**Preparations for the implementation of the Paris Agreement
and the first session of the Conference of the Parties serving
as the meeting of the Parties to the Paris Agreement**

Proposal by the President

Recommendation of the Conference of the Parties

The Conference of the Parties, at its twenty-fourth session, recommended the following draft decision for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its first session:

Draft decision -/CMA.1

**Matters referred to in paragraphs 41, 42 and 45 of decision
1/CP.21**

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

Recalling Article 7 of the Paris Agreement,

Also recalling decision 1/CP.21, paragraphs 41, 42 and 45,

Noting with appreciation the technical work undertaken by the Adaptation Committee and the Least Developed Countries Expert Group, in collaboration with the Standing Committee on Finance,¹ in relation to decision 1/CP.21, paragraphs 41, 42 and 45,

¹ See documents FCCC/SB/2017/2, FCCC/SBI/2017/14 and FCCC/SB/2017/2/Add.1–FCCC/SBI/2017/14/Add.1.

I. Ways to enhance the coherence of the work of adaptation-related institutional arrangements

1. *Decides* that the Adaptation Committee and the Least Developed Countries Expert Group shall serve the Paris Agreement;
2. *Assigns* any future and emerging adaptation-related work necessary for the effective implementation of the Paris Agreement to existing institutions;
3. *Encourages* institutional arrangements related to finance, technology development and transfer and capacity-building,² in line with their mandates, to strive for a balance between adaptation and mitigation, while respecting a country-driven approach;
4. *Invites* partner organizations of the Nairobi work programme on impacts, vulnerability and adaptation to climate change, in collaboration with the Adaptation Committee, to support the work of other adaptation-related institutional arrangements, in particular by providing relevant scientific and technical information and sharing knowledge;
5. *Also invites* the Consultative Group of Experts³ and the Least Developed Countries Expert Group, in line with their mandates, as appropriate, ensuring efficiency and consistency, to work together on training for assessing vulnerability and other aspects of adaptation;
6. *Requests* the Adaptation Committee, as necessary and in consultation with relevant adaptation-related institutions, to continue to make recommendations in its annual report on enhancing collaboration and promoting coherence and synergies with a view to addressing Parties' evolving adaptation-related needs;
7. *Urges* developed country Parties and *invites* other Parties that provide resources on a voluntary basis to make available sufficient resources for the successful and timely implementation of the work of adaptation-related institutions under the Convention and the Paris Agreement;

II. Modalities for recognizing the adaptation efforts of developing country Parties

8. *Notes* the existing work of the Adaptation Committee and the Least Developed Countries Expert Group related to synthesizing information on specific adaptation themes and on relevant lessons learned and good practices;
9. *Requests* the secretariat to include in the synthesis report prepared for the global stocktake called for in paragraph 23(b) of decision -/CMA.1⁴ information on the adaptation efforts of developing country Parties, in order to facilitate recognition of such efforts in the global stocktake, drawing on, inter alia, the most recent documents that may contain adaptation information, which may include adaptation communications, national adaptation plans, national communications, nationally determined contributions, other relevant reports prepared under the transparency framework and reports of the Intergovernmental Panel on Climate Change and other relevant scientific bodies;
10. *Decides* to recognize, guided by the high-level committee and taking into account a country-driven approach, the adaptation efforts of developing country Parties during the high-level events of the global stocktake referred to in paragraph 34 of decision -/CMA.1;⁵

² The institutional arrangements on finance include the operating entities of the Financial Mechanism of the Convention and the Paris Agreement.

³ As referred to in paragraph 1 of draft decision -/CP.24 proposed under agenda item 12 of the Conference of the Parties at its twenty-fourth session.

⁴ Draft decision titled "Matters relating to the global stocktake referred to in Article 14 of the Paris Agreement", proposed under agenda item 4 of the Conference of the Parties at its twenty-fourth session.

⁵ As footnote 4 above.

11. *Requests* the secretariat to prepare a report summarizing the recognition of adaptation efforts of developing country Parties referred to in paragraph 10 above drawing on, inter alia, the synthesis report referred to in paragraph 9 above and the outputs referred to in paragraph 34 of decision -/CMA.1;⁶
12. *Decides* to make use of existing national, regional and global events, including the NAP Expo and the Adaptation Forum of the Adaptation Committee, to showcase the adaptation efforts of developing country Parties;
13. *Requests* the secretariat, under the guidance of the Adaptation Committee and the Least Developed Countries Expert Group and in collaboration with relevant stakeholders, to prepare synthesis reports every two years starting in 2020 on specific adaptation themes, focusing on relevant lessons learned and good practices in developing country Parties;
14. *Recalls* that the global stocktake will review the overall progress made in achieving the global goal on adaptation and *acknowledges* that adaptation efforts contribute to this objective;

III. Methodologies for assessing adaptation needs with a view to assisting developing countries without placing undue burden on them

15. *Requests* the Adaptation Committee, in collaboration with the Least Developed Countries Expert Group, partner organizations of the Nairobi work programme, users and developers of relevant methodologies, including academia and the private sector, to develop by June 2020 and to regularly update an inventory of relevant methodologies for assessing adaptation needs, including needs related to action, finance, capacity-building and technological support in the context of national adaptation planning and implementation, and to make the information available on the adaptation knowledge portal;⁷
16. *Invites* Parties and observer organizations to submit via the submission portal⁸ by February 2021 their views and information on the development and application of methodologies for assessing adaptation needs, including needs related to action, finance, capacity-building and technological support;
17. *Requests* the Adaptation Committee, with the engagement of the Intergovernmental Panel on Climate Change Working Group II, as appropriate, to prepare, drawing on the inventory referred to in paragraph 15 above and the submissions referred to in paragraph 16 above, a technical paper on methodologies for assessing adaptation needs and their application, as well as on the related gaps, good practices, lessons learned and guidelines, for consideration and further guidance by the Subsidiary Body for Scientific and Technological Advice at its fifty-seventh session (November 2022) in the context of its consideration of the report of the Adaptation Committee;
18. *Invites* all relevant entities to further improve the applicability of existing methodologies and tools for assessing adaptation needs related to action, finance, capacity-building and technological support;
19. *Also invites* the World Meteorological Organization, through its Global Framework for Climate Services, with a view to facilitating the development and application of methodologies for assessing adaptation needs, to regularly inform the Subsidiary Body for Scientific and Technological Advice about its activities aimed at improving the availability and accessibility of comprehensive climate information, including observational data, and about how it facilitates the provision and dissemination of the most up-to-date climate model predictions and projections;
20. *Further invites* the Paris Committee on Capacity-building and providers of capacity-building support, as appropriate and in accordance with their mandates, while further

enhancing capacity-building efforts, to facilitate the access to and implementation of methodologies for assessing the adaptation needs of developing country Parties in the context of providing support for building adaptation capacity;

IV. Methodologies for taking the necessary steps to facilitate the mobilization of support for adaptation in developing countries

21. *Invites* the Standing Committee on Finance, in line with its mandate and in collaboration with the Technology Executive Committee and the Paris Committee on Capacity-building, to consider, taking into account the recommendations of the Adaptation Committee and the Least Developed Countries Expert Group,⁹ as well as relevant submissions from Parties and observer organizations, ways to facilitate the mobilization of support for adaptation in developing countries, in the context of the limit to the increase in the global average temperature referred to in Article 2 of the Paris Agreement, and to include recommendations in its annual report;

22. *Also invites* Parties to further enhance their enabling environments, policy frameworks, institutions and national public financial management systems with a view to improving access to international public support, as appropriate, and to enhancing the involvement of the private sector;

23. *Urges* developed country Parties and *invites* other Parties that provide resources on a voluntary basis, United Nations entities and other relevant organizations, as well as bilateral and multilateral agencies, to assist the least developed country Parties and other developing country Parties, drawing on the work of the Adaptation Committee, the Least Developed Countries Expert Group and other relevant bodies, as appropriate, in building or strengthening their enabling environments, policy frameworks, institutions and national public financial management systems so as to mobilize support for adaptation, in particular capacity-building, including as part of the process to formulate and implement national adaptation plans;

24. *Invites* Parties to continue engaging in adaptation planning processes and the implementation of action, including the process to formulate and implement national adaptation plans;

25. *Takes note* of the resources available through the operating entities of the Financial Mechanism for strengthening developing country Parties' institutional capacity for programming their priority climate actions and for tracking and reporting climate finance;

26. *Invites* Parties and relevant actors to ensure, as appropriate, that steps are taken to identify and subsequently remove perverse incentives that could result in non-resilient investments and planning decisions;

27. *Requests* Parties to report on support provided and received in line with the reporting instruments and modalities being developed under the Paris Agreement;

28. *Invites* the operating entities of the Financial Mechanism, in line with their mandates, to seek to ensure that the provision of financial support to developing country Parties is balanced between adaptation and mitigation activities;

29. *Requests* the Technology Executive Committee and the Climate Technology Centre and Network to facilitate, in line with their mandates, the provision of support for technology development and transfer for adaptation in developing country Parties, promoting a balance between adaptation and mitigation activities;

30. *Invites* the Paris Committee on Capacity-building to enhance and facilitate the provision of support for capacity-building for adaptation in developing country Parties, promoting a balance between adaptation and mitigation activities;

⁹ As footnote 1 above.

31. *Requests* the secretariat to include in the synthesis report prepared for the global stocktake called for in paragraph 23(b) of decision -/CMA.1¹⁰ an assessment of the support needs for adaptation of developing country Parties drawing on, inter alia, the most recent documents that may contain adaptation information, which may include adaptation communications, national adaptation plans, national communications, nationally determined contributions, other relevant reports prepared under the transparency framework, reports of the Intergovernmental Panel on Climate Change and other relevant scientific bodies as well as the report referred to in paragraph 13 of decision -/CP.24;¹¹

V. Methodologies for reviewing the adequacy and effectiveness of adaptation and support

32. *Notes* the constraints encountered by the Adaptation Committee and the Least Developed Countries Expert Group in developing methodologies, including the differences in national circumstances in relation to adaptation, the difficulty of setting adaptation baselines and targets and the lack of common metrics for measuring progress on adaptation;

33. *Also notes* that the current state of knowledge is not sufficient to address the mandate¹² and requires time and effort to advance;

34. *Invites* Parties, academia and other relevant stakeholders to undertake further technical work, building on the existing work of the Adaptation Committee and the Least Developed Countries Expert Group, in collaboration with the Standing Committee on Finance, and taking into consideration ongoing relevant work under and outside the Convention, on developing methodologies for reviewing the adequacy and effectiveness of adaptation and support;

35. *Also invites* the Adaptation Committee and the Least Developed Countries Expert Group, in collaboration with the Standing Committee on Finance, and relevant experts to contribute to the technical work referred to in paragraph 34 above by continuing to compile existing methodologies for reviewing the adequacy and effectiveness of adaptation and support;

36. *Further invites* Parties, United Nations entities and other relevant organizations, as well as bilateral and multilateral agencies, to submit by April 2020 to the Adaptation Committee and the Least Developed Countries Expert Group information on gaps, challenges, opportunities and options associated with methodologies for reviewing the adequacy and effectiveness of adaptation and support, including in the areas of adaptation needs, plans and strategies; enabling environments and policy frameworks; frameworks used for assessing the effectiveness of adaptation efforts; efforts and systems to monitor and evaluate the effectiveness of adaptation efforts; support through all instruments and channels, including domestic, international, public and private sources and progress towards the implementation and achievement of adaptation goals, plans and strategies;

37. *Takes note* of the estimated budgetary implications of the activities to be undertaken by the secretariat referred to in paragraphs 9, 11, 13 and 31 above;

38. *Requests* that the actions of the secretariat called for in this decision be undertaken subject to the availability of financial resources.
