¹

Dialogue on long-term cooperative action to address climate change by enhancing implementation of the Convention

**First workshop
Bonn, 15–16 May 2006**

Saal Maritim
(Open meeting)
10 a.m. – 1 p.m.

1. Exchange of experiences and analysis of strategic approaches for long-term cooperative action to address climate change in the four thematic areas:
 - Advancing development goals in a sustainable way
 - Addressing action on adaptation
 - Realizing the full potential of technology
 - Realizing the full potential of market-based opportunities

¹ The first issue of the Daily Programme will appear on Wednesday, 17 May 2006. It will also be available electronically at: <http://unfccc.int/meetings/sb24/daily_programme/items/3722.php> and will include links to any documents and items listed.

Saal Maritim
(Open meeting)
3–6 p.m.

2. Exchange of views, information and ideas on actions, activities and approaches that would:
 - Enable Parties to continue to develop effective and appropriate national and international responses to climate change
 - Promote research, development, and deployment of, as well as investment in, cleaner technologies and infrastructure
 - Support, and provide the enabling conditions for, actions put forward voluntarily by developing countries that promote local sustainable development and mitigate climate change in a manner appropriate to national circumstances, including concrete actions to enable countries, in particular developing countries, to manage and adapt to climate change.
 - Promote access by developing countries to cleaner and climate-friendly technologies and technologies for adaptation through the creation of enabling environments, concrete actions and programmes.
3. Inputs from observers to the Dialogue
4. Guidance to the co-facilitators on the organization of future work:
 - Thematic focus of the second workshop
 - Inputs to the Dialogue on:
 - best available scientific information and assessment from the Intergovernmental Panel on Climate Change
 - other relevant scientific, technical and social and economic information
5. Any other business

Announcements

Public holiday	Please note that Thursday, 25 May is a public holiday and that, as a consequence, shops will be closed. Bank services will not be available in the Hotel Maritim on that day.
Daily subsistence allowance	Delegates from Parties eligible for funding may collect their daily subsistence allowance from the Administration Office, located adjacent to the Computer Centre in the gallery on the first floor.
Information for participants	A booklet on the facilities available at the conference venue, entitled “ Information for participants ”, is available from the Information desk in the foyer and also on the UNFCCC website at sb24 info for participants .
Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.
Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. The Security office, located adjacent to the main entrance, is responsible for lost and found items.
Meditation room	A room for meditation and prayer is available to participants on the first floor. Turn right at the top of the main staircase and continue straight ahead towards the staff office area. The room is on the left before the small staircase.
<PlugNplay> and <Wireless> network services	<p>Internet (PlugNplay and wireless) network services are available to participants throughout the conference. Services are available in two categories. There is no need to make any changes to your system in either case.</p> <p>Category #1: loose network (nodes) cables placed at specific locations in the media and computer centres. To use this service, simply plug the cable into your PC or laptop.</p> <p>Category #2: WiFi (Wireless fidelity) network services throughout the conference facility. To use this service, you need a computer equipped with a wireless network component. The wireless network is identified by the name PlugNplay. Choose the PlugNplay point with the highest percentage availability for better service. No changes need to be made to your system to take advantage of this service.</p> <p>Word of caution!</p> <p>The PlugNplay network is open with no restrictions or protection. In order to remain safe, please follow these best practice tips:</p> <ul style="list-style-type: none"> • Install and/or update your ANTIVIRUS software. • Activate your PERSONAL FIREWALL if your computer has the software installed. WindowsXP users should activate the WINDOWS FIREWALL feature. • Assign your computer a suitable name e.g. your organization, company or delegation.
