

The Global Stocktake guide for submitting
inputs to the call for:

- Poster session

Global Stocktake

- The co-facilitators of the first technical dialogue of the global stocktake (GST1) issued a call for a poster session, to take place at TD1.3:
- The co-facilitators urge submitters of inputs to the **poster session** to focus them on the scope of the GST as outlined in paragraphs 2 and 6(b) of decision 19/CMA.1. When preparing an input, we encourage you to take into consideration the guiding questions for the Information Collection and Preparation, as well as the Technical Assessment components of the GST1.
- Observer organizations and other non-Party stakeholders, are encouraged to make collective submissions when possible, so that they can serve as effective conversation vehicles for the dialogues

Global Stocktake - the Topics

Mitigation

- Overall effect of NDCs
- State of GHG emissions and removals and mitigation efforts undertaken by Parties

Adaptation

- Observed and projected risks
- State of adaptation efforts, support, experiences and priorities

Means of Implementation and support

- Finance flows and financial support
- Technology
- Capacity-Building

Efforts related to RM and L&D

- Address the social and economic consequences and impacts of response measures;
- Avert, minimize and address loss and damage associated with the adverse effects of climate change

Cross Cutting

Ambition

Fairness consideration including equity as communicated by Parties in their NDCs

Equity & best
available science

Posters should be submitted by 22/05/2023

The licensing agreement must be downloaded, filled out and included alongside the form, or the submission will not be considered

- [Licensing Agreement](#)

Steps to submit

The following steps are required to submit:

- Visit the global stocktake webpage and click current calls for submissions and then the link titled '[The first global stocktake call for poster inputs to TD1.3](#)'
- Download and fill out the form and the licensing agreement. All sections must be completed.
- Add the link to the poster in the form
- Next, the form needs to be submitted. Parties and observers upload the form to the submission portal. Non-Party Stakeholders without observer status submit by email to submission-info@unfccc.int

Guide to submitting

Parties

The Submission and Statement Portal provides a platform for Parties to upload submissions. The portal is a public site. However, for Parties to be able to upload submissions, access rights are required. Parties can obtain them by having their National Focal Point submitting a [request here](#).

For any issues related to the submission portal, the secretariat can be contacted at submission-info@unfccc.int.

Organizations with observer status

- The Submission and Statement Portal provides a platform for observer organizations to upload submissions. Before the first upload, an account has to be created by the respective Designated Contact Point. Please refer to the user [manual for observer](#) organizations for further details, including account creation and formatting.

Non-Party stakeholders without observer status

- Non-Party stakeholders **without observer status** are welcome to make submissions in response to the call for inputs to the creative space and poster session. Due to technical reasons, such entities **cannot use the Submission Portal for uploading to the call of the poster session and creative space**. Non-Party stakeholders without observer status are invited to send their submissions to the UNFCCC secretariat **by email** to submission-info@unfccc.int.
- For further details, please refer to this [link](#).

Global Stocktake - How to submit an input

- For Parties and observer organizations submissions are made through the [UNFCCC submission portal](#), when you search ‘global stocktake’:
