I. Opening of the session

(Agenda item 1)

1. The first session of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA), convened pursuant to Article 16, paragraph 6, of the Paris Agreement, was resumed for its second part at the United Nations Climate Change Conference in Bonn, Germany, on 6 November 2017 by Mr. Frank Bainimarama, President of CMA 1.2.¹

2. The resumption was immediately followed by a joint plenary meeting of the Conference of the Parties (COP), the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) and the CMA to hear opening statements.²

II. Organizational matters

(Agenda item 2)

A. Adoption of the agenda

(Agenda sub-item 2(a))

3. The CMA adopted the agenda for its first session at its 5th meeting, on 16 November 2016.³ The adopted agenda and annotations are contained in document FCCC/PA/CMA/2017/1.

B. Application of the rules of procedure of the Conference of the Parties

(Agenda sub-item 2(b))

4. At the 8th meeting, on 6 November, the President recalled that, in accordance with Article 16, paragraph 5, of the Paris Agreement and decision 2/CMA.1, the draft rules of procedure of the COP shall be applied mutatis mutandis under the Paris Agreement.

C. Election of additional officers

(Agenda sub-item 2(c))

5. The CMA considered this sub-item at its 8th meeting and at its 18th meeting, on 18 November. At the 18th meeting, the President informed the CMA that one nominee for the Bureau from the Asia-Pacific States represents a Party to the Convention that is not yet a Party to the Paris Agreement and that the CMA will therefore elect an additional member of the Bureau representing a Party to the Paris Agreement.

6. On a proposal by the President, the CMA urged the Asia-Pacific States to submit the outstanding nomination to the Executive Secretary as soon as possible and by 31 January 2018 at the latest. Once the nomination is received by the Executive Secretary, the member will be deemed to have been elected at CMA 1.2 in accordance with established practice.⁴

¹ CMA 1.2 was held in conjunction with the twenty-third session of the Conference of the Parties (COP) and the thirteenth session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP). The proceedings of the COP and the CMP are contained in separate reports (FCCC/CP/2017/11 and FCCC/KP/CMP/2017/7, respectively). References to statements and an address of welcome made at the opening of the conference are contained in the report of the COP.

D. Organization of work

(Agenda sub-item 2(d))

7. At the 8th meeting, the President referred the CMA to the annotations⁵ to the agenda and proposed that the CMA follow the organization of work that was agreed by the COP.⁶

8. The CMA agreed to proceed on the basis of the proposal made by the President.

9. The President convened a joint 11th meeting of the COP and 17th meeting of the CMA on 17 November to review progress in the implementation of the work programme under the Paris Agreement.⁷

E. Status of ratification of the Paris Agreement

(Agenda sub-item 2(e))

11. At the 8th meeting, the President informed the CMA that, as at 6 November 2017, 168 Parties to the Convention had ratified the Paris Agreement.

12. On a proposal by the President, the CMA took note of this information and invited Parties to the Convention that have not yet done so to expedite their ratification.

F. Approval of the report on credentials

(Agenda sub-item 2(f))

13. At the 18th meeting, the President referred to the report on credentials,⁹ which indicates that the Bureau, in accordance with rule 20 of the draft rules of procedure being applied, examined and approved the credentials of the representatives of Parties.

14. At the same meeting, on the basis of the report of the Bureau and additional credentials provided, the CMA accepted the credentials of Parties attending the session.¹⁰

G. Attendance

15. The session in Bonn was attended by representatives of 168 Parties to the Paris Agreement, representatives of 26 Parties to the Convention that are observers to the Paris Agreement and representatives of one observer State, as listed in the annex.¹¹

16. According to decision 2/CMA.1, the admission of organizations as observers as decided by the COP also applies to the CMA. Observer organizations newly admitted to the sessions of the COP, the CMP and the CMA are listed in document FCCC/CP/2017/2.¹²
