List of speakers for the high-level segment attended by Heads of State and Heads of Government and other heads of delegation

The list below is the preliminary list of speakers who wish to deliver a statement at the high-level segment under agenda item 9 of the COP and agenda item 15 of the CMP.

The list is provisionally divided into morning, afternoon and evening sessions to facilitate the organization of the order of speakers.

All speakers are reminded to be present in the plenary 10 minutes or at least two speakers prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Attending Heads of State or Government will be driven to the VVIP entrance of the Bella Center and from there escorted by a Protocol Officer to the seats of their delegation. The VVIP lounge will also be available for the Heads of State or Government before delivery of their statements.

Representatives are reminded that statements made during the high-level segment should not exceed the three-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer to only have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Due to the large number of requests received for speaking slots, statements for Thursday, 17 December are expected to continue until Friday, 18 December in the early morning. The secretariat has decided to offer an opening of two hours on Wednesday, 16 December 2009 starting from 20:00 for those Parties which may wish to advance their speaking slot. The secretariat will be able to accommodate approximately 16 speaking slots during this period. The order of speakers will be in accordance with Protocol, based on the rank of the speaker.

Parties interested in taking up this offer should communicate their interest to the External Relations team, located in the Conference Affairs Services office in Hall B4 101 (Ms. Dianiah Trought-Dederich) by 12:00 on Monday, 14 December. Any other changes to the speakers' list should also be brought to the attention of the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the Conference Officer with **20 copies** of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide **700 copies**. Special announcements

**Advance notice:
Arrangements
for the welcoming
ceremony
on Tuesday,
15 December**

A welcoming ceremony, attended by the H.E. the Prime Minister of the Kingdom of Denmark, H.E. the Secretary-General of the United Nations and other dignitaries will mark the opening of the High Level Segment on Tuesday 15th December.

Participants will be asked to take their seats by 17:00 in Plenary I (Tycho Brahe) to ensure that the ceremony can open promptly at 17:30. Due to limited capacity in Plenary I, participants may also follow the proceedings on CCTV in Plenary II (Karen Blixen), on all the CCTV monitors and via webcast. Media representatives may follow the proceedings in the Press Conference Room.

Parties are guaranteed four seats per delegation. A limited number of seats is available for civil society, tickets for which will be distributed to the civil society constituency focal points. A limited number of overflow seats for Parties are available on a first come, first served basis. Security and fire regulations do not permit participants to stand or enter the room once the ceremony have started. Please note that Security will enforce this requirement.

**Additional
meditation and
prayer room**

The Host Country secretariat kindly informs participants that an additional meditation and prayer room has been made available in Hall B3 just opposite the ICT Service Desk.

**Vacancies at the
UNFCCC
secretariat**

Conference participants are encouraged to bring to the attention of qualified individuals in their countries/organizations the link to the employment page of the secretariat website:

<http://unfccc.int/secretariat/employment/recruitment>

Five professional positions are currently advertised.

During the first half of 2010 we are expecting to advertise a number of vacancies ranging from entry level to senior management.

The secretariat is committed to ensuring equitable gender balance and geographical distribution among its staff. To this end, we would like to especially encourage qualified women candidates and candidates from developing countries to apply for vacancies.

**Availability of
meeting rooms**

The demand for meeting rooms is expected to exceed the capacity of the conference premises and priority will be given to meetings directly associated with the negotiating process. The secretariat appreciates participants' understanding in this connection. Meetings will therefore only be confirmed at the earliest one day prior to the requested meeting taking place.

**Use of audio/video
recording devices by
participants at
UNFCCC sessions**

The making of audio and video recordings, including any external transmission, by Party or observer organization delegations during open and closed official meetings and in designated security zones is not permitted. The secretariat provides audio recordings of official meetings, as required by Parties. Webcasts are provided for open plenary meetings.

**"TelePresence"
video conferencing
service**

Four "TelePresence" suites are available for use by participants to COP 15 at no cost. Using these TelePresence suites in the conference venue it will be possible to connect virtually and in real time with 77 Cisco TelePresence rooms around the world and with 23 Danish embassies. The COP 15 TelePresence meeting facilities are located in Hall B across from the Meeting Room Assignment Counter and can be booked through the counter.
