**List of speakers for the high-level segment
attended by ministers and other heads of delegation**

The list below is the list of speakers that wish to deliver a policy statement under agenda item 12 (a) at the high-level segment.

All speakers are reminded to be present in the plenary at least ten minutes (or two speakers) prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Should a speaker not be present at his/her delegation's seat at the appropriate time, a slot may be assigned at the end of the day's proceedings (upon request of the delegation).

Delegates are reminded that statements during the high-level segment should not exceed the three- to four-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Parties are encouraged to consider consolidating individual statements into one statement made on behalf of a group of Parties, in which case a time limit of five minutes will apply. Given the large number of statements, we kindly suggest that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer only to have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Any changes in the name and rank of the speaker previously communicated to the secretariat should be provided as early as possible to the External Relations team, located in Espace Agdal, so that the speaker's list can be corrected accordingly.

Parties are kindly requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the Conference Officer with 20 copies of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide 300 copies. These copies may be delivered to the Conference Officer's table.

Before departing, participants are reminded that various lost and found items have been handed in at the Security office (Tel.: 044-44-94-14). These include an electronic dictionary and a plastic document folder.

Facilities for non-governmental organizations

Offices and meeting rooms for the environmental groups, business and industry organizations and the local non-governmental organizations are located in the basement of the Hotel Atlas.

Information for participants

A booklet detailing the various facilities and services available to participants may be obtained from the Information desk.

Pigeonholes for delegates

Pigeonholes for the distribution of official documents and messages are located in the documents distribution area, which delegates are kindly requested to check at regular intervals. Messages may also be placed on the message boards in the corridor adjacent to the main foyer of the conference facilities. Participants are kindly requested to refrain from distributing non-official material via the pigeonholes. All such material should be placed on the tables specially designated for this purpose.

GIE facilities and services

GIE has organized restaurant facilities and a VIP lounge bar in the COP 7 village outside the Palais des Congrès. GIE is also able to offer varied programmes of optional excursions and guided city tours. (Tel.: 061-25-42-63).
