

Framework Convention  
on Climate Change

No. 9

United Nations Climate Change Conference  
COP 15 and CMP 5  
Copenhagen, 7-18 December 2009

<sup>1</sup>  
**Daily Programme**  
**Part Two**

**Special announcement**

**Wednesday, 16 December**

**Access of IGOs/NGOs to the Bella Center:** Only holders of photo badges with secondary cards will be admitted to the premises, allowing a total of 7,000 IGO/NGO participants.

**Accreditation:** There will be no further new accreditation for NGOs as the numbers already registered have exceeded the capacity of the Bella Center.

IGO accreditation will be open from 12:00 to 18:00 as previously announced.

**Access to the plenary:** Only holders of tickets to the plenary will be allowed into the High Level Plenary starting today at 11:00. Tickets will be distributed through the constituencies during the course of the day. Please refer to the contact details below.

**Dismantling of exhibits:** It is recommendable to dismantle the exhibits on Wednesday, 16 December, however, the conference premises will be open to exhibitors who wish to dismantle them after the closure of COP 15/CMP 5.

**Thursday, 17 December**

**Access of the NGOs to the Bella Center** will be limited to 1,000 holders of photo badges with secondary badges. Badges will be distributed through the constituencies during the course of the day.

Due to the limited participation, IGOs will no longer be affected by the reduction.

**Accreditation:** IGO accreditation will be open from 08:00 to 18:00. There will be no accreditation for NGOs.

Please contact the respective focal point of your constituency:

<sup>1</sup> Please consult the CCTV monitors and the Information counter for any last-minute changes to this Programme. FCCC/2009/VI/OD/9 (Part II)

Business and Industry NGOs (BINGOs)

Mr. Carlos Busquets  
International Chamber of Commerce  
Carlos.busquets@iccwbo.org

Environmental NGOs (ENGOS)

Mr. David Turnbull  
Climate Action Network International  
dturnbull@climatenetwork.org

Ms. Janet Redman  
Focus on the Global South  
janet@ips-dc.org  
+1 508 3400 464 (strictly sms only)

Farmers\*

Ms. Nora Ourabah  
International Federation of Agricultural Producers  
nora.ourabah@ifap.org  
+33 1 45260553

Indigenous Peoples Organizations

Mr. Ben Powless  
International Alliance of the Indigenous-Tribal Peoples of the Tropical Forests  
powless@gmail.com  
+45 5021 1756

Local Governments and Municipal Authorities

Mr. Yunus Arian  
ICLEI - Local Governments for Sustainability  
climate.center@iclei.org

Research and Independent NGO

Ms. Monica Alessi  
Centre for European Policy Studies  
ringos@ceps.eu; monica.alessi@ext.ceps.eu  
+32 472 72 1868

Trade Union NGOs

Ms. Anabella Rosenberg  
International Trade Union Confederation  
rosenberg@tuac.org  
+33 1 55373737

Women and Gender\*

Ms. Gotelind Alber  
genderCC – Women for Climate Justice  
g.alber@gendercc.net  
+49 151 15240802

YOUNGO\*

Mr. Wilson Ang  
Sustainable Markets Foundation - 350.org  
wilson.ang@eco-singapore.org  
+45 5011 0166

\* Provisional constituency

The three groups with an asterisk are recognized as constituencies on a provisional basis pending a final decision on their status before COP 17.

## Events

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "**...inSide climate change**", available from the Information desk, or visit the UNFCCC [website](#). The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.

### Side events

| Time            | Organizer  | Title/Theme   | Venue                           |
|-----------------|--|---|---------------------------------|
| 09:00–<br>10:30 | HELIO International,<br>Foundation Bariloche (FB)<br>Ms. Laura Williamson<br>laura.williamson@<br>helio-international.org<br>+33 1 42245148                | <b>Energy access and poverty alleviation:<br/>reducing vulnerability and increasing<br/>resilience</b><br>Regional perspectives from Africa, Latin<br>America and the EU. Climate impacts on food,<br>health and energy and its effect on poverty will<br>be presented. The role of governance,<br>leadership and strategies for improving<br>resilience will be discussed.   | Niels Bohr,<br>Hall H           |
| 09:00–<br>10:30 | German Marshall Fund of<br>the United States (GMF),<br>Duke University<br>Ms. Kristin Luber<br>kluber@gmfus.org<br>+1 202 6832636                          | <b>Designing a transparent and credible global<br/>carbon market</b><br>The panel discussion will analyze the market<br>design elements necessary to ensure efficient<br>and transparent trading systems for carbon<br>allowances and offsets featuring Ms. Tracy<br>Wolstencroft, Goldman Sachs, EU<br>policymakers and congressional staff.                                 | Halfdan<br>Rasmussen,<br>Hall H |
| 09:00–<br>10:30 | European Nuclear Society<br>(ENS),<br>World Nuclear Association<br>(WNA)<br>Mr. Edouard Hourcade<br>yedouard.hourcade@<br>euronuclear.org<br>+33 1 6908596 | <b>Meeting Young european engineers (ENS-<br/>YGN) in an open discussion about nuclear<br/>and sustainability</b><br>Presenting and offering an open discussion<br>containing more facts and less ideology about<br>nuclear and CO <sub>2</sub> , waste management, safety and<br>security.   | Liva Weel,<br>Hall H            |
| 11:00–<br>12:30 | Club of Madrid,<br>United Nations Foundation<br>(UNF)<br>Ms. Luciana Silvestri<br>lsilvestri@clubmadrid.org<br>+34 91 1548249                              | <b>Global leadership for climate action (GLCA)<br/>event on financing climate action</b><br>A partnership of the United Nations Foundation<br>and the Club of Madrid presents innovative<br>proposals to help finance global climate action.  | Halfdan<br>Rasmussen,<br>Hall H |
| 11:00–<br>12:30 | Forest Stewardship Council<br>(FSC),<br>Rainforest Alliance (RA)<br>Mr. Stefan Salvador<br>s.salvador@fsc.org<br>+49 228 3676624                           | <b>Reducing emissions from forest degradation:<br/>FSC certified management (with Guatemala<br/>case study)</b><br>FSC, Rainforest Alliance and the Guatemalan<br>government explore forest conservation and<br>improved forest management as viable REDD<br>strategies and FSC certification as a way to<br>address environmental and social concerns of<br>such activities. | Niels Bohr,<br>Hall H           |

|                         |   |  |                                      |
|-------------------------|---|--|--------------------------------------|
| <p>11:00–<br/>12:30</p> | <p>United Nations Economic Commissions for Africa (ECA), for Europe (ECE), for Latin America and the Caribbean (ECLAC), Economic and Social Commissions for Asia and the Pacific (ESCAP ) and for Western Asia (ESCWA )<br/>Mr. Amr Nour<br/>nour@un.org<br/>+1 212 9635565</p>     | <p><b>Regional initiatives and strategies in support of country efforts on climate change</b><br/>Regional perspectives and efforts to meet climate change challenges, including adequate and accessible information services; private-public partnerships on energy efficiency; assessing economic impacts of climate change; low-carbon development pathways and; sustainable management of natural resources.</p> | <p>Victor Borge,<br/>Hall H</p>      |
| <p>13:00–<br/>14:30</p> | <p>United Nations Industrial Development Organization (UNIDO),<br/>United Nations – Department of Economics and Social Affairs (UN-DESA),<br/>United Nations Conference on Trade and Development (UNCTAD)<br/>Mr. Morgan Bazilian<br/>m.bazilian@unido.org<br/>+43 69 914593880</p> | <p><b>International cooperation on technology transfer - Time for action</b><br/>Low-carbon technologies are central to meeting the challenges and taking advantage of the opportunities, posed by climate change. This UN-coordinated side event will focus on actions and programmes related to technology transfer, with a specific focus on international cooperation.</p>                                       | <p>Niels Bohr,<br/>Hall H</p>        |
| <p>13:00–<br/>14:30</p> | <p>Colombia<br/>Sra. Paola Bernal<br/>paola.bernal@cancilleria.gov.co<br/>+57 1 3814124</p>   | <p><b>Colombia: One step ahead on mitigation and adaptation</b><br/>To show-case the experience gained in Colombia through a number of adaptation and mitigation projects and sharing of experiences, lessons learned and future challenges facing the adaptation and mitigation of climate change in Colombia.</p>  | <p>Liva Weel,<br/>Hall H</p>         |
| <p>13:00–<br/>14:30</p> | <p>Iceland<br/>Ms. Nina Bjork Jonsdottir<br/>nina@mfa.is<br/>+0 354 5459946</p>   | <p><b>Women as agents of change</b><br/>Discussion on the question women’s role as agents of change. They are equal stakeholders in terms of policy planning, decision-making and implementation. To enable them to be equal actors, it is important that women have access to the relevant information, technology and training.</p>  | <p>Halfdan Rasmussen,<br/>Hall H</p> |
| <p>13:00–<br/>14:30</p> | <p>Germany<br/>Mr. Lars Andersen<br/>lars.andersen@bmu.bund.de<br/>+49 30 183052</p>  | <p><b>From global crisis to green recovery – Opportunities to promote a green industrial revolution</b><br/>This event convenes senior representatives from governments, industry and the finance sector for a discussion about how public policy instruments and markets can effectively work together to create new opportunities for society and the private sector in a low carbon world.</p>                    | <p>Victor Borge,<br/>Hall H</p>      |

|                         |   |   |  |
|-------------------------|---|---|--|
| <p>13:15–<br/>13:45</p> | <p>United States of America<br/>Ms. Jodi Seth<br/>jodi_seth@kerry.senate.gov<br/>+44 7515 186978</p>  | <p><b>U.S. Senator Kerry: the critical role of a global deal in advancing U.S. legislation</b><br/>U.S. Senator John Kerry, Chairman of the Foreign Relations Committee of the United States Senate, will discuss progress in the U.S. legislative process, the critical role of a global deal in advancing U.S. legislation outlining his vision for the components of a successful agreement in Copenhagen.</p>       | <p>Hans Christian Andersen,<br/>Hall H</p> |
| <p>14:45–<br/>16:15</p> | <p>ICLEI - Local Governments for Sustainability (ICLEI)<br/>Mr. Yunus Arikan<br/>yunus.arikan@iclei.org<br/>+49 228 97629920</p>  | <p><b>Local Government Climate Roadmap - "From Bali to Poznan to Copenhagen"</b><br/>This event aims to present the Local Government Climate Roadmap, together with positions, opinions and demands from local government to national government in view of the post-2012 global climate agreement. Organized by ICLEI in collaboration with the LG Roadmap global partners.</p>  | <p>Niels Bohr,<br/>Hall H</p>              |
| <p>14:45–<br/>16:15</p> | <p>International Organization for Migration (IOM),<br/>United Nations University (UNU),<br/>United Nations High Commissioner for Refugees (UNHCR)<br/>Ms. Alina Narusova<br/>anarusova@iom.int<br/>+41 22 7179295</p> | <p><b>Climate adaptation continuum, migration and displacement - Copenhagen and beyond</b><br/>Heads of agencies and delegates discuss state-of-the-art understanding of climate adaptation, migration and displacement and related challenges in policy, research and practice, ways to address them and the role of the UNFCCC framework.</p>   | <p>Liva Weel,<br/>Hall H</p>               |
| <p>14:45–<br/>16:15</p> | <p>Southern African Development Community (SADC)<br/>Mr. Alex Miston Banda<br/>abanda@sadc.int<br/>+267 0 72939726</p>  | <p><b>The role of regional inter-governmental bodies in climate change: The Southern African experience</b><br/>Responding to the threat of climate change, the Southern African Development Community is initiating regional responses on issues such as REDD and CDM, whilst also enhancing regional cooperation in climate change policy development. This event will review SADC's work in these crucial areas.</p> | <p>Victor Borge,<br/>Hall H</p>            |
| <p>14:45–<br/>16:15</p> | <p>Denmark<br/>Ms. Kate Sanderson<br/>kates@mfa.fo<br/>+298 2 96137</p>   | <p><b>Seas: The Future - enhancing North Atlantic and global partnerships in a changing climate</b><br/>Organized by the Government of the Faroe Islands in cooperation with Indonesia and Norway to highlight the particular challenges and opportunities facing island and coastal nations when it comes to meaningful mitigation measures, adaptation and technological development in a changing climate.</p>       | <p>Halfdan Rasmussen,<br/>Hall H</p>       |
| <p>16:30–<br/>18:00</p> | <p>European Photovoltaic Industry Association (EPIA), Alliance for Rural Electrification (ARE), Solar Energy Industries Association (SEIA)<br/>Mr. Benjamin Fontaine<br/>b.fontaine@epia.org<br/>+32 2 4001043</p>    | <p><b>Seizing solar power: Key to reducing CO2 emissions now</b><br/>Solar industry organizations from around the globe present new global figures, analyses and business scenarios on the role that this renewable technology can play in combating climate change</p>   | <p>Niels Bohr,<br/>Hall H</p>              |

|                 |  |   |                                    |
|-----------------|--|---|------------------------------------|
| 16:30–<br>18:00 | Green Cross International (GCI)<br>Ms. Michelle Laug<br>michelle.laug@gci.ch<br>+41 79 7138779                       | <b>How to re-calibrate our responses to climate change challenges</b><br>Building on work of the Club of Rome, Club of Madrid and World Political Forum and presented on behalf of GCI by world opinion leaders to urge to reach a strong climate deal, re-calibrate responses in line with dangers to human security and development while promoting the engagement of civil society.                  | Liva Weel,<br>Hall H               |
| 16:30–<br>18:00 | U.S. Climate Action Network (USCAN)<br>Mr. Mathew Todaro<br>mtodaro@climatenetwork.org<br>+202 0 4459009             | <b>The road to the U.S. clean energy economy</b><br>The U.S. Climate Action Network will showcase the important efforts a cross-section of U.S. groups are currently undertaking to advance the American clean energy economy.  | Victor Borge,<br>Hall H            |
| 16:30–<br>18:00 | Friends of the Earth International (FOEI)<br>Ms. Stephanie Long<br>stephanie.long@foe.org.au<br>+61 414 136461       | <b>Achieving climate justice: Reducing emissions and building resilience without false solutions</b><br>This event will present case-studies on how emission targets can be met and why false solutions such as offsetting, CCS and agrofuels are dangerous distractions to achieving climate justice.  | Halfdan Rasmussen,<br>Hall H       |
| 18:00–<br>19:15 | United Nations (UN)<br>Mr. Georgios Kostakos<br>kostakos@un.org<br>+1 646 6421055                                    | <b>The United Nations system delivering as one on climate change</b><br>An interactive discussion with UN Secretary-General Ban Ki-moon and Executive Heads of UN system organizations. Introductory remarks by the UNFCCC Executive Secretary and the Danish Minister for Climate and Energy. Moderator: Mr. Mohamed El-Ashry, Senior Fellow at the UN Foundation.                                     | Hans Christian Andersen,<br>Hall H |
| 18:15–<br>19:15 | Bolivia<br>Mr. Roberto Calzadilla<br>robertocalzadilla@gmail.com<br>+31 64 6016548                                   | President Evo Morales meets IPOs<br>Closed meeting of IPOs.   | Niels Bohr,<br>Hall H              |
| 18:15–<br>19:45 | Munich Climate Insurance Initiative (MCII)<br>Ms. Koko Warner<br>warner@ehs.unu.edu<br>+49 228 8150226               | <b>Insurance and adaptation</b><br>(MCII with IRI, UNDP, IIASA, and Oxfam)<br>Experts give examples of how insurance approaches help vulnerable countries and people adapt to and reduce risk. Delegates and experts discuss ways to build risk reduction and non-profit insurance entities and will look at alternatives for moving from the negotiating text to action between 2009 and 2012.         | Saxo Grammaticus<br>Hall H         |
| 18:15–<br>19:45 | International Institute for Sustainable Development (IISD)<br>Ms. Jo-Ellen Parry<br>jparry@iisd.ca<br>+1 204 9587722 | <b>Addressing clean energy and climate change action in North America – a coordinated approach.</b><br>IISD and the Pembina Institute explore ways of strengthening North American collaboration on clean energy and climate change. The event will examine policy actions in the United States, Canada and Mexico and prospects for a coordinated approach to address climate change in North America. | Liva Weel,<br>Hall H               |

|                 |   |   |                              |
|-----------------|---|---|------------------------------|
| 18:15–<br>19:45 | Guyana<br>Ms. Gitanjali Chandarpal<br>gitanjalic81@yahoo.com<br>+592 223 5231               | <b>Guyana's low carbon development strategy</b><br>A workable model that demonstrates how highly forested countries with low deforestation rates can develop along a low carbon path.   | Victor Borge,<br>Hall H      |
| 18:15–<br>19:45 | Ecuador, Peru<br>Ms. Daniela Carrion<br>dcarrion@ambiente.gov.ec<br>+593 2 563816           | <b>Ecuador and Peru towards their national REDD strategies</b><br>Ecuador and Peru are taking firm steps towards implementing their REDD Strategies. The event will present the progresses and challenges that are faced on the path to REDD.   | Halfdan Rasmussen,<br>Hall H |
| 18:15–<br>19:45 | Ethiopia<br>Mr. Tewolde Berhan Gebre Egziabher<br>haile1606@hotmail.com<br>+251 11 64664606 | <b>Mr. Meles Zenawi, Prime Minister of Ethiopia, will host this event showcasing a successful community-based land rehabilitation program</b><br>The event is an opportunity for visitors to the Conference to share the Ethiopian experience of MERET and similar community-based land rehabilitation programs.  | Dan Turell,<br>Hall H        |
| 20:00–<br>21:30 | Zambia<br>Mr. Ephraim Mwepya<br>Shitima<br>mwepyashitima@yahoo.co.uk<br>+26 211 229417      | <b>Zambia: Demonstrating the potential and crucial reform needs of the CDM for poverty reduction</b><br>Based on a study on planned rural electrification in Zambia, the event will explain how sales revenue from certified emission reduction (CERs) can improve livelihoods of the rural population and how methodological issues are constraining development of CDM in LDCs. | Liva Weel,<br>Hall H         |
| 20:00–<br>21:30 | Resources for the Future (RFF)<br>Mr. Ray Kopp<br>kopp@rff.org<br>+1 202 3285059            | <b>The geography of forests in climate solutions</b><br>This event will discuss the global geography of REDD and potential. Panelists will discuss the importance of new interactive mapping tools to policymakers, landscape managers, and private investors.  | Niels Bohr,<br>Hall H        |
| 20:00–<br>21:30 | Republic of Korea<br>Ms. Jinyoung Kim<br>kjinyun@korea.kr<br>+82 2 7352539                  | <b>Getting into shape for green growth: Korea's case</b><br>Korea is set to combat climate change through green growth. This event explores best practice in green growth policies and introduces the East Asia Climate Partnership and its progress, while highlighting Korea's case in building global partnership in transformational technologies such as Smartgrid.          | Dan Turell,<br>Hall H        |
| 20:00–<br>21:30 | Keidanren<br>Ms. Chika Mashiko<br>mashikoc@keidanren.or.jp<br>+81 3 67410690                | <b>The Keidanren (Japan Business Federation) Workshop: Business views on the post-Kyoto international framework</b><br>This event presents Japanese business efforts to tackle climate change and provides views on the Post-Kyoto framework. Panelists will discuss reduction scenarios, mid-term targets, sectoral approaches, technology and other relevant issues.            | Saxo Grammaticus,<br>Hall H  |

|                 |   |  |                         |
|-----------------|---|--|-------------------------|
| 20:00–<br>21:30 | Chile<br>Mr. Waldemar Coutts<br>wcoutts@minrel.gov.cl<br>+56 2 3801403              | <b>A regional perspective of the economic impacts of climate change in Latin America and the Caribbean</b><br>Presentation of a summary of climate change impacts on the main sectors from a regional perspective in Latin America and the Caribbean. These Stern-type studies include water, agro-forestry and energy sectors among others.   | Victor Borge,<br>Hall H |
| 21:45–<br>23:15 | Guinea-Bissau<br>Mr. Alexandre Cabral<br>alexcabral65@hotmail.com<br>+0 245 6614499 | <b>Building networks within the PRCM region to improve climate change governance in West Africa</b><br>To "maintain in good condition" the marine and coastal environment, the PRCM is committed to improve the climate governance, through programs that promote and encourages the involvement of decision makers and civil society actors, supported in this by a technical and scientific expertise. | Victor Borge,<br>Hall H |

### Interviews at the "...inSide climate change" Solutions Studio

The "...inSide climate change" Solutions Studio" is located in the Central Hall (entrance to Media Centre)

|                 |  |   |
|-----------------|--|---|
| 13:00–<br>13:20 | The World Political Forum (WPF)<br>Ms. Francesca Palozzo<br>secretariat@<br>theworldpoliticalforum.org<br>+39 349 585289           | <b>The World Political Forum bringing water to climate change negotiations</b><br>Mr. Riccardo Petrella from The World Political Forum will discuss why water issues should be part of any climate change discussion.   |
| 13:20–<br>13:40 | Climate Action Reserve<br>Ms. Jennifer Weiss<br>jennifer@<br>climateactionreserve.org<br>+1 213 8911444                            | <b>Bringing California to Copenhagen</b><br>Ms. Linda Adams, Secretary of California EPA, will discuss California initiatives and how they serve as models for other national governments.  |
| 13:40–<br>14:00 | UNICA - Brazilian Sugarcane Industry Association (UNICA)<br>Mr. Emmanuel Desplechin<br>edesplechin@unica.com.br<br>+32 2 2346128   | <b>The Brazilian Climate Alliance: agriculture, planted forests and bioenergy</b><br>Private sector proposals for an ambitious global agreement to reduce GHG emissions and concrete solutions currently available in tropical countries to mitigate climate change.                                    |
| 14:00–<br>14:20 | David Suzuki Foundation<br>Mr. James Hoggan<br>jchoggan@hoggan.com<br>+45 254 50773633   | <b>Climate cover-up: The crusade to deny global warming</b><br>Mr. Richard Littlemore, Editor of DeSmogBlog "Industry campaign to confuse the public about the science of climate change and to block action in North America and around the world."  |
| 14:40–<br>15:00 | Climate Action Reserve<br>Ms. Jennifer Weiss<br>jennifer@<br>climateactionreserve.org<br>+1 213 8911444                            | <b>You can't manage what you don't measure: Reducing your carbon footprint</b><br>Mr. Doug Scott, Director, Illinois EPA, and Ms. Diane Wittenbeg, Executive Director, The Climate Registry, will discuss the importance of measuring carbon footprint and the impact on any corporation's bottom line. |
| 15:00–<br>15:20 | Brazilian Business Council for Sustainable Development (BCSD - Brazil)<br>Ms. Marina Grossi<br>marina@cebds.org<br>+55 21 24832250 | <b>Perspectives for Brazilian companies in the carbon credit market and CDM projects</b><br>Ms. Marina Grossi, Coordinator, Technical Chamber of Energy and Climate Change, BCSD Brazil, will discuss issues in carbon markets in Brazil.   |

|                 |  |  |
|-----------------|--|--|
| 15:20–<br>15:40 | United Nations Educational, Scientific and Cultural Organization (UNESCO)<br>Mr. Peter Dogse<br>p.dogse@unesco.org<br>+33 1 45684098 | <b>UNESCO initiative on climate change</b><br>Ms. Irina Bokova, Director-General, UNESCO, will discuss the scientific, cultural, ethical and educational aspects of the climate change negotiations and related UNESCO initiatives.  |
| 16:40–<br>17:00 | United Nations (UN)<br>Mr. Marco Keiner<br>Marco.Keiner@unece.org<br>+41 22 9172694  | <b>Mitigating and adapting to climate change in the UNECE region</b><br>Mr. Marco Keiner, Director, UNECE Division. for Environment, Housing and Land Management, discusses activities to mitigate and adapt to climate change including the reduction transport emissions, sustainable managements of forests, water management, climate neutral cities, amongst others |
| 17:00–<br>17:20 | Institute for Agriculture and Trade Policy (IATP)<br>Mr. Ben Lilliston<br>BLilliston@iatp.org<br>+1 612 8703425                      | <b>Getting agriculture right in a climate deal</b><br>Mr. Jim Harkness, President of the Institute for Agriculture and Trade Policy, will discuss the essential role of agriculture within the climate negotiations.   |
| 17:40–<br>18:00 | United Nations University (UNU)<br>Ms. Koko Warner<br>warner@ehs.unu.edu<br>+49 228 8150226  | <b>UNHCR, climate change and displacement</b><br>Mr. Antonio Guterres, High Commissioner, UN High Commission on Refugees (UNHCR), will discuss UNHCR's views on the impact of climate change on migration and displacement.  |

### Climate Change Kiosk – iSeeT@COP 15

The Climate Change Kiosk – iSeeT@COP 15 is located in the Central Hall (Atrium)

The iSeeT@COP 15 exhibit provides an opportunity to see and hear how Parties and observer and media organizations, including the private sector, are using information and communication technology to address climate change challenges.

### U.S. Center science presentations featuring Science on a Sphere ®

The U.S. Center is located in Hall C

|                 |  |                            |
|-----------------|--|----------------------------|
| 09:00–<br>10:00 | <b>Climate federalism: U.S. states in partnership with U.S. EPA</b><br>U.S. Environmental Protection Agency (EPA):<br>This event will feature state and federal leaders sharing information about effective policies and highlighting the state/federal climate partnership.   | U.S. Center Meeting room   |
| 10:15–<br>11:15 | <b>The U.S. transportation sector: A part of the climate solution</b><br>U.S. Department of Transportation (DOT):<br>DOT is working to improving the fuel efficiency of automobiles, intensifying energy efficiency and renewable energy efforts and working through interagency partnerships to build livable communities where people can move without burning oil.  | U.S. Center Meeting room   |
| 11:30–<br>12:30 | <b>The science of climate change</b><br>Office of Science and Technology Policy:<br>What is the evidence that the climate of the earth is now changing in a way that is unusual when compared to expected natural variations? What is the evidence that human activities are the primary cause of these changes? This lecture will provide answers to these questions. | U.S. Center Meeting room   |
| 16:45–<br>17:45 | <b>Greenhouse gas emissions from bioenergy: A new tool for reporting and comparing lifecycle analyses</b><br>Global Bioenergy Partnership (GBEP):<br>Participate in a workshop with international experts as they demonstrate and discuss a practical tool for reporting and comparing lifecycle assessments of greenhouse gas emissions from bioenergy.               | U.S. Center Meeting room   |
| 16:45–<br>17:45 | <b>Extreme Ice Survey</b><br>National Aeronautics and Space Administration (NASA):<br>Through the visual evidence of the <i>Extreme Ice Survey</i> , Director James Balog will unveil rapidly changing landscapes in Alaska, Greenland, and Iceland.   | U.S. Center Reception room |
| 18:00–<br>19:00 | <b>National security implications of climate change</b><br>U.S. Department of Defense:<br>The United States recognizes that one of the impacts of climate change is the potential for increased instability in regions subject to the effects of changing precipitation patterns, sea level rise, and extreme weather events, to name just a few.                      | U.S. Center Meeting room   |

## European Union Pavilion

The EU Pavilion is located in Hall C

|                 |  |  |              |
|-----------------|--|--|--------------|
| 08:45–<br>10:15 | EUROPEAID,<br>European Commission<br>Johanna Peyredieu du<br>Charlat<br>johanna.peyredieu-du-<br>charlat@<br>ec.europa.eu        | <b>Economic impacts of climate change in Latin America and the Caribbean</b><br>The event will present the RECCS project. This includes a presentation of a summary of climate change impacts on the main sectors from a regional perspective in Latin America and the Caribbean. These Stern-type studies include water, agriculture, forestry, health, biodiversity. | Room Schuman |
| 10:30–<br>12:30 | Austria<br>Manfred Kohlbach<br>manfred.kohlbach@<br>lebensministerium.at<br>+43 1 515 22 17 25                                   | <b>Green growth and green jobs</b><br>This event explores how renewable energy technologies can contribute to green growth and employment. Success stories include the Austrian city of Guessing, which has recently cut its greenhouse gas emissions by over 90 percent from previous levels.   | Room Monnet  |
| 10:30–<br>12:30 | Committee of the<br>Regions<br>bela.dajka@cor.europa.e<br>u  | <b>Mobilizing citizens: Regions and cities working together for climate protection</b><br>In a high-level panel debate, representatives of EU institutions and European and US local authorities will demonstrate the commitment of regions and cities to achieve sustainable energy targets and adaptation to the effects of climate change.                          | Room Schuman |
| 13:00–<br>15:00 | Italy<br>Laura Calamaro<br>calamaro.laura@<br>minambiente.it<br>+39 06 57 22 81  | <b>Research community shows pathway towards Low Carbon Society</b><br>Researchers of the International research network for Low Carbon Societies will present the synthesis of its findings and models for the energy technologies.  | Room Monnet  |
| 13:00–<br>15:00 | DG ENV, European<br>Commission<br>Marco Gasparinetti<br>marco.gasparinetti@<br>ec.europa.eu                                      | <b>Role of water in climate change</b><br>This event will highlight the important role of water in adaptation and show how to maximise availability through better integrated water resource management. It will also address flood risks and show the importance of efforts in improving sanitation when adapting to climate change.                                  | Room Schuman |
| 15:30–<br>17:30 | Sweden<br>Emma Lindberg<br>emma.lindberg@<br>naturskyddsforeningen.se<br>+46 8 7026593   | <b>Key issues for Copenhagen and companies for a powerful climate agreement</b><br>A synthesis of key issues for Copenhagen. Speakers from the UN, leading companies, researchers, NGOs and policy makers.   | Room Monnet  |
| 15:30–<br>17:30 | European Investment<br>Bank<br>Giulia Macagno<br>g.macagno@eib.org   | <b>Financing adaptation: The role of the European funding institutions</b><br>This event presents the European Funding Institutions and the European Commission's work inside and outside Europe and discusses new approaches to adaptation funding.   | Room Schuman |
| 18:00–<br>20:00 | DG RTD, European<br>Commission<br>Thomas Myhrvold-<br>Hanssen<br>thomas.lange-myhrvold-<br>hanssen@ec.europa.eu<br>+32 229 85054 | <b>The economics of climate change - research from different evidence lines from Global to European</b><br>Which recommendations do economics offer to design optimal mix of adaptation and mitigation policies at the national and international level?   | Room Monnet  |

|                 |  |  |              |
|-----------------|--|--|--------------|
| 18:00–<br>20:00 | United Kingdom<br>Aaron Gould<br>aaron.gould@<br>decc.gsi.gov.uk | <b>Results from CCAP’s “Developing Country” project</b><br>The Center for Clean Air Policy will present their research into mitigation options, implementation approaches and required support for key sectors – electricity, iron & steel, cement, transport and forestry – in China, India and Brazil. | Room Schuman |
| 20:15–<br>21:15 | Sweden<br>Carl von Essen<br>carl.von.essen@<br>globalutmaning.se | <b>Carbon taxation - a forgotten climate policy tool?</b><br>The Swedish think-tank Global Utmaning (Global Challenge) analyses the theories and evidence regarding carbon taxation, and presents 10 principles on carbon taxation.  | Room Monnet  |

### Delegation of Brazil

The Brazilian delegation area is located in Hall C7

|                 |  |  |
|-----------------|--|--|
| 09:30–<br>10:00 | Brazilian Delegation<br>(Ministry of<br>Environment)   | <b>National policy for indigenous areas</b>  |
| 10:00–<br>11:30 | Brazilian Delegation<br>(CEBDS)<br>Mrs. Marina Grossi<br>marina@cebds.org<br>+55 21 81620191                   | <b>Positioning of Brazilian companies and relevant issues associated with global climate change themes</b> |
| 11:30–<br>13:00 | Brazilian Delegation<br>(ABOVE)<br>Mr. Henrique Paes de<br>Barros<br>henrique@abiove.com.br<br>+55 11 55360733 | <b>Soy moratorium as an initiative to reduce deforestation in the Amazon forest</b>                        |
| 13:00–<br>13:30 | Brazilian Delegation<br>(CNA)<br>Mr Rodrigo Justus de<br>Brito<br>rodrigo.brito@cna.org.br<br>+55 61 21091455  | <b>Brazilian agribusiness contribution to climate changes</b>  |
| 13:30–<br>15:30 | Brazilian Delegation<br>(BNDES)<br>Mrs. Ana Luiza Landim<br>luiza@bndes.gov.br<br>+55 21 21727552              | <b>The Amazon Fund – a practical application of incentives for REDD</b>                                    |
| 15:30–<br>16:00 | Brazilian Delegation<br>(Camargo Correa)   | <b>Sustainable energy in Brazil</b>  |
| 16:00–<br>17:30 | FIESP  | <b>Advancing Future Energy</b>   |

## Delegation of China

The Chinese delegation area is located in Hall C7

|       |                    |   |
|-------|--------------------|---|
| 10:00 | Chinese Delegation | <b>Presentation</b><br>by Mr. Zhang Jun, Director of Department of Business Investment, China Energy Conservation Investment Corporation.   |
| 11:00 | Chinese Delegation | <b>Presentation</b><br>by Mr. Ding Zhongli, Vice President of the Chinese Academy of Science  |
| 15:00 | Chinese Delegation | <b>Presentation</b><br>by Mr. Zhu Guangyao, Assistant Minister of the Chinese Ministry of Finance   |
| 17:00 | Chinese Delegation | <b>Press briefing</b><br>by Su Wei, Director-General of the Department of Climate Change, National Development and Reform Commission, P.R.C.  |
| 18.30 | Chinese Delegation | <b>Panel discussions between Chinese and British experts on China's efforts on energy conservation and emission reduction"</b><br>by Alon Carmel (British Expert)<br>Zhou Dadi (Institution of Macro Research, National Development and Reform Commission, P.R.C. ) |

## Holland Climate House

The Holland Climate House is located in Hall C7

|  |  |   |
|--|--|---|
| Organized by: Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) |  |   |
| 09:30–<br>11:00  | Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) | <b>Adapting to climate change – bridging the climate negotiations with the need for local actions</b><br>Presentations on water and climate by government representatives from the Netherlands, Bangladesh, Germany, Vietnam, Denmark and others. The Global Public Policy Network as lobbyist in the negotiations, UN Water and the World Business Council on Sustainable Development will present their views on the progress of the negotiations and its impacts on their positions.             |
| 11:00–<br>12:30  | Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) | <b>Launch of the UNECE Guidance</b><br>The new UNECE Guidance on Water and Adaptation to Climate Change was developed under the UNECE Water Convention to spur climate change adaptation that takes into account the transboundary dimension of water management.   |
| 12:00  | <b>Lunch</b>   |   |
| 12:00–<br>18:00  | Royal Netherlands Meteorological Institute (KNMI) Deltares   | <b>Climate services and tailoring of climate data</b><br>Overview of the elements of the climate services, developments and the basic information sources.<br>Presentations by Gé Verver and Mr. Rob van Dorland (KNMI).<br>Interviews with representatives of users and providers of climate information about the development and use of this information in planning, policy and practice in order to better adapt to climate change.<br>Informal discussions with users of climate information. |

|                 |  |   |
|-----------------|--|---|
| 12:00–<br>18:00 | Royal Netherlands Meteorological Institute (KNMI) Deltares   | <b>Water scenarios for the Netherlands</b><br>Located in a delta, “water scenarios” describing the range of plausible changes for these parameters are needed for the design of adaptive water management strategies. Presentation by Mr. Jaap Kwadijk on water scenarios.  |
| 12:30–<br>14:00 | Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) | <b>Scientific support in developing adaptation to climate policy</b><br>Science can help policy makers to set out strategies and to assess measures. To bridge the gap between science and practice climate services have been set up, the hotspot approach was invented and boundary organisations were initiated. Three different approaches will be presented and discussed. |
| 14:30–<br>16:30 | Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) | <b>Climate proofing the Netherlands – the Delta Programme</b><br>The Delta Programme marks a shift in the Dutch National Adaptation Strategy (NAS). Its next step will include an enhanced focus on water related issues in an integral approach.   |
| 16:30–<br>17:00 | Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) | <b>Delta Committee / the movie</b><br>The Delta Committee report (September 2008): Solving present problems in a future context. A short film is presented.   |
| 17:00           | <b>Reception</b>   |   |
| 17:00–<br>20:30 | Co-operative Programme on Water and Climate (CPWC), Ministry of Transport, Public Works and Water Management (V&W), Climate Research Netherlands, Ministry of Housing, Environment and Spatial Planning (VROM) | <b>The International Delta Alliance. Meet the press</b><br>Today the Delta Alliance will be announced. The focus will be on the benefits of sharing and developing knowledge on adaptation between delta regions worldwide. Drinks will be served.  |

**Other observer organizations' events**

|                 |  |  |  |
|-----------------|--|--|--|
| 13:00–<br>14:30 | International Emissions Trading Association (IETA)   | <b>The Smart Green Grid “initiative” in the USA</b><br>This event will look at this initiative and its impacts on the energy demand and supply.  | Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)     |
| 13:00–<br>14:30 | International Emissions Trading Association (IETA)   | <b>What is the emission reduction potential within agriculture under the CDM, EPA or other offset programmes?</b><br>This event will explore where the potential for inclusion lies, why this potential has so far not been exploited, and what could be done to exploit it better.  | Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)     |
| 14:00–<br>15:30 | The Bellona Foundation<br>Ms. Guro Wasa<br>guro@bellona.no<br>+47 971 94 695                                 | <b>Mitigating climate change with renewable energy, efficiency and a Copenhagen agreement</b><br>IPCC authors and other experts will discuss how renewable energy and energy efficiency in concert can reduce emissions at modest cost in the near-term. The panelists will also address how the Copenhagen agreement can accelerate transition to a low-carbon economy. | Bellona Room, Hall C7  |
| 14:45–<br>16:15 | IOM, UNHCR and UNU   | <b>Humanitarian Day - climate adaptation continuum, migration and displacement - Copenhagen and beyond</b><br>Heads of agencies and delegates discuss state-of-the-art understanding of climate adaptation, migration and displacement and related challenges in policy, research and practice and the role of the UNFCCC framework.                                     | Liva Weel, Hall H  |
| 14:30–<br>15:00 | International Emissions Trading Association (IETA)   | <b>IETA tea and coffee break</b>   | Mount Everest Foyer – in the Crowne Plaza Hotel (next to the Bella Center) |
| 15:00–<br>16:00 | JVE Togo<br>Grace Mwaura<br>(45) 52988612<br>mwaurace@yahoo.com  | <b>South-North Journal</b><br>To set a symbol for global collaboration amongst negotiators in Copenhagen, young academics around the world collaborated to produce the “South-North Journal”.  | UNFCCC Youth Booth in the Youth Arcade (H-004-C)                           |
| 15:00–<br>16:30 | International Emissions Trading Association (IETA), the Pew Charitable Trusts and Environmental Defense Fund | <b>U.S. congressional update</b><br>Chief aides to the key US House and Senate Committees will describe the architecture of the leading climate proposals in the United States, what worked in the House, and what the Senate needs to do to pass cap-and-trade into law.  | Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)     |
| 15:00–<br>16:30 | Climate Action Reserve, The Climate Registry and International Emissions Trading Association (IETA)          | <b>Integrated policies: Adaptation at the local, state and federal levels</b><br>Adaptation will be a slow-moving choreography of policy, finance, planning, community engagement and many other elements of society. These speakers will address the keys to success: from the national level to the local level between nations, regions and localities.               | Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)     |

|                 |   |  |  |
|-----------------|---|--|--|
| 15:00–<br>16:30 | Climate Consortium<br>Denmark<br>Ms. Majken Kalhave<br>info@klimakonsortiet.dk<br>+45 2249 6514   | <b>The global potential of biofuels</b><br>Experts from around the world will discuss how biofuels can be deployed sustainably, achieve rapid reductions in greenhouse gas emissions, reduce fossil fuel use and spur development.   | Climate Consortium<br>Denmark's exhibition<br>Global Platform<br>– Multiple Solutions in the Center Hall |
| 16:30–<br>18:00 | International Emissions Trading Association (IETA)  | <b>Beyond Copenhagen: The role of the private sector</b><br>In this session, representatives from a broad spectrum of industries will react to the potential of a global climate deal and in particular the U.S. legislation and will discuss the policy initiatives that can help further the efforts of the private sector.  | Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)                                   |
| 16:30–<br>18:00 | International Emissions Trading Association (IETA)  | <b>Complementary transportation policies: Moving beyond a cap</b><br>This expert panel will highlight creative thinking and action on these complementary approaches.  | Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center)                                   |
| 16:30–<br>17:00 | The Bellona Foundation<br>Ms. Guro Wasa, The Bellona Foundation,<br>guro@bellona.no<br>+47 971 94 695   | <b>Profitable climate Solutions - in a National and Global Context</b><br>Dr. Amory B. Lovins, Co-founder and chief scientist of the Rocky Mountain Institute via live teleconference from Aspen, Colorado, discusses why there is more money to be made in saving energy than there is in producing it.<br>Co-host: National Wildlife Federation  | Bellona Room, Hall C7  |
| 16:30–<br>18:00 | Climate Registry<br>Delegation: The Center for Climate Strategies,<br>Mr. Thomas Peterson,<br>President & CEO, CCS<br>tpeterson@climatestrategies.us<br>+1 703 887 6696 | <b>30 U.S. states and their stakeholders say low carbon economic development a successful new paradigm</b><br>The conversation will feature sub-federal climate action leaders from the U.Ss including: state assembly members from CA and ME, city official from Boulder, CO, Director of the IL EPA and representatives from the NYC Dept of Environmental Conservation and an Energy Company from Sacramento, CA. | Hub Culture Climate Pavilion,<br>14 Gammeltorv, 1457.  |
| 18:00–<br>19:30 | The Climate Registry and International Emissions Trading Association (IETA)   | <b>Corporate climate leadership</b><br>Thought leaders share diverse perspectives on defining and determining the meaning and value of climate action leadership in today's evolving climate landscape.  | Mount Everest 2 – in the Crowne Plaza Hotel (next to the Bella Center)                                   |
| 18:00–<br>19:30 | Government of the State of Acre, Brazil<br>Mr. Tony Gross<br>Special Adviser<br>+55 68 9971 7613<br>tony139@gmail.com   | <b>"Florestania - forest citizenship in the land of Chico Mendes"</b><br>Governor Binho Marques, Senator Marina Silva and others will present the state's PES and REDD project illustrating the contribution the state is making to reducing emissions from deforestation and to meeting the objectives of the UNFCCC within the context of sustainable development in Amazonia.                                     | Bellona Room Hall C7   |

|                 |  |   |  |
|-----------------|--|---|--|
| 18:00–<br>19:30 | International Emissions Trading Association (IETA)                           | <b>Role of forestry in climate change mitigation and adaptation</b><br>This session will discuss the challenges encountered in effectively addressing deforestation as part of an international climate agreement, including the potential for GHG markets to provide a source of capital for reducing deforestation.   | Mount Everest 3 – in the Crowne Plaza Hotel (next to the Bella Center) |
| 18:00–<br>19:30 | The Bellona Foundation<br>Ms. Guro Wasa<br>guro@bellona.no<br>+47 971 94 695 | <b>Forest society and forest citizenship in the Land of Chico Mendes</b><br>Acre is a small state in the western Amazon, which retains 88 per cent of its forest cover and has one of the lowest rates of deforestation in the Amazon. Governor Marques and other speakers will describe how the pressure for deforestation has been contained by building on the movement to resist forest conversion and the search for sustainable forest based solutions led by Chico Mendes. | Bellona Room, Hall C7  |
| 19:30–<br>20:30 | The Bellona Foundation<br>Ms. Guro Wasa<br>guro@bellona.no<br>+47 971 94 695 | <b>The business case for climate solutions</b><br>Mr. Hunter Lovins, President of Natural Capitalism Solutions makes the best business case scenario for quickly transforming world-wide markets based on fossil fuels to markets based on clean technology at even greater profit.   | Bellona Room, Hall C7  |

## Other activities

11:00–12:00

### The oil factor

Organizer: IndyAct. Location: corridor next to Media balcony towards Hall E.

14:00

### Second Gender Champion award ceremony

Which countries support women's voices in the UNFCCC process? Who works to get an agreement that is fair to women and men? The second Gender Champion of the Climate Change negotiations will be announced by the women and gender constituency.

Organizer: GenderCC - Woman for Climate Justice. Location: H 012 A (GenderCC booth)

18:00

### "Fossil of the day" award

Fossil of the Day awards are presented, in a spectacular, Hollywood-style daily ceremony, to the countries who do the most to obstruct progress in each day's climate negotiations. Since 1999, Fossils have been voted on by the hundreds of organizations of the Climate Action Network. Organizer: CAN International. Location: H-020 B.

All day

### Avaaz aliens searching for climate leaders at the United Nations climate summit

Organizer: Avaaz. Location: all areas.

All day

### Seal the Deal!

Organizer: UNEP Nairobi. Location: H-021 D.
