### Financial matters

#### Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) took note of the information relating to the status of contributions as at 15 May 2014. It expressed its appreciation to the Parties that had paid their indicative contributions to the core budget and their fees for the international transaction log on time. The SBI also expressed concern over outstanding contributions and urged those Parties that have not paid their contributions yet to do so as soon as possible.

2. The SBI also expressed its appreciation to those Parties that had made voluntary contributions to the Trust Fund for Participation in the UNFCCC Process and the Trust Fund for Supplementary Activities. The SBI noted with concern the insufficient level of funds to cover the costs for participation of representatives of eligible Parties in the sessions of the Ad Hoc Working Group on the Durban Platform for Enhanced Action scheduled for October 2014 and in the United Nations Climate Change Conference to be held in Lima, Peru, in December 2014. The SBI urges Parties to further contribute to the Trust Fund for Participation in the UNFCCC Process to ensure the widest possible participation in the negotiations in 2014 and to the Trust Fund for Supplementary Activities.

3. The SBI considered the proposed revisions to the financial procedures required for the adoption of the International Public Sector Accounting Standards and recommended a draft decision on this matter for consideration and adoption by the Conference of the Parties at its twentieth session (for the text of the draft decision, see document FCCC/SBI/2014/L.16/Add.1).
