Draft conclusions proposed by the Chair

The Ad Hoc Working Group on Long-term Cooperative Action under the Convention (AWG-LCA) invited its Chair to prepare, under his own responsibility, a document assembling the ideas and proposals presented by Parties on the elements contained in paragraph 1 of decision 1/CP.13 (the Bali Action Plan), taking into account the ideas and proposals presented by accredited observer organizations. The ideas and proposals shall be those received by 30 September 2008 in response to the invitations contained in the Bali Action Plan and in the conclusions of the first and second sessions of the AWG-LCA,¹ as well as those that were presented during its first three sessions and in the in-session workshops of the AWG-LCA. The document shall be prepared in accordance with the structure of paragraph 1 of the Bali Action Plan. The AWG-LCA further requested the secretariat to make the document available before its fourth session (December 2008). It further invited the Chair to update this document before the closure of the fourth session of the AWG-LCA based on submissions received after 30 September 2008 and the ideas and proposals put forward during that session.
