Dear Colleagues,

We, the co-facilitators of the technical dialogue of the first global stocktake, are reaching out to Parties to the Paris Agreement and non-Party Stakeholders wishing to submit inputs to the second meeting of the Technical Dialogue (TD1.2) to be held in conjunction with the fifty-seventh sessions of the subsidiary bodies in Sharm El-Sheikh to accompany the submissions with a one page poster summary on the submission.

We urge submitters of inputs to GST1 to focus them on the scope of the GST as outlined in paragraphs 2 and 6(b) of decision 19/CMA.1. When preparing an input, we encourage you to take into consideration the guiding questions for the [Information Collection and Preparation](#), as well as the [Technical Assessment](#) components of the GST.

Previous examples of poster sessions can be found [here](#).

More information can be found on the global stocktake [webpage](#).

We look forward to receiving your inputs and to your continued participation in the first GST of the Paris Agreement.

Yours sincerely,
