# Daily Programme

## Part One

### Special announcement

#### Site access

The capacity of the Bella Center is limited to 15,000 people for security reasons. The secretariat has been closely monitoring the level of access to the venue; this is progressively moving towards the limit. Consequently, additional measures regarding access must be put in place.

In order to regulate access to the venue, the distribution of secondary cards for intergovernmental organizations and non-governmental organizations will begin today, Saturday, 12 December.

Beginning on Tuesday, 15 December, to access the Bella Center, the representatives of IGOs and NGOs will require a conference photo badge and a secondary card.

#### Collection of secondary cards

Only the designated contact points (DCPs) of the admitted observer organizations or, if the DCPs are not attending, the heads of delegation on the nomination letter are authorized to collect the badges.

#### Location of distribution

The badges will be distributed at the Information Counter.

#### Time of distribution

12 December: 9:30–18:00

14–18 December: 10:00–12:00, 15:00–18:00

#### Site access cards

In this system, each organization will receive “COP 15 Observer Organization” cards for a set quota of representatives who can enter the premises. These cards are transferable among the representatives within one organization.

Please note that the quota per organization is recorded in the badge scanning system, so that the number of representatives entering the premises can be accurately counted. The moment an organization reaches its quota, no more representatives from the same organization will be allowed in.

The participants must present a card to the security officers at the badge scanning point in order to access the conference site.

### **President's informal consultations with ministers and heads of delegation**

The President of COP 15 and CMP 5 invites all ministers and heads of delegation to informal consultations to be held **today, 12 December, from 15:00 until 18:00** in room Hans Christian Andersen (Hall C1). Delegations may select representatives other than ministers or heads of delegation if they so wish, on the understanding that participation is limited to two representatives (1 plus 1).

The purpose of the consultations is to seek the views of Parties on the status of negotiations and how to move forward.

Parties will be invited to share their views with, and advise, the President. Interventions should be limited to the traditional three- to four-minute limit.

No interpretation will be available for this event.

**IMPORTANT:** Access to the informal consultations is **strictly limited to two persons** (minister, head of delegation, or other individuals designated by the Party for this purpose) and is subject to the presentation of a special badge. Badges can be collected by duly authorized Party representatives and will be handed out against signature as of 10:00 in room Lis Hartel (Hall C3). Please note that only two badges will be issued per delegation, and no additional badges can be made available in case of loss. Access will be controlled by security.

In order to be able to start the meeting on time, invited delegates are requested to take their seats in the room by 14:45.

The meeting is open to the above invitees only.

## **List of speakers for the high-level segment attended by Heads of State and Heads of Government and other heads of delegation**

The list below is the preliminary list of speakers who wish to deliver a statement at the high-level segment under agenda item 9 of the COP and agenda item 15 of the CMP.

The list is provisionally divided into morning, afternoon and evening sessions to facilitate the organization of the order of speakers.

**All speakers are reminded to be present in the plenary 10 minutes or at least two speakers prior to their presentation.** They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Attending Heads of State or Government will be driven to the VVIP entrance of the Bella Center and from there escorted by a Protocol Officer to the seats of their delegation. The VVIP lounge will also be available for the Heads of State or Government before delivery of their statements.

Representatives are reminded that statements made during the high-level segment should not exceed the three-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer to only have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Due to the large number of requests received for speaking slots, statements for Thursday, 17 December are expected to continue until Friday, 18 December in the early morning. The secretariat has decided to offer an opening of two hours on Wednesday, 16 December 2009 starting from 20:00 for those Parties which may wish to advance their speaking slot. The secretariat will be able to accommodate approximately 16 speaking slots during this period. The order of speakers will be in accordance with Protocol, based on the rank of the speaker.

Parties interested in taking up this offer should communicate their interest to the External Relations team, located in the Conference Affairs Services office in Hall B4 101 (Ms. Dianiah Trought-Dederich) by 12:00 on Monday, 14 December. Any other changes to the speakers' list should also be brought to the attention of the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the Conference Officer with **20 copies** of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide **700 copies**. These copies may be delivered to the Conference Officer's table located beside the podium in the plenary.

## Special announcements

### **Additional meditation and prayer room**

The Host Country secretariat kindly informs participants that an additional meditation and prayer room has been made available in Hall B3 just opposite the ICT Service Desk.

### **Vacancies at the UNFCCC secretariat**

Conference participants are encouraged to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website:

<http://unfccc.int/secretariat/employment/recruitment>

Five professional positions are currently advertised.

During the first half of 2010 we are expecting to advertise a number of vacancies ranging from entry level to senior management.

The secretariat is committed to ensuring equitable gender balance and geographical distribution among its staff. To this end, we would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

### **Availability of meeting rooms**

The demand for meeting rooms is expected to exceed the capacity of the conference premises and priority will be given to meetings directly associated with the negotiating process. The secretariat appreciates participants' understanding in this connection. Meetings will therefore only be confirmed at the earliest one day prior to the requested meeting taking place.

### **Use of audio/video recording devices by participants at UNFCCC sessions**

The making of audio and video recordings, including any external transmission, by Party or observer organization delegations during open and closed official meetings and in designated security zones is not permitted. The secretariat provides audio recordings of official meetings, as required by Parties. Webcasts are provided for open plenary meetings.

### **“TelePresence” video conferencing service**

Four "TelePresence" suites are available for use by participants to COP 15 at no cost. Using these TelePresence suites in the conference venue it will be possible to connect virtually and in real time with 77 Cisco TelePresence rooms around the world and with 23 Danish embassies. The COP 15 TelePresence meeting facilities are located in Hall B across from the Meeting Room Assignment Counter and can be booked through the counter.

Read more about the COP 15 TelePresence service and the Global Climate Change Meeting Platform at:
