MESSAGE TO PARTIES AND OBSERVER STATES

Seventh High-level Ministerial Dialogue on Climate Finance

13 November 2026

Antalya, Türkiye

On behalf of the incoming COP 31, CMP 21 and CMA 8 Presidency, and the Presidency of Negotiations, I am pleased to inform Parties and observer States to the Convention, the Kyoto Protocol and the Paris Agreement that the seventh biennial high-level ministerial dialogue on climate finance will take place on **Friday, 13 November 2026 from 15:00 to 18:00 (GMT +3).**

The COP at its 26th session, decided to continue discussions on long-term climate finance and to convene biennial high-level ministerial dialogues on climate finance in 2022, 2024 and 2026.

The COP 31 President will prepare a summary of the deliberations at the high-level ministerial dialogue, for consideration by COP 32.

The dialogue will be webcast. While the ministerial dialogue is open to all Parties and observer States, owing to the limited capacity of the meeting rooms, access to Parties and observer States will be limited to one minister or deputy minister, or head of delegation, plus one accompanying member of the delegation per Party. Parties and observer States are requested to submit the names of nominated participants to climatefinance@unfccc.int no later than **Friday, 6 November 2026**. Tickets for in-person participation will be allocated to Party representatives and observer States. Further information on ticket distribution will be shared with national focal points in due course.

The aim of the COP 31 Presidency and the Presidency of Negotiations during this event is to facilitate interactive discussions whereby all participants may take the floor more than once and respond to other interventions. In this regard, participants will be requested to make succinct and focused interventions. Parties and observer States will be able to share their full statements in writing for publication on the web page of the dialogue.

Distribution: To Parties and observer States to the United Nations Framework Convention on Climate Change through their national focal points and diplomatic missions accredited to the Federal Republic of Germany.

The provisional programme of the event and any additional information will be made available in due course on the dedicated webpage. For any inquiries on the event, please contact the secretariat at climatefinance@unfccc.int.

The secretariat, the COP 31 Presidency and the Presidency of Negotiations look forward to your participation in this event.

Yours sincerely,

(Signed by)
