United Nations Climate Change Conference 2011
COP 17 and CMP 7
Durban, 28 November – 9 December 2011

Daily Programme

Addendum

List of speakers for the high-level segment attended by Heads of State and Heads of Government and other heads of delegation

The list below is the preliminary list of speakers who have registered their wish to deliver a statement at the high-level segment of the COP and the CMP.

The list is provisionally divided into morning and afternoon segments to facilitate the organization of the order of speakers.

All speakers are reminded to be present in the plenary 10 minutes, or at least two speakers, prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Attending Heads of State or Government will be driven to the VVIP entrance of the ICC and from there escorted by a Protocol Officer to the seats of their delegation. A lounge will also be available for the Heads of State or Government.

Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required) and posting on the secretariat web site. If Parties do not wish to speak but would prefer to only have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

The Daily Programme is available electronically at <unfccc.int>. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

Parties interested in taking up this offer should communicate their interest to Ms. Grace Smith or Ms. Sharon Kirabo-Steffens of the External Relations team, located in the Conference Affairs Services office, ground floor, south Foyer of the ICC, by 12.00 on Monday, 5 December 2011. Any other changes to the speakers' list should also be brought to the attention of the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the Conference Officer with **20 copies** of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide **300 copies**. These copies may be delivered to the Conference Officer's table located beside the podium in the plenary. Statements that are delivered during the high level segment and for which copies are provided to the secretariat, will also be available on the COP 17/CMP 7 website at <unfccc.int>.

Special Announcement
Collection of tickets for the 6th December Opening Ceremony
of the High-Level Segment

In the light of the large number of participants in the sessions, it will be necessary to manage access to Plenary "Baobab" through a system of secondary tickets for the opening ceremony of the High-level Segment (HLS) on the afternoon of Tuesday, 6 December, beginning at 15.00. Conference badges alone will not allow entry into the Plenary.

The arrangements for the collection of tickets are indicated below.

Party representatives

The collection of the tickets for the opening ceremony of the HLS will be possible as of Monday, 5 December at 10.00 from the information desk on the ground floor of the ICC. The tickets can be collected by an authorized member of the delegation. Parties are guaranteed four seats. A limited number of overflow seats will be provided. A letter nominating the authorized officer should be presented at the information desk. Kindly ensure that the authorized officer's phone number(s) is indicated in the letter itself.

UN organizations and Agencies

Tickets to attend the opening ceremony of the HLS will be available from the information desk on the ground floor of the ICC on Monday, 5 December from 10.00. The tickets can be collected by an authorized United Nations staff member. Two seats are guaranteed plus a limited number of overflow seats.

Intergovernmental organizations (IGOs)

Tickets to attend the opening ceremony of the HLS will be available from the information desk on the ground floor of the Convention Centre on Monday, 5 December from 10.00. Two seats are guaranteed plus a limited number of overflow seats. The tickets can be collected by an authorized

member of the delegation upon presentation of a letter signed by the head of the delegation. Please include a telephone number in the letter.

Site access

Please note that by introducing this system of distribution of tickets, each of the above categories will receive tickets for a set quota of representatives who can enter the Plenary “Baobab”. These tickets are transferable among the representatives within a Party delegation or observer organizations.
