***Information on the round-table discussions during the high-level segment***

**Survey by the President of COP 9**

*At the third meeting of the Conference of the Parties on Thursday, 4 December 2003, the President informed Parties of the preparations for the round-table discussions to be held during the high-level segment. The President stated that his main aim during the round-table discussions is to establish an atmosphere of constructive, open and interactive dialogue. Together with the co-chairs, he would like to provide an equal opportunity for all Parties to participate.*

*In this regard, the President invited Parties to submit replies to a "Survey by the President of COP 9: advance indication of intent to contribute at the round-table discussions during the high-level segment of COP 9". This survey will be used by the President and the co-chairs to assist in promoting a balanced and structured exchange of views. Every effort will be made to accommodate the first preference indicated by each Party on the survey form. **There will be no list of speakers.***

*The President will open each round-table discussion and introduce the co-chairs, who will be invited to make brief introductory remarks. The President will invite lead-off speakers from Annex I and non-Annex I Parties. The discussion will then be opened for Parties to make their contribution. Parties may also make statements on behalf of "Groups". There may also be opportunities for spontaneous contributions, to allow flexibility for Parties to join the discussion at any moment. The President and the co-chairs will request the understanding of Parties on time limitations for interventions, which ideally should not exceed two minutes for each speaker.*

*At the end of each round-table discussion, the co-chairs will provide an "impressionistic wrap-up". The President will issue, under his responsibility, a summary of all the round-table discussions, for inclusion in the report of COP 9, on Friday, 12 December 2003.*

*The round-table discussions will take place in Plenary I. There will be one seat at the table for the Head of delegation, and one seat behind for an adviser. Additional seating will be available at the sides and back of the room. The round-table discussions will be broadcast live on CCTV and webcast.*

***Parties are urged to return the survey form attached to the last page of this Daily Programme as soon as possible, but not later than 1 p.m. on Monday, 8 December 2003, to the UNFCCC Information Desk located on the first floor, next to the Documents Distribution counter.***
