**Development and transfer of technologies and implementation
of the Technology Mechanism**

**Joint annual report of the Technology Executive Committee and
the Climate Technology Centre and Network for 2013**

Subsidiary Body for Implementation

Fortieth session

Bonn, 4–15 June 2014

Agenda item 11(a)

**Development and transfer of technologies and implementation
of the Technology Mechanism**

**Joint annual report of the Technology Executive Committee and
the Climate Technology Centre and Network for 2013**

Joint annual report of the Technology Executive Committee and the Climate Technology Centre and Network for 2013

Draft conclusions proposed by the Chairs

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI), as requested at the nineteenth session of the Conference of the Parties (COP), continued consideration of the joint annual report of the Technology Executive Committee (TEC) and the Climate Technology Centre and Network (CTCN) for 2013¹ with a view to forwarding a draft decision for consideration and adoption at COP 20 (December 2014).²

2. The SBSTA and the SBI invited the TEC to further strengthen the linkages with organizations inside and outside the Convention, as referred to in document FCCC/SB/2012/1, annex II, paragraph 3, which undertake work relating to enabling environments for and barriers to the development and transfer of technology, including those issues referred to in document FCCC/SB/2012/2, paragraph 35.

¹ FCCC/SB/2013/1.

² FCCC/CP/2013/10, paragraph 75.

3. The SBSTA and the SBI recommended a draft decision on the joint annual report of the TEC and the CTCN for 2013 for consideration and adoption at COP 20 (for the text of the decision, see document FCCC/SB/2014/L.1/Add.1).
