**Development and transfer of technologies and implementation of the Technology Mechanism
Poznan strategic programme on technology transfer**

Poznan strategic programme on technology transfer

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) noted the report of the Global Environment Facility (GEF) on the progress made in carrying out the Poznan strategic programme on technology transfer.¹
2. The SBI acknowledged the support provided by the GEF to assist 36 Parties not included in Annex I to the Convention (non-Annex I Parties) in conducting their technology needs assessments and welcomed the financial and technical support that the GEF will provide to 24 non-Annex I Parties for conducting or updating their technology needs assessments.
3. The SBI noted the report of the GEF² on the findings of its consultations with the Climate Technology Centre and Network (CTCN), through its Advisory Board, as requested at SBI 37.³
4. The SBI invited the GEF to continue to consult with the CTCN, through its Advisory Board and the United Nations Environment Programme as the host of the Climate Technology Centre, on the support that the GEF will provide for the work of the CTCN and to report on the concrete results of the consultations at SBI 40 (June 2014).
5. The SBI reiterated the need to align⁴ the further implementation of the element of the Poznan strategic programme on support for climate technology centres and a climate technology network with the operationalization and activities of the CTCN, taking into account decision 2/CP.17, paragraph 140.
