

**United Nations Climate Change Conference 2011
COP 17 and CMP 7
Durban, 28 November – 9 December 2011**

Daily Programme

Addendum*

Side events

In order to reduce paper consumption, the schedule of side events is available at <unfccc.int>. Participants are kindly requested to consult the CCTV monitors for changes or updates.

Other events

Descriptions of the events listed below have been reproduced as received, and without formal editing.

Africa Pavilion

Time	Title/Theme	Organizer	Venue
09:00– 11:00 6 Dec	Making Carbon Finance Work for Poor	World Bank World Bank Robert Bisset rbisset@worldbank.org +27 76-392-8202	Africa Pavilion In the North Plaza opposite the Exhibition Center
09:00– 11:00 6 Dec	African Ministerial Conference on Water	African Ministerial Conference on Water	Africa Pavilion In the North Plaza opposite the Exhibition Center

The Daily Programme is available electronically at <unfccc.int>. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes to the Daily Programme. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

* Please note that the information in this document will not be reprinted during the sessions.

09:00– 18:15 6 Dec	High Level Meeting on the Future of Africa	Government of South Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
11:30– 13:00 6 Dec	Implementation of Environment Action Plan	African Union Commission and New Partnership for Africa’s Development	Africa Pavilion In the North Plaza opposite the Exhibition Center
13:20– 15:20 6 Dec	High Level Roundtable on Low Carbon Development and Energy Access for Africa	African Development Bank	Africa Pavilion In the North Plaza opposite the Exhibition Center
13:20– 15:20 6 Dec	High Level Roundtable on Climate Change Vulnerability and Disaster Risk Reduction	African Union Commission	Africa Pavilion In the North Plaza opposite the Exhibition Center
16:45– 18:15 6 Dec	Policy Advocacy and Resource Mobilization	Eastern African Community	Africa Pavilion In the North Plaza opposite the Exhibition Center
16:45– 18:15 6 Dec	Gender, Climate Change and the Power of Social Media in Climate Communication	United Nations Economic Commission for Africa and World Bank	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:15– 20:00 6 Dec	Private Sector Initiative of Nigeria	Nigeria	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:15– 20:00 6 Dec	Launch of the Mali Climate Fund	Mali	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:15– 20:00 6 Dec	Climate Change Adaptation Conflict and Cooperation: A Diplomatic Approach for Africa?	OneWorld and ACCORD	Africa Pavilion In the North Plaza opposite the Exhibition Center

20:15– 21:45 6 Dec	Adaptation Options towards Managing Climate Risks and Vulnerability Among Small Holders: A Farmer-Researcher Dialogue	International Development Research Centre	Africa Pavilion In the North Plaza opposite the Exhibition Center
20:15– 21:45 6 Dec	Low Carbon Development and Energy Access for Africa	ParisTech	Africa Pavilion In the North Plaza opposite the Exhibition Center
20:15– 21:45 6 Dec	Low Carbon Development, Carbon Finance, Agro-Industries and Energy Access in Africa	Stockholm Environment Institute	Africa Pavilion In the North Plaza opposite the Exhibition Center
09:00– 11:00 7 Dec	Gender and Climate Smart Agriculture		Africa Pavilion In the North Plaza opposite the Exhibition Center
09:00– 13:00 7 Dec	Congo Basin Forest Fund: Making REDD+ a Reality in Congo Basin Countries	Congo Basin Forest Fund and the African Development Bank	Africa Pavilion In the North Plaza opposite the Exhibition Center
09:00– 11:00 7 Dec	Climate Investment Funds: Investing in Renewable Energy for Development in Africa	Climate Investment Funds (African Development Bank, Asian Development Bank, European Bank for Reconstruction and Development, Inter-American Development Bank and the World Bank Group)	Africa Pavilion In the North Plaza opposite the Exhibition Center
11:30– 13:00 7 Dec	African Risk Capacity	African Union Commission	Africa Pavilion In the North Plaza opposite the Exhibition Center
11:30– 13:00 7 Dec	Towards a New Energy Strategy for Africa	African Development Bank	Africa Pavilion In the North Plaza opposite the Exhibition Center
13:20– 15:20 7 Dec	High Level Roundtable on Climate Finance for Africa	African Development Bank	Africa Pavilion In the North Plaza opposite the Exhibition Center

13:20 – 14:40 7 Dec	Meeting with the Ghanaian Delegation	Ghana	Africa Pavilion In the North Plaza opposite the Exhibition Center
13:20– 14:40 7 Dec	Climate Smart Agriculture	World Bank and Republic of South Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
15:00– 16:30 7 Dec	Realizing the Potential: Making the Most of Climate Finance in Africa	African Development Bank	Africa Pavilion In the North Plaza opposite the Exhibition Center
15:00– 16:30 7 Dec	Clim-Dev: Generating and Using Research for Sustainable Planning	African Development Bank, African Union Commission and United Nations Economic Commission for Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
16:45– 18:15 7 Dec	Climate Smart Agriculture and Trade in Eastern and Southern Africa	Common Market for Eastern and Southern Africa, Trademark Southern Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
16:45– 18:15 7 Dec	Role of Parliamentarians in Climate Change Negotiations	Pan African Parliament	Africa Pavilion In the North Plaza opposite the Exhibition Center
16:45– 18:15 7 Dec	Jumpstarting the Transition to Modern Energy Technologies in Africa	United Nations Economic Commission for Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:30– 20:00 7 Dec	Launch of ISS Report - Governance of Climate Finance	Institute for Security Studies	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:30– 20:00 7 Dec	African Plan of Action for Public Health Adaptation to Climate Change	African Development Bank, World Health Organization and United Nations Environment Programme	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:30– 20:00 7 Dec	Regional Science Service Centres	Southern African Science Service Centre	Africa Pavilion In the North Plaza opposite the Exhibition Center

10:00– 14:00 8 Dec	Africa Day - Theme I: Development First and Theme II: Climate Finance and Economics	African Union Commission, African Development Bank, and the UN Economic Commission for Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
14:00– 14:30 8 Dec	Africa Day: Press Briefing	African Union Commission, African Development Bank, and the UN Economic Commission for Africa	Africa Pavilion In the North Plaza opposite the Exhibition Center
18:30– 20:00	Launch of Ethiopia’s Climate Resilient Green Economy (CRGE) Initiative with Prime Minister of Ethiopia, Ministers from Norway, UK, ROK, Administrator of UNDP. The CRGE initiative is Ethiopia's national response to climate change, charting the way to a climate resilient economy delivered with zero carbon growth by 2025	The Federal Democratic Republic of Ethiopia Selam Kidane (Lead Contact) Selam.k.abebe@gmail.com +27 728700111 or Mr. Praveen Wignarajah (back-up), P-Wignarajah@dfid.gov.uk, +44 7753 843 500	Africa Pavilion In the North Plaza opposite the Exhibition Center
11:30– 13:00 9 Dec	Climate Change Adaptation	International Federation of the Red Cross	Africa Pavilion In the North Plaza opposite the Exhibition Center
13:20– 14:40 9 Dec	Launch of Four New Briefing Papers on Climate Finance	Institute for Security Studies with Pan African Climate Justice Alliance	Africa Pavilion In the North Plaza opposite the Exhibition Center
15:00– 16:30 9 Dec	Our Climate, Our Future and Our Right	Fresh and Young Brains Development Initiative	Africa Pavilion In the North Plaza opposite the Exhibition Center
16:45– 18:15 9 Dec	Evening with TerrAfrica	TerrAfrica	Africa Pavilion In the North Plaza opposite the Exhibition Center

China Pavilion

Time	Title/Theme	Organizer	Venue
09:00-11:30 6 Dec	Counsellors of the State Council Forum The Counsellor's Office of the State Council, a high-level think-tank of Chinese government, will organize a group of counsellors with research background in resources & environment, energy development and green economy to propose policy recommendations on formulating low carbon development strategy, promoting green economy and following a low carbon development path.	Research Center for Sustainable Development, CASS Ms. Yan Nan Nanyan721@hotmail.com (+86-01-85118978)	China Pavilion, DEC South Plaza, right next to the China delegation office.
14:00-17:00 6 Dec	Address Climate Change: CECEP in Action CECEP's major business will be fully demonstrated on the conference. CECEP's Social Responsibility Report will be released. CECEP will sign a joint declaration with several renowned enterprises during the conference. Distinguished guests will hold discussions on related issues on the conference.	CECEP Mr. Ru Changjin rucj@cecep.cn (+86-15601115182)	China Pavilion, DEC South Plaza, right next to the China delegation office.
18:00-20:00 6 Dec	ENN Group Cocktail Reception : Innovation Today, Lighting Tomorrow Cocktail Reception: Innovation Today, Lighting Tomorrow ENN will launch its initiative during the event to call upon more cooperation with its peers to drive shared use of clean energy, technology and promoting clean energy industry development.	ENN Group Mr. Mao Jianchun maojianchun@enn.cn (+8613910615915)	China Pavilion, DEC South Plaza, right next to the China delegation office.
09:30-11:30 7 Dec	High-Level Forum on Climate Change Minister Xie Zhenhua will make the opening remarks. Minister level officials from UNEP, the World Bank Group, EU, Italy will attend the forum, and make discussions to exchange views on the policies and actions of addressing climate change and promoting green, low-carbon development.	China Delegation Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)	China Pavilion, DEC South Plaza, right next to the China delegation office.

13:00-20:00 7 Dec	<p>China-World Bank Joint-Forum on Addressing Climate Change and Green Low-Carbon Development As a joint forum organized by China Delegation and the World Bank Group, five sessions will be held, which are Green Growth, low carbon cities, Energy efficiency & renewable energy, climate change adaptation, carbon markets, for each session, 3 to 4 speaker from the WB, China and international organizations will give presentations.</p>	<p>China Delegation & The World Bank Group Ms. CHEN Xumei chenxumei@ccchina.gov.cn (+86-10-68505642)</p>	<p>China Pavilion, DEC South Plaza, right next to the China delegation office.</p>
09:00-12:00 8 Dec	<p>China Carbon Trading and Low Carbon Transition The event will be held in China Pavilion, approved by NDRC, that combines regional carbon trading pilots progress, objective to explore the way to establish China domestic carbon market, and accelerate the low-carbon economy transition. The experts will bring their insights and latest news.</p>	<p>Beijing China Environment Exchange Ms. Wang Ying yingwang@cbex.com.cn (+86-10- 6629 5746)</p>	<p>China Pavilion, DEC South Plaza, right next to the China delegation office.</p>
13:00-16:30 8 Dec	<p>Energys Service Company (ESCO) Development In China The event will present brochure of Chinese energy service industry development, which shows the contribution of international organization, the achievement of the ESCO industry, the function of national ESCO Association (EMCA) and the successful experience of the participating ESCOs.</p>	<p>ESCO Committee of Energy Conservation Association Zhao Ming zm@emca.cn (+86-10-63600182)</p>	<p>China Pavilion, DEC South Plaza, right next to the China delegation office.</p>
18:00-20:30 8 Dec	<p>Low Carbon Development, Energy Enterprises in Action The event will present an in-depth dialogue between influential international associations and energy companies aims to find out an effective action way for Chinese Energy Companies to participate in low carbon development, energy saving and emission reduction.</p>	<p>Chinese Renewable Energy Industry Association/China Renewable Energy Entrepreneurs Club Zhang Muzi bayzhang@live.cn (+8613810272091)</p>	<p>China Pavilion, DEC South Plaza, right next to the China delegation office.</p>
10:00-12:00 9 Dec	<p>Building-up Low Carbon Cities in China: Practices and Approaches This event will present practices and approaches on build Low-Carbon City blueprint in China based on real case studies in Qingdao and Guiyang Cities, addressing such issues as city level inventories, scenarios on setting and allocation of city's emission target and technology & policy roadmap, etc.</p>	<p>National Development and Reform Commission, Asian Development Bank, World Resources Institute, Renmin University of China FU Sha Fusha216@gmail.com (86-10-62513952)</p>	<p>China Pavilion, DEC South Plaza, right next to the China delegation office.</p>

EU Pavilion

Time	Title/Theme	Organizer	Venue
10:30– 12:30 6 Dec	<p>From CDM to new mechanisms for Africa: how to create continuity for low carbon development</p> <p>While new flexibility mechanisms (NAMAs and sectoral crediting) are a hot topic, they are still far from being implemented. In the meantime, the significant CDM potential of African countries is threatened by post-2012 uncertainties. This event will look at prospects for avoiding a gap.</p>	<p>CDC Climat, France Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel:+33 6 64 40 22 46</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
13:00– 15:00 6 Dec	<p>Europe on the way to a low carbon future</p> <p>A number of European countries are planning for a low carbon future. Representatives from 5 countries (Slovenia, Sweden, France, UK and Germany and the European Commission will set out the key elements of this transition, which aims at a 80-95% reduction in greenhouse gas emissions by 2050.</p>	<p>Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany Georg Maue Georg.Maue@bmu.bund.de</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
15:30– 17:30 6 Dec	<p>Learning Platform on Climate Policies Organiser</p> <p>This event will promote IDDRI's Learning Platform initiative on climate policies. Current dialogue with China and India will be presented, with confirmed participation of Xie Zhenhua, Rajendra Pachauri, Jos Delbeke, Nicholas Stern etc. New countries will be invited to join the initiative from 2012.</p>	<p>Institut du Développement Durable et des Relations Internationales (IDDRI), France Elie Bellevrat Elie.bellevrat@iddri.org Tel: +33 6 1941 4362</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
18:00– 20:00 6 Dec	<p>Partnership for Market Readiness</p> <p>The event will demonstrate countries show continued interest in using carbon market instruments to advance mitigation. A panel of senior officials from Australia, Brazil, China, EC, DK, Mexico and SA will share their perspectives. The event will be opened by Ms. Hedegaard and moderated by Mr. Steer, Special Envoy for Climate Change, WB</p>	<p>The World Bank Xueman Wang xwang5@worldbank.org Robert Bisset rbisset@worldbank.org +27 76-392-8202</p>	<p>North Plaza EU pavilion- Warsaw Room</p>

10:30– 12:30 6 Dec	<p>EUROCLIMA: Science and policy jointly fighting climate change in Latin America (Part I: Biophysics)</p> <p>EUROCLIMA is a joint Latin America-EU environmental programme with a specific focus on climate change. This event will present the programme's biophysical component, which aims to help establish the foundations for analysing the impact of climate change on natural resources in Latin America.</p>	<p>European Commission, Directorate-General for Development and Cooperation – EuropeAid GHYOOT Catherine Catherine.ghyoot@ec.europa.eu CARMONA MORENO Cesar Cesar.carmona-moreno@ec.europa.eu</p>	<p>North Plaza EU pavilion- Brussels room</p>
13:00– 15:00 6 Dec	<p>EUROCLIMA: Science and policy jointly fighting climate change in Latin America (Part II: Economics)</p> <p>The second part of this event will present the socio-economic component of EUROCLIMA, implemented by UN-ECLAC (Economic Commission for Latin America and the Caribbean). It aims at improving knowledge and facilitating information-sharing on socio-economic aspects of climate change in Latin America.</p>	<p>European Commission, Directorate-General for Development and Cooperation – EuropeAid GHYOOT Catherine Catherine.ghyoot@ec.europa.eu CARMONA MORENO Cesar Cesar.carmona-moreno@ec.europa.eu</p>	<p>North Plaza EU pavilion- Brussels room</p>
15:30– 17:30 6 Dec	<p>Exploring linkages between climate change, security, vulnerability and adaptation: examples from southern Africa</p> <p>The relationship between climate change and security, vulnerability and adaptation will be explored in a panel discussion with researchers and stakeholders. Practical work at local level, with a focus on water resources in southern Africa, will be used as an illustration.</p>	<p>Centre for Climate Policy and Research (CSPR), Sweden, Swedish Defence Research Agency (FOI) and Swedish Meteorological and Hydrological Institute (SMHI) Lotta Andersson lotta.andersson@smhi.se Tel: +46 73 92 62 357</p>	<p>North Plaza EU pavilion- Brussels room</p>
18:00– 20:00 6 Dec	<p>Climate action in cities</p> <p>The significance of urban development for the transition to a low-carbon and climate resilient society will be the focus of this event. Initiatives in the EU and beyond, the interdependency of pioneer cities and international cooperation and policy networks will be highlighted.</p>	<p>European Commission, Directorate-General for Climate Action, and European Parliament Karsten Krause Karsten.krause@ec.europa.eu Jozef Duch Jozef.duch@europarl.europa.eu Tel: +32 228 32455</p>	<p>North Plaza EU pavilion- Brussels room</p>
10:30– 12:30 7 Dec	<p>Smart and feasible solutions: Decentralised bio-fuel production and consumption</p> <p>This event will focus on the potential role of vegetable oils, which can be produced locally by farmers and used directly for energy, and associated technologies in contributing to the fight against climate change and to development in rural areas, particularly in developing countries.</p>	<p>European Economic and Social Committee (EESC) Jakob Andersen Jakob.andersen@eesc.europa.eu Tel: +32 2 546 9258</p>	<p>North Plaza EU pavilion- Warsaw Room</p>

13:00– 15:00 7 Dec	<p>Climate financing: from ‘fast start’ to 2020 and beyond</p> <p>This event will examine the implementation of fast-start financing, options for scaling up funding from 2013-2020 and sources of funding including “new and additional” finance. It will also look at the resources allocated to adaptation and mitigation and operationalisation of the Green Climate Fund.</p>	<p>European Parliament Jozef Duch Jozef.duch@europarl.europa.eu Tel: +32 228 32455</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
15:30– 17:30 7 Dec	<p>Looking forward: Effective private sector engagement in climate finance</p> <p>The private sector is expected to finance a major share of the measures for climate mitigation and adaptation. This event will consider the key question of how the international climate finance architecture, and in particular the Green Climate Fund, can mobilise private finance at scale.</p>	<p>Federal Ministry for Economic Cooperation and Development, Germany Friedel Sehleier friedel.sehleier@giz.de Tel: +49 171 7610739</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
18:00– 20:00 7 Dec	<p>National legislators driving progress</p> <p>This event will present the outcomes of the GLOBE G-8+5 Cape Town Legislators forum of 2-4 December. There will also be reports on recent progress on legislation on forestry, environmental services and mitigation in Brazil, Mexico, Indonesia, Japan, UK, and Germany.</p>	<p>Global Legislators Organisation for a Balanced Environment (GLOBE EU) Rafael Aybar rafael.aybar@globe-europe.eu</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
10:30– 12:30 7 Dec	<p>New Nordic goals – Smart Solutions</p> <p>In the Nordic countries there is a growing consensus that solving climate change requires an energy revolution. Representatives from government, industry, green NGOs and energy producers, suppliers and distributors will give their views on how CO₂-neutrality in 2050 can be achieved.</p>	<p>The Danish Energy Association and The Danish Ecological Council Line Skou Hauschildt linsh@kemin.dk Tel: +45 33923460 Mobile: +45 41731265</p>	<p>North Plaza EU pavilion- Brussels room</p>
13:00– 15:00 7 Dec	<p>Germany’s low carbon and energy strategy</p> <p>Germany has decided on a new ‘energy concept’ entailing the development of a low carbon economy. The German Minister for Environment will present policies and strategies for reaching Germany’s ambitious goals. Other presentations will demonstrate the feasibility and benefits of the programme.</p>	<p>Federal Government of Germany Beatrice Ladusch beatrice.ladusch@bmu.bund.de Tel: + 49 3018 305 2326</p>	<p>North Plaza EU pavilion- Brussels room</p>

15:30– 17:30 7 Dec	EU-Eastern Partnership cooperation in climate policy This event will discuss specific challenges in implementing climate policies in the countries of the EU's Eastern Partnership - Armenia, Azerbaijan, Belarus, Georgia, Moldova and Ukraine. Areas covered will include technology transfer, capacity building, MRV, forestry and adaptation.	Ministry of Environment, Poland Jan Szczycinski, jan.szczycinski@mos.gov.pl Mobile: +27 794 354 997.	North Plaza EU pavilion- Brussels room
18:00– 20:00 7 Dec	ICAP - International Carbon Action Partnership Recent developments in emissions trading in OECD countries and developing nations will be showcased at this event.	International Carbon Action Partnership Tobias Hausotter tobias.hausotter@icapcarbonaction.com Tel: +49 (0) 30 308 77 60 81	North Plaza EU pavilion- Brussels room
10:30– 12:30 8 Dec	Climate diplomacy in perspective: From early warning to early action In July 2011 the UN Security Council unanimously raised concern about the possible impacts of climate change on peace and security. This side event will discuss how climate policy can help to enhance climate protection and prepare for the security risks of a world undergoing climate change.	Federal Foreign Office, Germany Weert Börner 404-0@auswaertiges-amt.de Tel: +49 30 50 00 20 69	North Plaza EU pavilion- Warsaw Room
13:00– 15:00 8 Dec	NAMAs with international finance - the Nordic Partnership Initiative How can international finance be mobilized to support NAMAs in developing countries? This side event will explore the question through presentations of an ongoing initiative between the Nordic countries, Peru and Vietnam – the Nordic Partnership Initiative under the Nordic Council of Ministers.	Nordic Council of Ministers Outi Leskela outi.leskela@ymparisto.fi Tel: +358 40 154 9701	North Plaza EU pavilion- Warsaw Room
15:30– 17:30 8 Dec	Paris-Nairobi Climate Initiative, access to clean energy in Africa and most vulnerable countries The Prime Minister of Kenya and the French Minister will give an update on the Paris-Nairobi Climate Initiative on access to clean energy in Africa and countries most vulnerable to climate change, launched on 21 April 2011 in Paris. The event will be bilingual in French and English.	Ministry of Ecology and Sustainable Development, France, and the Prime Minister of Kenya Marie Jaudet marie.jaudet@developpement-durable.gouv.fr Tel :+33 6 64 40 22 46	North Plaza EU pavilion- Warsaw Room

18:00– 20:00 8 Dec	<p>Gender and climate change: Actions, results and lessons learnt</p> <p>This event will showcase successes achieved under the Global Gender and Climate Alliance (GGCA) umbrella and through Finland’s bilateral cooperation. It will demonstrate best practice examples and strategies for successfully integrating the gender perspective into international and national action.</p>	<p>Ministry for Foreign Affairs, Finland, and Global Gender and Climate Alliance Johanna Pietikainen johanna.pietikainen@formin.fi Tel:+358 40 480 6064</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
10:30– 12:30 8 Dec	<p>SymbioCity, the Swedish approach to sustainability - from fossil fuel dependence to green growth</p> <p>This event will look at how Sweden has gone from being the most fossil fuel dependent country in the industrialised world to a more resource-efficient society with a significant share of renewable energy. The SymbioCity approach is adaptable to different scales and budgets.</p>	<p>Ministry of the Environment, Sweden Nathalie Eddy nathalie@gender-climate.org</p>	<p>North Plaza EU pavilion- Brussels room</p>
13:00– 15:00 8 Dec	<p>Adaptation Partnership: Facilitative Group Meeting</p> <p>An update on the actions, workshops and studies carried out by the Adaptation Partnership over the past year will be presented.</p>	<p>Government of Spain Francisco Pascual Perez fpascualp@marn.es Tel :+34 91 436 74 98</p>	<p>North Plaza EU pavilion- Brussels room</p>
18:00– 20:00 8 Dec	<p>Energy policy strategies of the Baltic Sea region for the post-Kyoto period</p> <p>Can the Baltic Sea Region become carbon neutral by 2050? This event will present a project on lowcarbon energy strategies of the region for the post-Kyoto period, giving concrete policy recommendations for the development of a secure and climate-compatible energy system for 2020 and beyond.</p>	<p>Federal Ministry of Economics and Technology, Germany, and Baltic Sea Region Energy Cooperation (BASREC) Beatrice Ladusch beatrice.ladusch@bmu.bund.de Tel: +49 3018 305 2326</p>	<p>North Plaza EU pavilion- Brussels room</p>
10:30– 12:30 9 Dec	<p>Linking disaster risk reduction and climate change adaptation</p> <p>Climate change has a major impact on the frequency and intensity of weather-related hazards. This event will present a conceptual overview of how to link disaster risk reduction and climate adaptation and, focusing on ecosystem approaches, corroborate the concept through successful experiences.</p>	<p>Federal Ministry for Economic Cooperation and Development, Germany Eva Wuttge Eva.wuttge@giz.de Huppertz, Stephan stephan.huppertz@giz.de</p>	<p>North Plaza EU pavilion- Warsaw Room</p>
13:00– 15:00 9 Dec	<p>Building the climate change regime: Survey and analysis of approaches</p> <p>This event will present the outcomes of the project of the same name, undertaken jointly by the World Resources Institute (WRI) and the United Nations Environment Programme (UNEP) with the support of the Government of Ireland.</p>	<p>Department of the Environment, Ireland Noel Casserly noel_casserly@environ.ie</p>	<p>North Plaza EU pavilion- Warsaw Room</p>

10:30– 12:30 9 Dec	Portugal’s fast-start commitment This event will present projects being supported by Portugal in the context of its fast start financing commitment, with a strong emphasis on cooperation with Portuguese-speaking African countries.	Climate Change Commission, Ministry of Agriculture, Sea, Environment and Spatial Planning of Portugal Cristina Carreiras Cristina.carreiras@clima.pt Tel: +351 21 392 99 18	North Plaza EU pavilion- Brussels room

Indonesia Pavilion

Time	Title/Theme	Organizer	Venue
9:30– 10:30 6 Dec	Welcome To Indonesia Pavilion By Mr. Rachmat Witoelar, Indonesia's President Special Envoy On CC The event invites COP 17 high level delegates to Indonesia Pavilion. Book launching will be conducted as highlight of the event "Rachmat Witoelar's experience on CC negotiation" and "Soulview on Climate Change: a photography book". Refreshment provided.	Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567	Indonesia Pavilion - South Plaza Marquee at Delegation offices
11:00– 13:00 6 Dec	Learning Notes From Provinces In Indonesia: Low Carbon Development , REDD+ and Peatland Management This event will present development of REDD+ strategy, forest governance, landscape evaluation and natural resources management in Aceh, Central Kalimantan, Papua and East Kalimantan provinces of Indonesia. Furthermore, Ministry of Agriculture will present on sustainable peat land management.	Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567	Indonesia Pavilion - South Plaza Marquee at Delegation offices
14:30- 16:30 6 Dec	Peatland management for conservation, community and economy & drought risk early warning system. PT. Riau Andalan Pulp and Paper (APRIL) will present their concept on a responsible peatland management while Ministry of Public works will present short movie on early warning system developed to anticipate drought risk.	Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567	Indonesia Pavilion - South Plaza Marquee at Delegation offices

<p>11:00– 13:00 7 Dec</p>	<p>Indonesia Climate Change Trust Fund (ICCTF) and National Action Plan on GHG emission reduction.</p> <p>Indonesia National Development Planning Agency will present the latest development of ICCTF as well as national action plan on emission reduction based on recent Presidential regulation no.61/2011 in order to achieve 2020 emission reduction target. GEF evaluation office expert is expected to share views on lesson learned from adaptation in practice.</p>	<p>Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567</p>	<p>Indonesia Pavilion - South Plaza Marquee at Delegation offices</p>
<p>14:30– 16:30 7 Dec</p>	<p>Green Business Strategy and Public-Private Partnership to promote inclusive climate finance.</p> <p>In this event, PT. Pertamina, Indonesia oil company will present their Green Business strategy to support Indonesia emission reduction target in 2020, while UNDP is invited to present views on fostering public-private partnership to ensure all actors contribute to an inclusive, equitable and gender sensitive climate finance.</p>	<p>Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567</p>	<p>Indonesia Pavilion - South Plaza Marquee at Delegation offices</p>
<p>11:00– 13:00 8 Dec</p>	<p>Indonesia Climate Change Center</p> <p>Indonesia National Council on Climate Change will present the development of Indonesia CC Center as outreach activities as well as knowledge management center. CC-Learn as one of UN initiative is invited to share success stories on such outreach program.</p>	<p>Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567</p>	<p>Indonesia Pavilion - South Plaza Marquee at Delegation offices</p>
<p>14:30– 16:30 8 Dec</p>	<p>Collaborative management of peatland ecosystem and actions at local level.</p> <p>PT. Riau Andalan Pulp and Paper (APRIL) will present their initiative from HCV assessment to collaborative management of peatland ecosystem, while Ministry of Environment will showcase mitigation and adaptation efforts conducted at local level assisted through implementation of “Kampung Iklim” program.</p>	<p>Indonesia Pavilion Verania Andria raraandria@gmail.com +628118601567</p>	<p>Indonesia Pavilion - South Plaza Marquee at Delegation offices</p>

Switzerland Pavilion

Time	Title/Theme	Organizer	Venue
12:30 Dec. 6	The Climate Credit Card: Protect the climate with every purchase you do.	Renat Heuberger Co - CEO South Pole Carbon Asset Management Ltd Zurich, Switzerland M +41 (0)79 549 39 51 r.heuberger@southpolecarbon.com http://www.southpolecarbon.com	Stand Swiss Embassy, No. 18 in Floor plan

U.S. Center

Time	Title/Theme	Organizer	Venue
10:00; 12:30; 2:30 and 4:30 6 Dec	Hyperwall Presentations (15 mins) You are invited to experience cutting-edge, multimedia science visualizations four times a day. Themes: Human Fingerprints; Water, Water Everywhere, Aerosols, El Nino and la Nina; Severe Storms.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
10:30– 12:00 6 Dec	Climate-Friendly Agriculture Policy and Research for African Food Security A panel of agricultural experts will discuss innovative partnerships between the U.S. government and regional research and policy institutions to promote climate-friendly food security in Southern Africa.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
13:00– 14:30 6 Dec	Historic Progress in U.S. Fuel Efficiency for Cars and Trucks The United States made bold advances in 2011 in vehicle fuel efficiency standards. President Obama announced new fuel efficiency and greenhouse gas emission standards for cars and light trucks, which will roughly double fuel efficiency by 2025.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
15:00– 16:30 6 Dec	DOD Support to International Climate Change Adaptation This event will explore how the U.S. Department of Defense responds to strategic and operational challenges posed by climate change and how they support international adaptation efforts. The speakers will discuss also how adaptation efforts fall within the Department's mission to prevent and deter conflicts.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
17:00– 18:30 6 Dec	Clean Energy Solutions Center: Accelerating Transition to Clean Energy Technologies UN Energy, the U.S. Department of Energy, the Australian Department of Resources, Energy and Tourism, and the U.S. National Renewable Energy Laboratory will explain their work on the Clean Energy Solutions Center, a resource to share best practices, data and analysis tools across countries.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza

10:00; 12:30; 2:30 and 4:30 7 Dec	Hyperwall Presentations (15 mins) You are invited to experience cutting-edge, multimedia science visualizations four times a day. Themes: Human Fingerprints; Water, Water Everywhere, Aerosols, El Nino and la Nina; Severe Storms.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
10:30– 12:00 7 Dec	The Adaptation Partnership and Apps4Africa: Supporting African Solutions for Adaptation Challenges This event will show how, through the global Adaptation Partnership and the Apps4Africa program the U.S. is working with partners to bring together practitioners, policy-makers, and African technology innovators to strengthen food security and protect marine resources in the face of climate change.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
15:00– 16:30 7 Dec	U. S. Federal Actions for a Climate Resilient Nation Climate change is already impacting communities, livelihoods and natural places, with extreme events and other impacts creating significant social, economic, and environmental risks globally. The U.S. is helping to build a climate-resilient nation by evaluating risks and creating adaptation plans.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
17:00– 18:30 7 Dec	Action on Energy Efficiency in the U.S. and on the Global Stage This event will highlight the U.S. administration’s and private sector actions on climate change with a particular focus on efficient buildings. The event will provide an overview of domestic initiatives.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
10:00; 12:30; 2:30 and 4:30 8 Dec	Hyperwall Presentations (15 mins) You are invited to experience cutting-edge, multimedia science visualizations four times a day. Themes: Human Fingerprints; Water, Water Everywhere, Aerosols, El Nino and la Nina; Severe Storms.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza
10:30– 12:00 8 Dec	Unlocking the Potential of Women to Combat Climate Change: Moving from Words to Action To achieve solutions to complex global issues we need to empower women socially, politically, and economically. Climate change is no exception. This high-level conversation will focus on concrete ways to leverage women’s leadership and economic potential to drive the development of a sustainable future.	U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com	U.S. Center, North Plaza

<p>13:00– 14:30</p> <p>8 Dec</p>	<p>Viewing the Earth’s Climate from Space This will be an overview of the space-based view of the Earth’s climate system including atmosphere, ocean, biosphere, cryosphere, and surface. The presentation will document earth system variability on multiple scales in time and space and show the interconnectedness of the components of the Earth system.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>15:00– 16:30</p> <p>8 Dec</p>	<p>Taking a Sensible Approach to Addressing Greenhouse Gas Emissions in the United States The federal government and state and regional agencies and organizations continue to move forward on a sensible path to address GHG emissions in the U.S. The event showcases domestic regulatory, programmatic and voluntary activities. We will highlight State of California activities and the Climate Registry.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>
<p>17:00– 18:30</p> <p>8 Dec</p>	<p>Saving Lives -- Advances in Health Adaptation for Climate Change Climate change is affecting health and well-being in the United States and around the world in numerous ways. This panel will focus on efforts in the U.S. and Africa to understand and ameliorate the health consequences of climate change.</p>	<p>U.S. Delegation Ms. Isabel Gates uscenter.17@gmail.com</p>	<p>U.S. Center, North Plaza</p>

The Island Pavilion

Time	Title/Theme	Organizer	Venue
13.00– 15.00 6 Dec	<p>From Research To Informed Planning: New Climate Change Science For The Pacific</p> <p>Launch of the landmark new report: Climate Change in the Pacific: Scientific Assessment and New Research and Pacific Climate Futures: a web-based projections tool (www.pacificclimatefutures). The report includes new climate projections for 14 Pacific Island Nations and Timor-Leste.</p> <p>Lunch included..</p>	<p>Australian Government/ Secretariat of the Pacific Regional Environment Programme Jill Rischbieth or Nanette Wootton Jill.Rischbieth@CSIRO or climatepacific@gmail.com 07 6082 4942 or 07 4174 0305</p>	<p>The Island Pavilion</p> <p>Country Delegations Area, ICC Lower Level Area</p> <p>Take the stairs outside the outdoor cafe at the back of the ICC. These lead below to the delegation office area. Follow the carpeted path past the coffee stand, past the EU Pavilion to the Island Pavilion, opposite the UNDP South Africa Office.</p>

Bellona Room

Time	Title/Theme	Organizer	Venue
09:00– 10:30 6 Dec	<p>Is the U.S. doing anything to reduce its greenhouse gasemissions? Details from the front lines</p>	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
11:00– 12:30 6 Dec	<p>Alternative markets for CERs in the absence of a new global climate deal</p>	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
13:00– 14:30 6 Dec	<p>An Update on the Global Status of CCS Projects in the Developed and Developing World</p>	Bellona Foundation	Bellona Room, ICC Lower Level, room 14

15:00– 16:30 6 Dec	The Current Climate Environment in the United States: From Solyndra to the 2012 Election	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
17:00– 18:30 6 Dec	Mitigation of Black Carbon in the Himalayas, Arctic and Andes: A Means to Slow Glacier and Ice Loss?	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
09:00– 10:30 7 Dec	Tar Sands – Tight Fossils and the Climate Oil and gas companies are going deeper and prospecting oil and gas in rock and sand in order to maintain fossil fuel production causing excessive energy, groundwater and chemical use as well as damage to habitats and waterways. Exploiting all these resources will exceed the carbon budget allowed to stay within the 2 degree target agreed upon in at COP15 in Copenhagen.	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
11:00– 12:30 7 Dec	Reducing Emissions of HFCs and Shortlived Climate Forcers The Montreal Protocol is hailed as one of the most successful multilateral environmental agreements reaching key targets ahead of schedule. How could the Montreal Protocol administer the challenge of rapidly phasing out HFCs?	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
15:00– 16:30 7 Dec	Carbon Capture and Storage A technology for significant GHG mitigation	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
15:00– 16:30 8 Dec	International Energy and Climate Initiative-Energy+	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
17:00– 18:30 8 Dec	Sahara Forest Project - showcasing a prototype “energy for all” project	Bellona Foundation	Bellona Room, ICC Lower Level, room 14
14:00– 15:30 9 Dec	Climate Finance – finding the first billion to the Green Climate Fund	Bellona Foundation	Bellona Room, ICC Lower Level, room 14

Other activities

Descriptions of the events listed below have been reproduced as received, and without formal editing.

Time	Title/Theme	Organizer	Venue
09:30– 10:00	<p>Deliver Climate Finance Campaign Stunt By Time For Climate Justice Campaign)</p> <p>Adequate climate finance for developing countries is critical to combat the impacts of climate change. Check this campaign stunt by the Time for Climate Justice Campaign calling on rich countries to deliver additional, scalable, predictable and adequate sources of long-term climate finance</p>	<p>Christian Aid Mariana Paoli mpaoli@christian-aid.org 0765370712</p>	<p>ICC Front Entrance</p>

Outside events

Descriptions of the events listed below have been reproduced as received, and without formal editing.

Time	Title/Theme	Organizer	Venue
10:30– 18:00 6–9 Dec	<p>Climate Change Response Expo The South Africa Climate Change Response Expo is an exhibition of South African greening initiatives. Showcasing the climate change mitigation work of national, provincial and local government as well as the private sector, it profiles environmentally rescription.</p>	<p>Dept. of Environmental Affairs Gcinashe Gcanga Ggcanga@environment.gov.za 0729252303</p>	<p>Centrum Site – next to the UNFCCC Accreditation Centre</p>
10:00– 16:30 6–9 Dec	<p>Climate Train The Climate Train is a collaborative platform that is accessible and mobile. It will be an educational and creative cultural space that aims to cultivate active and sincere exchange between people in different communities around the country</p>	<p>C/o Vivienne Holden eThekweni Municipality 031 311 4723 holdenv@durban.gov.za</p>	<p>Durban Train Station – Platform 15, Masabalala Yengwa Avenue, Durban</p>
09:00– 20:00 6–9 Dec	<p>Baobab Tree The Baobab Tree will be erected as a symbol of hope for COP17. The tree will be officially unveiled and available for public participation of the public to pedal the bicycles and light up the tree.</p>	<p>C/o Vivienne Holden eThekweni Municipality 031 311 4723 holdenv@durban.gov.za</p>	<p>Amphitheatre Site, Beachfront Beachfront (opposite Southern Sun Elangeni Hotel)</p>
09:00– 18:00 6–9 Dec	<p>Greenpeace Solar Cinema The Solar Cinema will be powered by solar and wind, showcasing environmental movies and documentaries. It will also have an information booth for people who are interested in finding out more about renewable energy issues.</p>	<p>Shoana Hutton 082 458 9719 Greenpeace shoana.hutton@greenpeace.org</p>	<p>Bay lawn Area, Durban Beachfront (opposite Southern Sun Elangeni Hotel)</p>

09:00– 18:00 6–9 Dec	Green Festival Events The City of Durban will be entertaining the delegates and public throughout COP17 with various shows and entertainers from jugglers to fire performers.	C/o Vivienne Holden eThekweni Municipality 031 311 4723 holdenv@durban.gov.za	Blue Lagoon Beach to Ushaka Beach
10.30– 15.00 6 Dec	Launch Of The One Million Climate Jobs Booklet This event will launch the findings of an extensive civil society research project that discusses the potential for new, decent jobs in combating climate change	Alternative Information and Development Centre Trust* (AIDC) Brian Ashley : brian@amandla.org.za : 082- 0857088 www.climatejobs.org.za	Shepstone Building, Howard College, UKZN
13.00– 14.30 6 Dec	Insuring the Uncertain: Micro- enterprise Demand for Weather-related Insurance and Risk Management Small, medium and micro-enterprises in vulnerable regions are particularly threatened by climate change. How can insurance help to secure their livelihoods? A recent study by the Munich Climate Insurance Initiative (MCII) explores the demand of micro-entrepreneurs for insurance products.	German Federal Ministry for Economic Cooperation and Development (BMZ) Ms Annette Lutz, GIZ Annette.lutz@giz.de (+49 160 97 25 69 76)	German pavilion on the CCR Expo grounds (Quinine Tree tent)
8:30– 9:45 6 Dec	Extracting the Truth: The Industrial Competitiveness Impacts on Mining and Metals of National Climate Policies Exploring the identification and treatment of energy intensive trade exposed industries in carbon pricing policies across the world.	IETA & International Council on Mining and Metals (ICMM) Ms. Lisa Spafford spafford@ieta.org	Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room
10:15– 11:30 6 Dec	Climate Finance in Africa - Bridging the Public/Private Divide This side event will bring together representatives from the financial and legal sectors to discuss what is happening on the ground to underpin the limited recourse financing of ground-breaking renewable energy projects in Africa.	IETA & Norton Rose Ms. Lisa Spafford spafford@ieta.org	Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room

10:15– 11:30 6 Dec	<p>For Mining it's not just about Energy: Industry Insights on Climate Change and Its Impacts on Land and Water Management</p> <p>Sharing experiences from the mining industry in developing impact scenarios for operations under different climate change scenarios and their role in sustainable land and water management.</p>	<p>IETA & International Council on Mining and Metals (ICMM) Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
11.00– 14.00 6 Dec	<p>Climate Vulnerable Forum (CVF)</p> <p>Presentation of the recently adopted Dhaka Ministerial Declaration of the CVF and exchanges on how country can best pursue its implementation and achieve support on technology, finance, capacity and CDM access, particularly in the context of the global negotiation process in Durban and beyond</p>	<p>Government of Bangladesh Mr. Daniel Barnes dbarnes@daraint.org (+ 27 072493317)</p>	<p>Moses Mabhida Stadium Presidential Atrium Shuttle transportation from North Beach gate in main parking lot. Lunch will be served</p>
11.00– 11.30 6 Dec	<p>Pecha Kucha: An experiment in creating temporary outdoor spaces that touch the earth lightly</p> <p>A Pecha Kucha on the construction of the award winning Climate Smart Cape Town Stand at the CCR Expo here in Durban during COP17 - Speaker: Stephen Lamb (Touching the Earth Lightly)</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
11:45– 13:00 6 Dec	<p>The Reality of Linking: EU ETS, RGGI, California, Australia, NZ – How Could it Work?</p> <p>When EU leaders announced linking with OECD countries for 2015, not only carbon traders shook their heads. What are the stepping stones in the linking process? How will major issues around allocation, offset use and ambition be dealt with? This panel will outline a possible way forward with some of the major (sub) federal schemes to come.</p>	<p>IETA Ms. Simone Ruiz ruiz@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
11:45– 13:00 6 Dec	<p>A Topsy – Turvey World: From Top-Down to Bottom Up, Implications of a New MRV System under the Cancun Agreements</p> <p>Discussion on the implications of a decentralized system for MRV under the Copenhagen Accord for businesses operating across a number of regions.</p>	<p>IETA & International Council on Mining and Metals (ICMM) Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>

12:00– 13:30 6 Dec	<p>Sea Level Rise and Coastal Protection</p> <p>Current sea level rise potentially impacts human populations for example those living in coastal regions and on islands and the wider natural environment. Therefore Coastal Protection is one very essential issue to focus on during these times of a changing climate.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
13:00– 13:30 6 Dec	<p>In Conversation with Caio Koch-Weser and Henry Derwent</p> <p>Join IETA President and CEO, Henry Derwent, and Deutsche Bank Vice Chairman, Caio Koch-Weser, as they reflect on the state and potential fate of the Durban talks, as well as explore scenarios regarding the future of international climate policy, climate finance, and the potential role of business in mitigation & adaptation going forward.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
14:00– 15:15 6 Dec	<p>Verifying in a World of Disparate Accreditation Models</p> <p>Professional certifications for GHG “quantifiers” and verifiers programs are currently being developed and launched globally in response to the current discord across verifier accreditation models. This session seeks to make sense out of the confusing world of verifier accreditation.</p>	<p>IETA Ms. Sophy Greenhalgh greenhalgh@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
14:00– 15:15 6 Dec	<p>How to Increase Certainty of the CER Stream for Investors?</p> <p>Timely and accurate projections of revenues are key elements in the decision making process of investors. Private investors are stepping on the side line because of uncertainty post 2012 and the risk of reduction in CERs and delays.</p>	<p>IETA Ms. Jenny Peetermans peetermans@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
14.30– 15.00 6 Dec	<p>Pecha Kucha: Solar power for a sustainable future</p> <p>A Pecha Kucha by Cape Town's based MLT Drives on alternative energy systems and the usage of solar power for the Climate Smart Cape Town Stand in the CCR Expo at COP17.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>

<p>15:30– 16:45</p> <p>6 Dec</p>	<p>Three Dimensional Chess: Advancing Subnational REDD+ in Mexico California is contemplating the crediting of reduced emissions from deforestation and degradation (REDD+) in other countries, including Mexico, as part of its recently adopted cap-and-trade program. CAR will highlight efforts being undertaken at multiple levels in Mexico to design REDD+ programs linked to the California carbon market and beyond.</p>	<p>IETA & Climate Action Reserve (CAR) Mr. David Hunter hunter@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
<p>15:30– 16:45</p> <p>6 Dec</p>	<p>Convention and Protocol: What Comes Next? This session brings together experts of international negotiations and the politics of co-operation to decipher what the potential outcomes for the next convention are, or whether the end of Kyoto will mark the end of international climate policy itself.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
<p>17:00– 19:00</p> <p>6 Dec</p>	<p>IETA Annual General Meeting (For IETA Members ONLY)</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
<p>18.30– 20.30</p> <p>6 Dec</p>	<p>Heart of Sustainable Development Exploring the role of spirituality in ensuring development & the eradication of poverty. Sister Jayanti Kirpalani, Regional Director of BKWSU, Europe - Mr. Blessing Karumbidza, Senior Researcher at Social Economic Rights Institute, SA - Nirmala Nair, Director Zeri SA, Cape Town.</p>	<p>Brahma Kumaris World Spiritual University, Usha Jevan, +27-31-5633502, durban@za.bkwsu.org</p>	<p>Shepstone 1, Howard College, University of KwaZulu Natal</p>

7:30– 10:30 7 Dec	<p>How Best to Scale up Energy Efficiency in Buildings in South Africa?</p> <p>This session will explore international best practice with the goal of tackling the issue of how to scale up energy efficiency in buildings, and exploring some of the challenges and success achieved in South Africa so far.</p>	<p>IETA & Standard Bank, Arup, National Business Initiative (NBI) Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
8:30– 9:45 7 Dec	<p>The Next Generation of Low-Carbon Financial Instruments – ROUND 2</p> <p>This session provides a look at a new breed of green financial products that are being developed or proposed globally. The audience will be introduced to a selection of thought leaders across the eco-financial spectrum, focused on developing workable products that respond to the climate challenge.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
10:15– 11:30 7 Dec	<p>The World's Second Largest Carbon Market: California and the North American Regional Programs</p> <p>Amidst stalemate and inaction in Washington, North America's regional markets are coming into their own. This session will explore the latest developments in North America's growing regional markets.</p>	<p>IETA & Climate Action Reserve (CAR) & The Climate Registry Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
11.00– 11.30 7 Dec	<p>Pecha Kucha: Taking responsibility for tourism</p> <p>Cathy Alberts from Cape Town Tourism speaking on the role of tourism for a sustainable future and the way forward for Cape Town to become a climate smart city.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
11:00– 13:00 7 Dec	<p>Low-Carbon Development- Transport and Supply Chain</p> <p>The session discusses low-carbon development risks, opportunities and challenges with the focus on the transport, logistics and supply chain management industry.</p>	<p>IETA & Standard Bank, Imperial Logistics, National Business Initiative (NBI) Ms. Marion Gilodi gilodi@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>

11.00– 13.00 7 Dec	<p>Sustainable Capacity Building – Empowering Individuals and Communities to Act.</p> <p>Sister Jayanti Kirpalani, European Director Brahma Kumaris World Spiritual University and Golo Pilz, Solar Energy Advisor, BKWSU, India; Mr. Cormac Cullinan, Director Enact International, SA</p>	<p>Brahma Kumaris World Spiritual University, Usha Jevan, +27-31-5633502, durban@za.bkwsu.org</p>	<p>Shepstone 1, Howard College, University of KwaZulu Natal</p>
11:45– 13:00 7 Dec	<p>Climate Change, Business Risk, and Public Policy</p> <p>This panel will explore how different business sectors look at climate change risk, how political and regulatory uncertainty impacts these risks, and different business’s strategy for dealing with these risks.</p>	<p>IETA & Environmental Defense Fund (EDF), Resources for the Future (RFF) Mr. David Hunter hunter@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
12.00– 13.30 7 Dec	<p>Urban Agriculture and Climate Change</p> <p>The urban agricultural sector in Sub-Saharan Africa faces immense challenges from growing population numbers and decreasing resources. The panelists discuss innovative models and sustainable solutions.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
13:00– 13:30 7 Dec	<p>IETA COP17 Daily Durban Updates</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
14:00– 15:15 7 Dec	<p>Working to Bridge the Gap: Canadian Mitigation Actions at the Provincial Level</p> <p>Often forgotten when considering climate policy-making in North America, a handful of provinces have made significant progress in recent years regarding mitigation action within their jurisdictions. This event will showcase the initiatives and policies being planned and implemented by several Canadian provinces.</p>	<p>IETA & International Institute for Sustainable Development (IISD) Ms. Katie Sullivan sullivan@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>

<p>14.30– 15.00 7 Dec</p>	<p>Pecha Kucha: The Climate Smart Cape Town Campaign and the Cape Town Climate Change Coalition</p> <p>Stephen Granger, Head of Major Programmes and Projects for the City of Cape Town, is speaking on the unique Cape Town Climate Change Coalition, consisting of 28 partner organisations, which is steering the Climate Smart Cape Town Campaign.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
<p>15:30– 16:45 7 Dec</p>	<p>The Emerging Australian Carbon and Clean Energy Market: Opportunities for International Participation</p> <p>This side event will look at the main aspects of the carbon pricing mechanism itself and the key opportunities it presents for overseas investors. We will also explore the economic impacts of the legislation and its effect on price forecasting.</p>	<p>IETA & Norton Rose Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
<p>15:30– 16:45 7 Dec</p>	<p>Are you a NAMA? Looking at NAMA MRV Developments and Possible Futures</p> <p>How are NAMAs defined, and how might they be measured, reported, and verified (MRV) in a post-2012 climate regime? What might national and international NAMA MRV guidelines look like? Will there be different MRV requirements for domestic unilateral NAMAs and multi-lateral funded NAMAs? How might it be possible to compare NAMAs with co-benefit outcomes?</p>	<p>IETA Ms. Simone Ruiz ruiz@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
<p>17.00– 18.30 7 Dec</p>	<p>Greening of COP17</p> <p>The challenges associated with greening such a large scale event will be discussed by panellists involved in varies dimensions of the conference. Speakers: Grace Stead (Icologie) Stephen Lamb (Touching the Earth Lightly) Justin Hawes (Scan Africa, tbc)</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>

17:15– 18:30 7 Dec	<p>Durban Outcomes - Signals for What to Expect at Rio +20</p> <p>Although negotiators made progress on carving out a broad agreement in Cancun, many expect Durban to fall short in finding agreement on Kyoto’s future. The Earth Summit (Rio +20), taking place six months after Durban, will address some issues discussed at COP17.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
10:15– 11:30 8 Dec	<p>Nested REDD goes Global: Nations and States are Preparing to Scale up REDD and Knit Projects into Jurisdiction-Wide Frameworks</p> <p>This panel features some of the key states and nations working with voluntary standards to design these new frameworks. Panelists will discuss the design of integrated REDD frameworks and how they can be used to meet the needs of states, nations, multi-lateral institutions and private-sector investors and projects.</p>	<p>IETA & Verified Carbon Standard Association (VCS) Ms. Sophy Greenhalgh greenhalgh@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
10:15– 11:30 8 Dec	<p>Focus on CCS: Financing the Acceleration of Transformative Technologies</p> <p>This session will look at the status of, and prospects for, CCS around the globe, as well as the market conditions and carbon prices required to make CCS see the light of day and take demos to large-scale deployment and commercialization.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
11.00– 11.30 8 Dec	<p>Pecha Kucha: MyCiti bus system</p> <p>A presentation, which will provide an overview of the newly developed MyCiti system in Cape Town, which is an integral part of the public transport system in Cape Town (Donald Cupido, City of Cape Town).</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
11:45– 13:00 8 Dec	<p>Sectoral Approaches and Scaling-up Mitigation Activities: How Long until Investability?</p> <p>Moving from a project-level crediting to a sectoral crediting system could potentially scale up mitigation activities. This session highlights well-received sector-based mechanisms and outlines their potential and prospects for implementation in a post-2012 environment.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>

11:45– 13:00 8 Dec	<p>PoA and National Action Plans for Developing Countries</p> <p>PoA, a way of scaling up the CDM, plays an important role in acknowledging mitigation efforts of developing countries. What can we do better to prepare for a successful policy interface to foster partnership between private and public sector?</p>	<p>IETA Ms. Jenny Peetermans peetermans@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
13:00– 13:30 8 Dec	<p>IETA COP17 Daily Durban Updates</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Board Room</p>
14:00– 14:30 8 Dec	<p>Pecha Kucha: Perspectives of Local Government in addressing Climate Change</p> <p>This Pecha Kucha will provide an overview of numerous provincial climate change summits held throughout the Western Cape in the last month (Helen Davies, Western Cape Government).</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
14:00– 15:15 8 Dec	<p>Green Investment Scheme of the Slovak Republic</p> <p>Slovakia has established its own quality Green Investment Scheme and is now re-entering the international emissions market. The panel will outline the details of the Slovak GIS, and present opportunities on the international carbon market.</p>	<p>IETA & Slovak Ministry of Environment and Carbon Reduc Ms. Marion Gilodi gilodi@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit next to the Hilton) > Auditorium Room</p>
14:00– 15:15 8 Dec	<p>South Africa's Clean Energy Cross-Roads</p> <p>South Africa has taken the bold emissions reduction pledge of 34% below a business as usual emissions growth trajectory by 2020. This session will provide a practical look at how clean energy projects are already adapting in South Africa, as well as in neighboring African countries facing similar challenges.</p>	<p>IETA & Evolution Markets Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit next to the Hilton) > Board Room</p>

17:00– 18:00 8 Dec	<p>In Conversation with Andrew Steer and Henry Derwent Join IETA President and CEO Henry Derwent and World Bank Special Envoy for Climate Change Andrew Steer as they reflect upon the negotiations in Durban and the future of international climate policy.</p>	<p>IETA Ms. Lisa Spafford spafford@ieta.org</p>	<p>Standard Bank Building 1 Kingsmead Way (8min walking distance from the ICC - use ICC exit on the right side of the Hilton) > Auditorium Room</p>
17:00– 18:30 8 Dec	<p>KAS Manual Launch: Sustainable Mega-Events in Developing Countries: Experiences and Insights from South Africa, India and Brazil</p> <p>How can Mega-Events, such as the 2010 FIFA Soccer World Cup™ in South Africa, the 2010 Commonwealth Games in India as well as the 2016 Olympics in Brazil, be used as catalysts for sustainable urban development? Based on three country case studies the authors analyse the challenges and opportunities that come with such events.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
11.00– 12.30 9 Dec	<p>Green Economy – Vision of the Western Cape</p> <p>A green economy is one that results in improved human well-being and social equity. The panellists discuss opportunities for a green future for the Western Cape region.</p>	<p>City of Capetown Julia Karl Julia.Karl@capetown.gov.za 071 026 2393</p>	<p>Climate Smart Cape Town Campaign Stand - CCR Expo (close to the Rio Pavilion)</p>
15.00 9 Dec	<p>Green Zone Concert Various artists from South Africa.</p>	<p>C/o Vivienne Holden eThekweni Municipality 031 311 4723 holdenv@durban.gov.za</p>	<p>Peoples Park (Moses Mabhida stadium), Masabalala Yengwa Avenue, Durban</p>
