Matters relating to capacity-building under the Kyoto Protocol

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) welcomed the synthesis reports prepared by the secretariat on the implementation of the framework for capacity-building in developing countries established under decision 2/CP.7, and the capacity-building work of bodies established under the Convention and its Kyoto Protocol.¹
2. The SBI noted the importance of the capacity-building portal and the Durban Forum on capacity-building as means for effective and continuous sharing of information, good practices and lessons learned among a wide spectrum of stakeholders operating under and outside the Convention.
3. The SBI noted with appreciation the outcomes of the 8th meeting of the Durban Forum on capacity-building, held at this session, on strengthening institutions at the national level to support capacity-building activities for the implementation of nationally determined contributions in developing countries.
4. The SBI highlighted the importance of considering the outcomes of the fourth comprehensive review of the implementation of the framework for capacity-building in developing countries under the Convention as an input for the fourth review of the framework for capacity-building in developing countries under the Kyoto Protocol.
