United Nations
Framework Convention on
Climate Change

United Nations Climate Change Conference 2013
COP 19 and CMP 9
Warsaw, 11 November – 22 November 2013

Daily Programme

Addendum

List of speakers for the high-level segment

IMPORTANT ANNOUNCEMENT

The high-level segment will continue on Thursday, 21 November. It will be held in **Plenary 1** in the morning segment and in **Plenary 2** in the afternoon/evening segment to allow the ADP Closing Plenary to conclude its work in **Plenary 1**.

Speakers are asked to check the list of speakers to have an indication of when they will speak, as there may be changes in the order and day of speakers. All speakers are reminded that they should be present in the plenary at least ten minutes before (or two speakers ahead of) their presentation.

Speakers are reminded that statements made during the high level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the large number of statements, it is suggested that statements be as brief and concise as possible.

Parties are also advised that a bell will be used and strictly enforced during delivery of statements. The gong will sound at 3 minutes and will continue to sound until the end of speeches.

The Daily Programme is available electronically at unfccc.int. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

Join the [UN Climate Talks on twitter](#) and be the first to be notified once the next issue of the Daily Programme is available!

Please recycle

Full texts of the official statements will not be circulated in hard copy in plenary during the high-level segment. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website. In order to have statements posted on the UNFCCC webpage, Parties speaking at the high-level segment are requested to e-mail a copy an electronic copy of the statement to the following e-mail address <external-relations@unfccc.int>.

All Parties are kindly requested to provide the Conference Officer in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records

Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to the External Relations team who during the high level segment can be found in Plenary 1. Any other changes to the speakers' list and other practical and logistical questions related to the high level segment should be brought to the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

The plenary is open for all and the proceedings can also be followed on the CCTV screens throughout the Conference Center.

Thursday, 21 November 2013 10.00–13.00
