**Quarantième session**

Bonn, 4-15 juin 2014

Point 12 a) de l'ordre du jour

**Renforcement des capacités**

**Renforcement des capacités au titre de la Convention**

## **Renforcement des capacités au titre de la Convention**

### **Projet de conclusions proposé par le Président**

1. L'Organe subsidiaire de mise en œuvre (SBI) s'est félicité du succès des deuxième et troisième réunions du Forum de Durban pour l'examen approfondi du renforcement des capacités tenues pendant ses trente-huitième et quarantième sessions.
2. Le SBI a remercié les Parties et les représentants des organisations intergouvernementales et non gouvernementales, ainsi que le secteur privé pour leur participation active aux deuxième et troisième réunions du Forum de Durban et pour le partage d'expériences et l'échange d'idées, de meilleures pratiques et d'enseignements concernant l'exécution d'activités de renforcement des capacités auxquels ils ont procédé.
3. Le SBI s'est félicité du lancement du Portail de la Convention sur le renforcement des capacités<sup>1</sup>.
4. Le SBI a poursuivi, sans l'achever, l'examen concernant le renforcement des capacités des pays en développement au titre de la Convention. Il est convenu de poursuivre l'examen de cette question à sa quarante et unième session (décembre 2014), en se fondant sur le projet de texte de décision présenté en annexe, en vue de recommander l'examen et l'adoption d'un projet de décision par la Conférence des Parties à sa vingtième session (décembre 2014).

bodies established under the Convention, the effectiveness of capacity-building interventions concerning [[adaptation, disaster risk management] gender, reporting obligations and greenhouse gas inventories, REDD-plus, agriculture, access to finance and dissemination of information and knowledge] [decision 2/CP.7], ways to strengthen the implementation of capacity-building in developing countries, mobilize additional resources and strengthen institutional capacity;

4. *Also decides* to build on the work of the Durban Forum and establish its work [plan] [schedule] [on capacity-building] to further enhance the monitoring and review of the effectiveness of capacity-building;

5. *Further decides* that such a work [plan] [schedule] should be finalized and adopted by the Conference of the Parties at its twenty-first session;

6. *Invites* Parties, intergovernmental and non-governmental organizations and the private sector to submit to the secretariat, by XX February 2015, the following:

(a) Views on specific thematic issues relating to capacity-building under the Convention in developing countries to be considered at the 4<sup>th</sup> meeting of the Durban Forum and on the organization of that meeting;

(b) Views on possible [elements] [topics] of a work [plan] [schedule] of the Durban Forum and potential relevant practitioners on those topics;

7. *Requests* the secretariat:

(a) To conduct an annual analysis of the information compiled from the Durban Forum [and from submissions from Parties] with a view to enhancing capacity-building in accordance with provisions contained in decision 13/CP.17;

(b) To develop a [workplan] [work schedule] [of the Durban Forum] [on capacity-building] drawing on the analysis of relevant information emerging from meetings of the Durban Forum and from the submissions referred to in paragraph 6(b) above;

8. *Encourages* Parties to utilize lessons learned and best practices shared during the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> meetings of the Durban Forum and derived from the analysis conducted by the secretariat as referred to in paragraph 7(a) above to further enhance the effectiveness of capacity-building [actions] [activities] at the national level;

9. *Requests* the Subsidiary Body for Implementation:

(a) To take into account the views expressed in the submissions referred to in paragraph 6(a) above in organizing the 4<sup>th</sup> meeting of the Durban Forum;

(b) To consider ways to promote in-depth consultations during meetings of the Durban Forum by exploring more interactive organizational formats;

(c) To consider the submissions referred to in paragraph 6(b) above with a view to preparing recommendations on the matter for consideration by the Conference of the Parties at its twenty-first session;

10. *Decides* to establish a Capacity-building Committee under the Convention to facilitate effective capacity-building implementation at the international, regional and national levels in accordance with the framework for capacity-building in developing countries contained in the annex to decision 2/CP.7, inter alia, by:

(a) Collating capacity-building related information presented during meetings of the Durban Forum and contained in national communications;

(b) Commissioning a report analysing the information referred to in paragraph 10(a) above and any other relevant national information;

- (c) Carrying out, on the basis of the information referred to above, the following actions:
- (i) Recommend nationally appropriate actions in line with identified capacity-building needs;
  - (ii) Coordinate the provision of capacity-building support across and between the national, regional and international levels;
  - (iii) Conduct continuous monitoring and reviewing of capacity-building interventions and support;
  - (iv) Identify measures which would address capacity-building needs across several countries in order to increase efficiencies;
  - (v) Compile recommendations for enhanced interactions with other existing bodies established under the Convention;
  - (vi) Conduct a comprehensive review of the framework for capacity-building in developing countries;
  - (vii) Further explore potential ways to enhance the implementation of capacity-building;
11. *Decides* that the Capacity-building Committee shall consist of two representatives from each of the existing bodies established under the Convention and regional groups, ensuring that there is a balanced representation between developed and developing country Parties;
12. *Further decides* that the Capacity-building Committee will report to the Conference of the Parties on its work, including functions and further actions required;
13. *Invites* Parties to submit to the secretariat, by XX 2015, their views on the terms of reference and modalities of operation of the Capacity-building Committee;
14. *Requests* the Subsidiary Body for Implementation to consider the submissions referred to in paragraph 13 above at its XXX session with a view to making recommendations on the matter to the Conference of the Parties at its XXX session;
15. *Decides* that the Capacity-building Committee should start its work on XXX 2015;
16. *Invites* Parties to make sufficient resources available for the operationalization of the Capacity-building Committee;
17. *Requests* operating entities of the financial mechanism of the Convention to provide support for capacity-building needs as identified by countries;
18. *Recognizes* that there has been significant global progress in building capacity, including through UNFCCC bodies, processes and institutional arrangements on technology, adaptation, finance and mitigation, as outlined in the report contained in document FCCC/SBI/2014/7;
19. *Affirms* that the existing institutions established under the Convention, including the Durban Forum, constitute adequate, appropriate and effective institutional arrangements to monitor and evaluate capacity-building for climate change action;
20. *Expresses* its appreciation to those countries who have provided and will continue to provide capacity-building support, including through South–South and triangular cooperation as well as during the fast-start finance period;

21. *Acknowledges* the utility of monitoring and evaluation of capacity-building activities at the project level only if the results of those monitoring and evaluation efforts are utilized and measures to retain capacity built are made by the partner country;
  22. *Recognizes* that increased support for capacity-building depends in part on domestic enabling environments;
  23. *Urges* developing countries to promote transparency and good governance and improve regulatory and economic policies that reduce investment risks;
  24. *Stresses* that efforts under the Convention related to transparency and to adaptation planning, such as national communications and the national adaptation plans, are important tools that help to build institutional capacity in the long term.]
