## **Bonn UN Talks On 'United Nations Day'**

Friday, 23 October 2015, 6 p.m.  
Forum, Art and Exhibition Hall of the Federal Republic of Germany  
Friedrich-Ebert-Allee 4, 53113 Bonn

### **Prof. Dr. Dr. mult. Klaus Töpfer**

Federal Minister (ret.)  
Executive Director of the United Nations Environment Programme (UNEP)  
and UN Under-Secretary-General from 1998 to 2006

The year 2015 does not only mark a special jubilee for the United Nations as the organization celebrates its 70th anniversary. It is also the year when the Millennium Development Goals (MDGs) that had been agreed upon by the turn of the millennium are replaced by the Sustainable Development Goals (SDGs). These goals lay out the agenda for the coming fifteen years and beyond. And the upcoming negotiations for the next generation of a global climate agreement will be of key importance as well. In this special year, we are delighted to announce a prominent guest speaker on the occasion of the Bonn United Nations Talks, Professor Klaus Töpfer. Moreover, we are looking forward to the participation of young delegates of the UN in this event.

You are kindly invited to attend the Bonn United Nations Talks, which will be followed by a reception. Simultaneous interpretation into German or English respectively will be provided.

Also, please join us for this year's celebration of United Nations Day, which will again take place in the city center on our Market Square in front of the Old Town Hall on Saturday, 24 October. From 11:30 a.m. to 6 p.m., visitors may obtain interesting information around the UN, and there will be an entertaining stage program and activities for the entire family.
