SUBSIDIARY BODY FOR SCIENTIFIC AND TECHNOLOGICAL ADVICE

Twenty-seventh session

Bali, 3–11 December 2007

Agenda item 5

Reducing emissions from deforestation in developing countries: approaches to stimulate action

Reducing emissions from deforestation in developing countries: approaches to stimulate action

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) considered the reports of two workshops on this issue,¹ and the views of Parties contained in documents FCCC/SBSTA/2007/Misc.14 and Add.1–3.
2. The SBSTA decided to forward a draft decision on this subject for consideration by the Conference of the Parties at its thirteenth session (for the text of the draft decision see FCCC/SBSTA/2007/L.23/Add.1).

¹ The first workshop on reducing emissions from deforestation in developing countries was held in Rome, Italy, from 30 August to 1 September 2006 (FCCC/SBSTA/2006/10) and the second was held in Cairns, Australia, from 7 to 9 March 2007 (FCCC/SBSTA/2007/3).
