MESSAGE TO PARTIES AND OBSERVER STATES

LCIPP Regional Gathering for the Pacific under the Baku Workplan of the Local Communities and Indigenous Peoples Platform 2025–2027

I am pleased to inform Parties and observer States to the Convention, the Kyoto Protocol and the Paris Agreement that the LCIPP Regional Gathering for the Pacific under the Baku Workplan of the Local Communities and Indigenous Peoples Platform (LCIPP) is planned to take place from **18 to 21 August 2026** in Nadi, Fiji.

Collective Approach 2 of the LCIPP Baku Workplan calls for the convening of at least two regional (or biregional) gatherings per year, organized for and in a different United Nations Indigenous sociocultural region or United Nations region. These gatherings are to be planned and implemented with the direct involvement of elders, practitioners, knowledge holders, women and youth from the respective region, and are to be guided by the annual theme selected by the Facilitative Working Group of the LCIPP.

National Focal Points (NFPs) of interested Parties and observer States wishing to nominate representatives for the gathering are requested to submit their nominations by email to LCIPP@unfccc.int no later than 18:00 on **Wednesday, 22 July 2026, Central European Summer Time**.

Owing to logistical and administrative requirements, the secretariat may be unable to process nominations received after this deadline. Nominations of representatives received from other persons or Groups will need to be endorsed by their respective NFP. Following the NFP's nomination or endorsement, the registration link, along with instructions for completing the registration form, will be provided to the nominated representatives.

Further details on the meeting will be made available [here](#) in due course.

Yours sincerely,
