**Twenty-seventh session  
Bali, 3–11 December 2007**

**Item 3 of the provisional agenda**

**Nairobi work programme on impacts, vulnerability and adaptation to climate change**

**Information on adaptation approaches, strategies, practices and technologies at the regional, national and local levels in different sectors, as well as on experiences, needs and concerns**

**Submissions from Parties**

**Addendum**

1. In addition to the twelve submissions mentioned in document FCCC/SBSTA/2007/MISC.10, one further submission has been received from Canada on 4 September 2007.
2. In order to facilitate the consideration of this submission together with the submissions referred to in document FCCC/SBSTA/2007/MISC.10, this submission has not been imported into this document. It has been made available on the UNFCCC website at <<http://unfccc.int/3991.php>> as an addendum\* to the compilation\*\* and as an individual submission. In addition, to enable a targeted search of the information using pre-defined search criteria, the information submitted has been imported into the UNFCCC database on adaptation planning and practices under the Nairobi work programme on impacts, vulnerability and adaptation to climate change, which is accessible from the same web page.
