UNFCCC Documents Questionnaire

The UNFCCC secretariat has launched a review of its official documents in order to enhance their readability and user-friendliness. As part of this review, the secretariat has prepared a brief questionnaire, which is distributed with today's Daily Programme, to gather the views of the readers of the documents. We believe that these insights will be extremely valuable in understanding how these documents could be improved and would be grateful if as many delegates as possible could complete the questionnaire and return it to the Documents Distribution counter. Please be assured that all responses will be kept confidential.

Welcome to the UNFCCC Website Survey 2011

The UNFCCC secretariat is looking to improve the functionality and information organization of the unfccc.int website. As part of this effort, the secretariat is carrying out an online website survey. We would appreciate if you could take a few minutes to provide your input, as website users and/or as participants in the UNFCCC climate change process, which will give valuable insights into potential improvements. We would be grateful if as many participants as possible could complete the online survey which can be accessed at <<http://www.surveymonkey.com/s/G82Q538>>. Please be assured that all responses will remain confidential.
