**Recommendation of the Subsidiary Body for
Scientific and Technological Advice**

The Subsidiary Body for Scientific and Technological Advice, at its thirty-first session, decided to recommend the following draft conclusions for adoption by the Conference of the Parties at its fifteenth session:

Draft conclusions on research and systematic observation

The Conference of the Parties noted with appreciation the outcome of World Climate Conference-3,¹ organized by the World Meteorological Organization and its partner organizations and held in Geneva, Switzerland, from 31 August to 4 September 2009, in particular the decision to establish a Global Framework for Climate Services to strengthen the production, availability, delivery and application of science-based climate prediction and services.
