# Daily Programme

## Addendum

### List of speakers for the high-level segment

The high-level segment will conclude on Friday, 22 November with statements by intergovernmental and non-governmental organizations.

**Speakers are asked to be seated from the beginning of the session, as there may be changes in the order of speakers.** Speakers are asked not to exceed a **two-minute limit**. Given the number of statements, it is suggested that statements be as brief and concise as possible. Statements that are delivered during the high level segment and for which electronic copies are provided to the secretariat, will also be made available on the UNFCCC website at <[unfccc.int](http://unfccc.int)>. Any changes to the speakers' list should also be brought to the attention of the Observer Organizations Liaison team.

The plenary is open for all Parties, observer States and observer organisations. The proceedings can also be followed on the CCTV screens throughout the Conference Centre.

The Daily Programme is available electronically at <[unfccc.int](http://unfccc.int)>. Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.
