Addendum

Recommendation of the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation

The Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation, at their forty-ninth sessions, recommended the following draft conclusions for consideration and adoption by the Conference of the Parties at its twenty-fourth session:

Improved forum and work programme

1. The Conference of the Parties (COP) recalled decision 1/CP.21, paragraphs 33 and 34, and decision 11/CP.21.
 2. The COP noted the work undertaken by the improved forum on the impact of the implementation of response measures pursuant to decision 11/CP.21 and Parties' views on the work programme and modalities of the improved forum.
 3. The COP took note of the conclusions of the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation in relation to the review of the work of the improved forum on the impact of the implementation of response measures and concluded the review.
