

United Nations Climate Change Conference 2014
COP 20 and CMP 10
Lima, 1 December – 12 December 2014

Daily Programme

Addendum

The high-level segment, to be attended by Heads of State and Heads of Government, ministers and other heads of delegations, will continue on the morning of Wednesday, 10 December 2014. Statements by Heads of State and Heads of Government, ministers and other heads of delegations will be heard in joint meetings of the COP and CMP. National Statements will continue in the morning of Thursday, 11 December 2014 and conclude with statements by inter-governmental and non-governmental organizations in the afternoon of Thursday, 11 December 2014.

Access to Plenary Lima

For the opening of the Presidential segment on the morning of Wednesday, 10 December 2014, access is based on a ticket system. Delegations should have already received their tickets from the Information desk. No entry to the plenary is allowed without a ticket. The proceedings can also be followed on the screens in Plenary Cusco and on the CCTV screens throughout the Conference Center. For the subsequent days for other high-level segment plenaries on Wednesday, 10 December 2014 and Thursday, 11 December 2014, no tickets will be required.

The list of speakers included in this addendum is for speakers who have registered and confirmed their wish to deliver a statement at the high-level segment of the COP and the CMP. The list is provisionally divided into morning and afternoon segments to facilitate the organization of the order of speakers.

Speakers are asked to check the list of speakers to have an indication of when they will speak, as there may be changes in the order and day of speakers.

All speakers are reminded to be present in the plenary 10 minutes, or at least two speakers, prior to their presentation. Speakers will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved seating arrangement close to the podium and then they will be invited to take the floor. After their statement, they will be escorted back to their respective seat behind their country plates.

Participants are kindly reminded to consult the CCTV monitors for any last-minute changes. In order to reduce paper consumption, participants are kindly requested to retain copies of documents throughout the sessions.

UNFCCC/2014/IV/OD/9/Add.1

GE.14-23418

Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit**, as decided by the Conference of the Parties at its first plenary meeting. Given the number Parties and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. In fairness to all speakers, time limits will be strictly enforced. It is suggested that statements be as brief and concise as possible. Following United Nations practice, a mechanism will be used to assist speakers in respecting this limit. **A bell system will signal speakers when the limit is approaching and speakers will be interrupted should they exceed the time limit.**

Parties are also encouraged to reduce oral statements to the 3 minute limit on the understanding that the full version of their statements will be posted on the UNFCCC website.

Full texts of the official statements will not be circulated in hard copy in plenary during the high-level segment. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website. In order to have statements posted on the UNFCCC webpage, Parties speaking at the high-level segment are requested to e-mail an electronic copy of the statement to the following e-mail addresses <external-relations@unfccc.int>, <conference-officer@unfccc.int>.

All Parties are kindly requested to provide the Conference Officer in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and the Conference records.

Should Parties not wish to speak but prefer to only have their statements uploaded to the UNFCCC website, the secretariat will make arrangements to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to the External Relations team who during the high-level segment can be found in Plenary Lima. Any other changes to the speakers' list should also be brought to the External Relations team.

Parties are requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Wednesday, 10 December 2014 10.00–13.00
--

H.E. Mr. Juan Manuel Santos Calderon
President
REPUBLIC OF COLOMBIA

H.E. Ms. Michelle Bachelet
President
REPUBLIC OF CHILE
