MESSAGE FROM THE CO-CHAIRS OF THE ADAPTATION COMMITTEE

Surveys to inform work on technical guidance and training materials to support implementation of the UAE Framework for Global Climate Resilience

I am pleased to transmit to Parties and observer States to the Convention, the Kyoto Protocol and the Paris Agreement, United Nations and related organizations and specialized agencies, and intergovernmental and non-governmental organizations admitted as observers the message from the Adaptation Committee Co-Chairs to kindly participate in the surveys as referred to in the annex.

Yours sincerely,

(signed by)

Youssef Nassef
Director
Adaptation division

Distribution: To Parties and observer States through their national focal points for climate change and diplomatic missions accredited to the Federal Republic of Germany, United Nations and related organizations and intergovernmental and non-governmental organizations admitted by the Conference of the Parties.

Annex

Dear colleagues,

Pursuant to paragraph 44 of decision 2/CMA.5, the Adaptation Committee (AC), in collaboration with the Consultative Group of Experts (CGE) and the Least Developed Countries Expert Group (LEG), is working to support implementation of the United Arab Emirates Framework for Global Climate Resilience with technical guidance and training materials thereon.

The AC, in consultation with the CGE and the LEG, has prepared two surveys to collect inputs from Parties, relevant organizations and other stakeholders to inform this work. Specifically, **Parties** are invited to indicate **priorities** with respect to the implementation of the UAE Framework, including technical guidance and training materials thereon, [via this survey](#). **Parties, organizations and other stakeholders** are invited to **submit relevant existing technical guidance and training materials** [via this survey](#). The deadline for completing both surveys is Monday, **12 August 2024**.

Together, the results of these surveys will feed into a mapping of existing products and an associated strategy paper that will prioritize and plan the preparation of technical guidance and training materials in response to the aforementioned mandate. A draft strategy paper will be considered by the AC at its [twenty-sixth meeting](#), taking place in **September 2024**.

The AC would like to thank Parties, Observers and other stakeholders in advance for taking the time to complete the surveys to inform this important work.

Yours sincerely,

Britta Horstmann
Co-Chair
Adaptation Committee

Funanani Muremi
Co-Chair
Adaptation Committee
