Draft decision -/CP.23

Scope of the next periodic review of the long-term global goal under the Convention and of overall progress towards achieving it

The Conference of the Parties,

Recalling decision 10/CP.21, paragraph 10,

Noting the recommendation by the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation, at their forty-sixth sessions, on the scope of the next periodic review of the long-term global goal under the Convention and of overall progress towards achieving it,

Decides that the consideration of the scope of the next periodic review of the long-term global goal under the Convention and of overall progress towards achieving it should be resumed by the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation at their fiftieth sessions (June 2019), with a view to the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation forwarding a recommendation for consideration by the Conference of the Parties at its twenty-fifth session (November 2019) that will take into account the relevant work on the global stocktake under the Ad Hoc Working Group on the Paris Agreement, and the facilitative dialogue, which will take place in 2018, and the technical examination processes.¹
