### **Terms of reference for the third comprehensive review of the implementation of the framework for capacity-building in developing countries**

#### **I. Mandate**

1. The Conference of the Parties (COP) decided to initiate the third comprehensive review of the implementation of the framework for capacity-building in developing countries established under decision 2/CP.7 (hereinafter referred to as the capacity-building framework) at the forty-second session of the Subsidiary Body for Implementation (SBI) with a view to completing the review at COP 22.<sup>1</sup>
2. The Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) decided to initiate the third comprehensive review of the implementation of the capacity-building framework at SBI 42 with a view to completing the review at CMP 12.<sup>2</sup>

#### **II. Objectives**

3. The third comprehensive review of the implementation of the capacity-building framework has the following objectives:
  - (a) To explore ways to enhance the implementation of capacity-building activities by reviewing the current institutional arrangements related to capacity-building, including the thematic bodies under the Convention, with a view to making recommendations for the enhancement of these arrangements, as appropriate;
  - (b) To take stock of progress in and assess the effectiveness of the implementation of the capacity-building framework;
  - (c) To examine possible gaps between the provisions of decisions of the COP and the CMP and the implementation of capacity-building activities;
  - (d) To identify lessons learned and best practices with a view to developing options for the enhanced implementation of the capacity-building framework, taking into account additional needs and priorities for capacity-building;
  - (e) To effectively review gaps and challenges in addressing the implementation of priority areas as contained in the capacity-building framework and in meeting capacity-building needs to enhance action on mitigation, adaptation and technology transfer;
  - (f) To effectively review capacity gaps and challenges in accessing climate finance;
  - (g) To provide recommendations to the SBI on ways to effectively address the capacity-building gaps at the individual, institutional and systemic levels, including those

identified by the first<sup>3</sup> and second<sup>4</sup> comprehensive reviews of the implementation of the capacity-building framework;

(h) To explore potential ways to further enhance the implementation of capacity-building activities at the national level;

(i) To identify major actors supporting the implementation of the capacity-building framework within and outside the arrangements established under the Convention and its Kyoto Protocol;

(j) To review the operation of the Durban Forum and identify potential ways to enhance it.

### III. General principles of the comprehensive review process

4. The third comprehensive review of the implementation of the capacity-building framework should be conducted on the basis of the guiding principles and approaches outlined in decision 2/CP.7, annex, chapter B, and should take into account relevant provisions in related COP<sup>5</sup> and CMP<sup>6</sup> decisions on capacity-building.

### IV. Information sources

5. Information to be used in the third comprehensive review of the implementation of the capacity-building framework should be drawn from, inter alia:

(a) Submissions from Parties;

(b) Findings of the first<sup>7</sup> and second<sup>8</sup> comprehensive reviews of the implementation of the capacity-building framework;

(c) Annual synthesis reports on the implementation of the capacity-building framework prepared in accordance with the steps for the regular monitoring and evaluation of capacity-building work as contained in decisions 4/CP.12 and 6/CMP.2;

(d) Relevant national reports (such as national communications, biennial reports, biennial update reports, national adaptation programmes of action and their updates, outcomes of the national adaptation plan process, and national capacity self-assessments);

(e) Reports and submissions from the Global Environment Facility and its implementing agencies, United Nations entities and other relevant organizations;

(f) Information contained in the capacity-building portal;<sup>9</sup>

(g) Summary reports on the meetings of the Durban Forum on capacity-building;

(h) Reports of relevant bodies established under the Convention and its Kyoto Protocol;
