Subsidiary Body for Scientific and Technological Advice

Forty-second session

Bonn, 1–11 June 2015

Agenda item 12

Cooperation with other international organizations

Cooperation with other international organizations

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) welcomed document FCCC/SBSTA/2015/INF.3 and Corr.1 containing information on relevant cooperative activities between the secretariat and other intergovernmental organizations.
 2. The SBSTA reaffirmed the importance of the secretariat engaging with other intergovernmental organizations as appropriate, in particular United Nations entities, with the aim of focusing on actions that support the effective implementation of the Convention and its Kyoto Protocol as well as of recent UNFCCC decisions.
 3. The SBSTA recognized that the resources and expertise of other intergovernmental and international organizations are relevant to the UNFCCC process and encouraged the secretariat to work in partnership with them.
