^a Contributions become due on the date of entry into force for each Party.

^b All contributions to the Kyoto Protocol for 2008 were recalculated in January to include the pro-rated contributions due by the new Parties Australia and Serbia. The current total amount of indicative contributions exceeds the approved budget amount of USD 9,209,561 for the Kyoto Protocol by USD 245 due to the accession of new Parties (Central African Republic, Comoros, Saint Kitts and Nevis, Sao Tome and Principe, and Tonga) during 2008. With the notification of contributions for the year 2009, to be processed in September 2008, the contributions for 2008 will be recalculated so that the total amount of contributions will again correspond to the approved budget amount.
