Statements under agenda item 12 (a)

The list below is the revised list of speakers who wish to deliver a policy statement under under agenda item 12 (a).

All speakers are reminded to be present in the plenary at least ten minutes (or two speakers) prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Should a speaker not be present at his/her delegation's seat at the appropriate time, a slot may be assigned at the end of the day's proceedings (upon request of the delegation).

Delegates are reminded that statements during the high-level segment should not exceed the three- to four-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Parties are encouraged to consider consolidating individual statements into one statement made on behalf of a group of Parties, in which case a time limit of five minutes will apply. Given the large number of statements, we kindly suggest that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer only to have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Any changes in the name and rank of the speaker previously communicated to the secretariat should be provided as early as possible so that the speaker's list can be corrected accordingly. Contact persons are Mr. Horacio Peluffo or Ms Carrie ABheuer in Salle Royale (Plenary 1).

Parties are kindly requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the Conference Officer with 20 copies of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide 300 copies. These copies may be delivered to the Conference Officer's table.
