Development and transfer of technologies and implementation of the Technology Mechanism

Progress report on modalities and procedures of the Climate Technology Centre and Network and its Advisory Board

Note by the secretariat*

1. The Conference of the Parties (COP), by decision 1/CP.16, decided to establish a Technology Mechanism, comprising a Technology Executive Committee and a Climate Technology Centre and Network (CTCN).¹ The COP, by decision 2/CP.17, requested the CTCN, once it is operational, to elaborate its modalities and procedures based on its terms of reference² and to report to the COP, through the subsidiary bodies at their thirty-eight sessions, with a view to making a decision on this matter at the nineteenth session of the COP.³

2. The COP, by decision 14/CP.18, decided that the United Nations Environment Programme (UNEP), as the leader of a consortium of partner institutions, be selected as the host of the Climate Technology Centre (CTC) for an initial term of five years, with possible renewal if so decided by COP 23. It also requested UNEP, as the host of the CTC, to convene and facilitate, preferably prior to the thirty-eighth sessions of the subsidiary bodies, the 1st meeting of the Advisory Board of the CTCN, established by the same decision, to determine its operational modalities and rules of procedure for consideration by the subsidiary bodies at their subsequent sessions.⁴

3. In response, UNEP has submitted the attached report (see the annex) dated 24 May 2013, which is reproduced here as submitted, without formal editing.

* This document was received from the United Nations Environment Programme on 24 May 2013.

I. Introduction

A. Mandate

1. The Conference of the Parties (COP), by its decision 1/CP.16, decided to establish a Technology Mechanism, which will consist of:

(a) A Technology Executive Committee (TEC) to undertake the functions contained in decision 1/CP.16, paragraph 121;

(b) A Climate Technology Centre and Network (CTCN) to undertake the functions contained in decision 1/CP.16, paragraph 123.

2. The COP, by the same decision, also decided that the Climate Technology Centre shall facilitate a network of national, regional, sectoral and international technology networks, organizations and initiatives with a view to engaging the participants of the Network effectively in the following functions:

(a) At the request of a developing country Party:

(i) Providing advice and support related to the identification of technology needs and the implementation of environmentally sound technologies, practices and processes;

(ii) Facilitating the provision of information, training and support for programmes to build or strengthen capacity of developing countries to identify technology options, make technology choices and operate, maintain and adapt technology;

(iii) Facilitating prompt action on the deployment of existing technology in developing country Parties based on identified needs.

(b) Stimulating and encouraging, through collaboration with the private sector, public institutions, academia and research institutions, the development and transfer of existing and emerging environmentally sound technologies, as well as opportunities for North–South, South–South, and triangular technology cooperation.

(c) Facilitating a network of national, regional, sectoral and international technology centres, networks, organization and initiatives with a view to:

(i) Enhancing cooperation with national, regional and international technology centres and relevant national institutions;

(ii) Facilitating international partnerships among public and private stakeholders to accelerate the innovation and diffusion of environmentally sound technologies to developing country Parties;

(iii) Providing, at the request of a developing country Party, in-country technical assistance and training to support identified technology actions in developing country Parties;

(iv) Stimulating the establishment of twinning centre arrangements to promote North–South, South–South and triangular partnerships, with a view to encouraging cooperative research and development;

- (v) Identifying, disseminating and assisting with developing analytical tools, policies and best practices for country-driven planning to support the dissemination of environmentally sound technologies;
 - (vi) Performing other such activities as may be necessary to carry out its functions.
3. The COP adopted the terms of reference for the Climate Technology Centre and Network as contained in annex VII to its Decision 2/CP.17, including decisions on the roles and responsibilities of the Climate Technology Centre and Network, and on the governance of the Climate Technology Centre and Network.
4. The COP established the Advisory Board of the Climate Technology Centre and Network with the constitution contained in annex II to its decision 14/CP.18 and with the functions contained in decision 2/CP.17, annex VII, paragraphs 8 and 9.
5. The COP requested¹ the United Nations Environment Programme, as the host of the Climate Technology Centre, to convene and facilitate the first meeting of the Advisory Board as soon as possible in 2013, preferably prior to the thirty-eighth sessions of the subsidiary bodies.
6. The COP requested² the Advisory Board to determine at its first meeting its operational modalities and rules of procedure for consideration by the subsidiary bodies at their subsequent sessions.
7. The COP requested³ the Climate Technology Centre and Network to elaborate its modalities and procedures based on the terms of reference of the Climate Technology Centre and Network contained in annex VII to decision 2/CP.17 and decision 1/CP.16, paragraph 123, and taking into account decision 1/CP.16, paragraph 120, and to report to the Conference of the Parties, through the subsidiary bodies at their thirty-eighth sessions, with a view to making a decision on this matter at the nineteenth session of the Conference of the Parties.

B. Scope of the note

8. This note presents the Rules of Procedure of the Advisory Board of the Climate Technology Centre, and the structure of the Modalities and Procedures of the Climate Technology Center and Network as requested by decisions 2/CP.17 and 14/CP.18.

C. Possible action by the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation

9. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI) may wish to consider this report and recommend any guidance for further action by the CTCN for consideration and adoption by the COP at its nineteenth session, as appropriate.

¹ Decision 14/CP.18, paragraph 6.

² Decision 14/CP.18, paragraph 7.

³ Decision 2/CP.17, paragraph 135.

II. Organizational matters

A. Nomination of members

10. The mandate and composition of the Advisory Board of the Climate Technology Centre and Network stipulate that the Advisory Board shall comprise 16 government representatives, comprising equal representation from Parties included in Annex I to the Convention and Parties not included in Annex I to the Convention nominated by their respective groups or constituencies and elected by the Conference of the Parties.

11. In addition, the Advisory Board shall comprise the Chair and the Vice-Chair of the Technology Executive Committee (TEC) in their official capacity as TEC representatives; one of the Co-Chairs, or a member designated by the Co-Chairs, of the Green Climate Fund Board in his/her official capacity as a Green Climate Fund representative; the Chair or the Vice-Chair of the Adaptation Committee, or a member designated by the Chair and the Vice-Chair, in his/her official capacity as an Adaptation Committee representative; one of the Co-Chairs, or a member designated by the Co-Chairs, of the Standing Committee in his/her official capacity as a Standing Committee representative; the Director of the CTCN in his/her official capacity as the CTCN representative; three representatives, with one being selected by each of the following UNFCCC observer organization constituencies, taking into account balanced geographical representation: environmental non-governmental organizations (ENGOS), business and industry non-governmental organizations (BINGOs) and research and independent nongovernmental organizations (RINGOs).

12. Government representatives elected to the Advisory Board shall serve for a term of two years and shall be eligible to serve a maximum of two consecutive terms of office. Half of the representatives shall be elected initially for a term of three years and half shall be elected for a term of two years. Thereafter, the COP shall elect half of the representatives every year for a term of two years.

13. The UNFCCC Secretariat has received nominations from all groups of Parties as indicated in the mandate and composition of the Advisory Board of the Climate Technology Centre and Network. The list of nominated members is contained in annex II to this document.⁴

B. Election of Chair and Vice-Chair of the Advisory Board of the Climate Technology Centre and Network

14. In accordance with decision 14/CP.18, annex II, paragraph 11, the Advisory Board, at its first meeting, elected, by consensus, Mr. Griffin Thompson (United States) as Chair and Mr. Fred Machulu Onduri (Uganda) as Vice-Chair of the Advisory Board.

III. Elaboration on modalities and procedures of the Climate Technology Centre and Network

15. UNEP presented some initial thoughts on the Modalities and Procedures of the Climate Technology Centre and Network to the Advisory Board at its first meeting. These were based on the working paper of the Expert Group on Technology Transfer entitled "Preparing for the implementation of the proposed Technology Mechanism," taking into account CTCN functions as set out in decision 1/CP.16, paragraph 123 (listed in paragraph

⁴ The allocation of terms of two years and three years is under discussion among Parties.

2 above). They are also consistent with the terms of reference of the Climate Technology Centre and Network as adopted by the COP and contained in annex VII to its Decision 2/CP.17.

16. Drawing on the agreed functions of the CTCN as decided by the COP, UNEP, as host of the CTCN, presented the following items as the six elements of the Modalities and Procedures of the Climate Technology Centre and Network:

- (a) Roles and responsibilities of the Climate Technology Centre and Network;
- (b) Management of requests from developing country NDEs and deliver responses;
- (c) Foster collaboration and access to information and knowledge to accelerate climate technology transfer;
- (d) Strengthen networks, partnerships and capacity building for climate technology transfer;
- (e) Linkages with the Technology Executive Committee;
- (f) Information and knowledge sharing.

17. The Advisory Board will further discuss the Modalities and Procedures of the CTCN insofar as those Modalities and Procedures are directly related to the work and responsibilities of the Advisory Board, at its second meeting tentatively scheduled in the second half of 2013.

IV. Work Conducted to Date

18. The Rules of Procedure of the Advisory Board presented in Annex I to this document were elaborated by the Advisory Board at its first meeting, held on 14th-15th May 2013 in Copenhagen, Denmark, and were subsequently finalized by correspondence.

19. The Modalities and Procedures of the Climate Technology Center and Network were presented by UNEP, as the host of the Climate Technology Centre, to the Advisory Board at its first meeting and will be further discussed at the second meeting of the Advisory Board tentatively scheduled in the second half of 2013.

Annex I

Advisory Board of the Climate Technology Centre and Network

Rules of Procedure

I. Scope

1. These rules of procedure shall apply to the Advisory Board of the Climate Technology Centre and Network in accordance with decision 14/CP.18 paragraphs 7, 15 and its annex II thereof on the constitution of the Advisory Board of the CTCN as well as on any other relevant decisions of the Conference of the Parties.

II. Definitions

2. For the purpose of these rules:

(a) The “Convention” means the United Nations Framework Convention on Climate Change (UNFCCC);

(b) The “COP” means the Conference of the Parties to the Convention;

(c) “CTCN” means the Climate Technology Centre and Network;

(d) The “Board” means the Advisory Board of the CTCN;

(e) The “Chair” means the Member of the Board elected as Chair of the Board;

(f) The “Vice-Chair” means the Member of the of the Board elected as Vice-Chair of the Board;

(g) “Stakeholders” mean the entities that have a role in the implementation of the functions of the Board, or who may affect or be affected by the recommendations and actions of the Board;

(h) The “Secretary” means the Secretary of the Board, as per decision 14/CP.18, annex II, paragraph 3.

III. Members

3. The Board of the CTCN, with the aim of achieving fair and balanced representation, shall constitute the following:

(a) 16 government representatives, comprising equal representation from Parties included in Annex I to the Convention (Annex I Parties) and Parties not included in Annex I to the Convention (non-Annex I Parties);

(b) The Chair and the Vice-Chair of the Technology Executive Committee (TEC) in their official capacity as TEC representatives;

(c) One of the Co-Chairs, or a member designated by the Co-Chairs, of the Green Climate Fund Board in his/her official capacity as a Green Climate Fund representative;

(d) The Chair or the Vice-Chair of the Adaptation Committee, or a member designated by the Chair and the Vice-Chair, in his/her official capacity as an Adaptation Committee representative;

(e) One of the Co-Chairs, or a member designated by the Co-Chairs, of the Standing Committee in his/her official capacity as a Standing Committee representative;

(f) The Director of the CTCN in his/her official capacity as the CTCN representative;

(g) Three representatives, with one being selected by each of the following UNFCCC observer organization constituencies, taking into account balanced geographical representation: environmental non-governmental organizations (ENGOS), business and industry non-governmental organizations (BINGOs) and research and independent non-governmental organizations (RINGOs), with relevant expertise in technology, finance or business, received by the host organization of the Climate Technology Centre (CTC), taking into account balanced geographical representation.

4. Government representatives shall be nominated by their respective groups or constituencies and elected by the Conference of the Parties (COP). Groups or constituencies are encouraged to nominate the government representatives to the Board, with a view to achieving an appropriate balance of expertise relevant to the development and transfer of technologies for adaptation and mitigation, taking into account the need to achieve gender balance in accordance with decisions 36/CP.7 and 23/CP.18.

5. Government representatives elected to the Board shall serve for a term of two years and shall be eligible to serve a maximum of two consecutive terms of office. The following rules shall apply:

(a) Half of the members shall be elected initially for a term of three years and half shall be elected for a term of two years;

(b) Thereafter, the COP shall elect half of the members every year for a term of two years;

(c) The members shall remain in office until their successors are elected.

6. If a government representative of the Board resigns or is otherwise unable to complete the assigned term of office or to perform the functions of that office, the Board may decide, bearing in mind the proximity of the next session of the COP, to appoint another representative from the same constituency to replace said member for the remainder of that member's mandate, in which case the appointment shall count as one term.

7. The members of the Board referred to in paragraph 3(b) above shall serve in accordance with their term of office.

8. The members of the Board referred to in paragraph 3(c), (d) and (e) above shall serve in accordance with their term of office.

9. The members of the Board referred to in paragraph 3(g) above shall be eligible to serve for a maximum term of office of one year.

10. The term of office of a member shall start at the first meeting of the Board in the calendar year following his or her election and shall end immediately before the first meeting of the Board in the calendar year following the term ends, as applicable two or three years thereafter.

11. If a member is unable to participate in two consecutive meetings of the Board or is unable to perform the functions and tasks set out by the Board, the Chair of the Advisory

Board will bring this matter to the attention of the Advisory Board and will seek clarification from the regional group that nominated that member on the status of his or her membership.

IV. Chair and Vice-Chair

12. The Advisory Board shall elect annually a Chair and a Vice-Chair from among the members referred to in paragraph 3(a) above for a term of one year each, with one being from an Annex I Party and the other being from a non-Annex I Party. The term shall start at the end of first meeting of the calendar year until the end of first meeting of the following calendar year. The positions of Chair and Vice-Chair shall alternate annually between a member from an Annex I Party and a member from a non-Annex I Party. After the Chair completes her or his term, the Vice-Chair shall be elected as the Chair, and another member shall be elected as Vice-Chair.

13. If the Chair is temporarily unable to fulfil the obligations of the office, the Vice-Chair shall serve as Chair. In the absence of the Chair and the Vice-Chair at a particular meeting, any other members identified in paragraph 3(a) above designated by the Board shall temporarily serve as the Chair of that meeting.

14. If the Chair or the Vice-Chair is unable to complete the term of office, the Board shall elect a replacement to complete the term of office, taking into account paragraph 12 above.

15. The Chair and the Vice-Chair shall collaborate in chairing meetings of the Board and in executing the work of the Board throughout the year so as to ensure coherence between meetings.

16. The Chair shall, inter alia, declare the opening and closing of the meeting, ensure the observance of these rules, accord the right to speak and announce decisions. The Chair shall rule on points of order and, subject to these rules, shall have complete control of the proceedings and over the maintenance of order.

17. The Chair and/or the Vice-Chair, or any member designated by the Board, shall report to the COP, to the SBI, and / or to the SBSTA on behalf of the Board.

18. The Chair and/or the Vice-Chair, or any member designated by the Board, shall represent the Board at external meetings and shall report back to the Board on those meetings.

19. The Board may further define additional roles and responsibilities for the Chair and Vice-Chair.

20. The Chair and the Vice-Chair in the exercise of their functions remain under the authority of the Board.

V. Secretary

21. The Director of the CTCN shall be the Secretary of the Board.

22. The Secretary shall be responsible for facilitating and providing support to:

- (a) Making the necessary arrangements for the meetings of the Board, including announcing meetings, issuing invitations and making available the documents for meetings;
- (b) Maintaining meeting records and arranging for the storage and preservation of documents of meetings;

(c) Making available to the public documents of the meetings of the Board, unless a specific document is deemed confidential by the Board.

23. The Secretary shall be responsible for facilitating the tracking of the implementation of decisions on actions taken by the Board and report on the progress of these actions between meetings and at each meeting of the Board.

24. In addition, the Secretary shall facilitate support that the Board may require or that the COP may direct with respect to the work of the Board.

VI. Meetings

25. The Board shall meet twice per year, or more frequently if necessary to discharge its responsibilities.

26. The meetings of the Board shall take place at the premises of the Climate Technology Centre, unless otherwise decided by the Board and subject to the necessary arrangements being made by the Secretary in consultation with the Chair and the Vice-Chair. Decisions on the location of meetings other than at the premises of the CTC shall take into account the benefits of venue rotation, particularly in developing countries and facilitating the participation of key stakeholders.

27. At the first Board meeting of each calendar year, the Chair, in consultation with the Vice-Chair, shall propose, for the approval of the Board, a provisional schedule of meetings for that calendar year.

28. If changes to the schedule or additional meetings are required, the Secretary shall notify members of the dates and venues of those meetings by circulating a notification and posting such information on the CTCN website at least eight weeks prior to that meeting. Where it is essential to facilitate the work of the Board, the Chair and Vice-Chair may decide to shorten the notification period.

29. Members are requested to confirm their attendance at meetings of the Board as early as possible and at least four weeks prior to that meeting.

30. The Chair and the Vice-Chair, with the assistance of the Secretary, will decide on the organization of a planned meeting if confirmation by members does not ensure quorum, as defined in section VII.

VII. Quorum

31. At least eleven (11) of Board members referred to in paragraph 3(a) above must be present to constitute a quorum, with a minimum of five being from Annex I Parties and a minimum of five being from Non-Annex I Parties

32. The quorum shall be verified by the Chair at the time of the adoption of decisions by the Board.

VIII. Agenda and documents for meetings

33. The Chair of the Board shall, in consultation with the Vice-Chair and assisted by the Secretary, prepare the provisional agenda for each meeting as well as a draft report of the meeting.

34. The provisional agenda for each meeting shall be transmitted to members at least four weeks in advance of the meeting.
35. Members may propose additions or changes to the provisional agenda, in writing, to the Secretary within one week of receiving the provisional agenda, and these additions or changes shall be included in a revised provisional agenda by the Secretary in agreement with the Chair and the Vice-Chair.
36. The Secretary shall indicate the administrative and financial implications of all substantive items on the proposed agenda.
37. The Secretary shall transmit the provisional annotated agenda and any supporting documentation to the members at least two weeks prior to that meeting. Documents may be transmitted after that date with the approval of the Chair and the Vice-Chair.
38. Documents for a meeting of the Board shall be published on the CTCN website at least one week prior to that meeting, unless it has been decided by the Chair and Vice-Chair that the documentation should be restricted to protect confidential information.
39. The Board shall, at the beginning of each meeting, adopt the meeting agenda.
40. Any item included in the agenda for a meeting of the Board, consideration of which has not been completed at that meeting, shall automatically be included on the provisional agenda for the next meeting, unless otherwise decided by the Board.

IX. Decision-making

41. Decisions of the Board will be taken by consensus of the Board members referred to in paragraph 3(a) and (b) above.
42. The Chair or Vice-Chair shall ascertain whether consensus has been reached. The Chair or Vice-Chair shall declare that a consensus does not exist if there is a stated objection to the proposed decision under consideration by a member of the Board referred to in paragraph 41.
43. If all efforts at reaching a consensus have been exhausted and no agreement has been reached, decisions shall be taken by a three-fourths majority of the members referred to in paragraph 41 above present and voting at the meeting. Members abstaining from voting shall be considered as not voting in determining the majority.
44. The Chair or Vice-Chair shall ensure quorum, as defined in section VII, before conducting a vote.
45. Decisions outside of official meetings may occur on an extraordinary basis when, in the judgement of the Chair and Vice-Chair, a decision must be taken by the Board that should not be postponed until the next meeting of the Board.
46. The Secretary, with the approval of the Chair and the Vice-Chair, shall transmit to each member a proposed decision with an invitation to approve the decision.
47. Each member's comments on the proposed decision shall be sent to the Secretary, and made available to all members including the attribution of those comments, during such period as the Secretary may prescribe, provided that such period is no less than two weeks.
48. At the expiration of the comments period, the decision shall be approved if there are a minimum of five votes in favour from members referred to in paragraph 3 (a) from Annex I Parties and five votes in favour from members referred to in paragraph 3 (a) from Non-Annex I Parties and no objections from members referred to in paragraph 3 (a) and (b).

49. Each member referred to in paragraph 3(a) and (b) shall have one vote. For the purpose of this rule, the phrase “members present and voting” means members referred to in paragraph 3 (a) and (b) above that are present at the meeting at which voting takes place, and casting an affirmative or negative vote.

X. Working language

50. The working language of the Board shall be English.

XI. Participation of expert advisors at meetings

51. The Advisory Board will invite expert observers to attend meetings based on specific requirements of the agenda.

52. The Chair may, in consultation with the Vice-Chair and members of the Board, invite representatives of intergovernmental and international organizations as well as the private sector and civil society to participate in the meeting of the Board as expert advisors on specific matters under consideration by the Board.

53. Secretary shall assist in identifying and arranging participation of expert observers as per the Board’s request.

XII. Participation of observers

54. The meetings of the Board shall be open to attendance as observers, by Parties, the Secretary, and accredited members of observer organizations, except where otherwise decided by the Board.

55. The Board may decide on additional procedures for the participation of observer organizations other than those accredited to the UNFCCC.

56. The Board may, in the interests of economy and efficiency, decide to limit the physical attendance of observers at its meetings.

57. The Board may decide at any time that a meeting or part thereof should be closed to observers.

58. The Secretary shall notify observers of the date and venue of the meeting that they may attend. Observer shall notify the Secretary at least two weeks in advance of a meeting of their intention to attend.

59. The Chair or the Vice-Chair will open the floor for intervention by Observers at least once per meeting. In addition Observers may, upon invitation from the Chair or the Vice-Chair and if members raise no objection, make presentations relating to matters under consideration by the Board.

XIII. Use of electronic means of communication

60. The Board will use electronic means of communication to facilitate work between meetings and to take decisions as described in paragraph 45 to 48 above.

XIV. Amendments to the Rules of Procedure

61. These Rules of Procedure may be amended by the Board in accordance with paragraph 41 to 43 above and to be effective must be approved formally by the COP. Pending formal approval, the Board may decide to apply the amendment provisionally.

XV. Overriding authority of the Convention

62. In the event of any conflict between any provisions of these rules and any provision of the Convention, the Convention shall take precedence.
