Webcast of subsidiary body meetings and side events

SBSTA and SBI meetings will be webcast live and on-demand. Selected side events will be recorded in webcast on-demand. The webcast service is accessible from <unfccc.int>.

Internet access for laptop users

Internet access by telephone, wireless or network is available to participants throughout the conference. Services are available in the first floor gallery area.

RJ45 network cables have been placed at specific locations in the laptop area. To use this service, simply plug the cable into your laptop.

WiFi (Wireless fidelity) network services are available throughout the conference facility. To use this service, you need a computer equipped with a wireless network component. The wireless network is identified by the name PlugNplay. Choose the PlugNplay point with the highest % availability for better service. No changes need to be made to your system to take advantage of this service. The best "HOT SPOTS" are indicated with PlugNplay banners.

Word of caution!

The PlugNplay network is open with no restrictions or protection. In order to protect your laptop, please follow these best practice tips:

- Install and/or update your ANTIVIRUS software
- Activate your PERSONAL FIREWALL if your computer has the software installed. WindowsXP users should activate the WINDOWS FIREWALL feature
- Assign your computer a suitable name e.g. your organization, company or delegation.

Information for participants	A booklet on the facilities available at the conference venue, entitled <i>Information for participants</i> , is available from the Information desk in the foyer and also on the UNFCCC web site at http://unfccc.int/files/meetings/sb22/application/pdf/sb22_info_brochure.pdf .	
Climate Change Kiosk	The Kiosk is again open throughout the sessions of the subsidiary bodies from 9 a.m. to 7 p.m. each day in the main foyer. Participants may collect a set of the new 6-volume CD-ROM collection "Documenting climate change". The collection includes all official documents, national communications and other information published from 1991 to 2004. Copies of the publication <i>The First Ten Years</i> are also available.	CCKIOSK
"...inSide climate change"	Documents, posters and flyers, clearly attributed to a Party or an admitted organization may be distributed and displayed at the "...inSide climate change" Publications counter, located in the foyer near the Climate Change Kiosk. Please provide a sample to the staff at the counter or to the External Relations/NGO Liaison teams in La Marée and arrange for its display on the "...inSide climate change" Publications counter. Organizers of exhibits may display and distribute documents at their own exhibition area. Documents deposited elsewhere or not attributed will be removed.	...inSide climate change" Publications counter
Facilities for non-governmental organizations	Offices for BINGOs and ENGOs are located on the ground floor of the Ministry of Environment: BINGOs ENGOs	Room 0.510 Room 0.601
Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.	
Lost and found items	Participants are reminded not to leave personal belongings unattended in meeting rooms, corridors or offices. The Security office, located at the main entrance, is responsible for lost and found items.	
Meditation room	A room for meditation and prayer is available to participants on the first floor. Turn right at the top of the main staircase and continue straight ahead towards the staff office area. The room is on the left before the small staircase.	
Pigeonholes for delegates	Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located next to the Documents counter. Messages may also be placed on the message boards near La Marée. Participants are requested to refrain from distributing non-official material via the pigeonholes.	
Contact information	Please see the brochure <i>Information for Participants</i> for information on key contacts within the secretariat.	

Events

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "**...inSide climate change**", available from the Information desk and the Documents counter, or visit the UNFCCC [web site](#). The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.
