations system, as well as other international and national organizations, parliaments, the scientific community, the private sector and other representatives of civil society, to participate actively in the Conference;

3. *Invites* Member States, the United Nations system and all other actors to take advantage of the Conference in order to increase awareness of the importance of international efforts to address climate change.

*78th plenary meeting
20 December 2002*

⁵ FCCC/CP/1997/7/Add.1, decision 1/CP.3, annex.

⁶ *Report of the World Summit on Sustainable Development, Johannesburg, South Africa, 26 August–4 September 2002* (United Nations publication, Sales No. E.03.II.A.1 and corrigendum), chap. I, resolution 2, annex, para. 38.
