Special announcements

Message from the Presiding Officers

Parties and Presiding Officers have been asked to make greater efforts on time management in the intergovernmental process (FCCC/SBI/2014/8, paragraph 218).

Presiding officers and their co-chairs/co-facilitators have thus committed to:

- Start and end meetings on time. Meetings will begin no later than 15 minutes after the scheduled time.
- Schedule official meetings between 10.00-13.00 and 15.00-18.00.
- Complete negotiations within the set timeframe. No extensions will be made – and items not completed will be referred to consideration at future sessions.
- Ensure that plenary statements are concise and give the opportunity for all voices to be heard – orally and by posting all full statements on the web.

Presiding Officers are counting on support from Parties to put in place a new mode of work to allow the conference to conclude at the scheduled time. These actions will be implemented to enhance inclusiveness and effectiveness of the intergovernmental process.
