Forthcoming events

"Climate change financing: bridging international and national initiatives"

10 June 2009, 13.00–15.00, Location: Gustav Stresemann Institut

An innovative developing country initiative toward financing mechanisms (Indonesia Climate Change Trust Funds and others) in the context of national policy frameworks and international sources of financing will be presented. This will be matched with the proposal and concepts for climate change financing by OECD countries and other organizations. The discussion should reveal how a national mechanism could link and be combined with a (proposed) international mechanism. Organizer: State Ministry of National Development Planning (Bappenas), Republic of Indonesia
