MESSAGE TO PARTIES AND OBSERVERS

Programme of the first Climate Week 2025: Dialogues for Ambition and Implementation Panama City, Panama 19 - 23 May 2025

Further to the communications dated 24 March 2025, the secretariat is pleased to announce the publication of the programme for the first Climate Week 2025: Dialogues for Ambition and Implementation, which will take place in Panama City, Panama from 19 to 23 May.

The programme is publicly available on the Climate Week webpage [here](#), and includes the following mandated events:

- 19 – 20 May: Fifth global dialogue and investment-focused event under the Sharm el-Sheikh mitigation ambition and implementation work programme
- 20 and 23 May: Global DNA Forum of Article 6 Implementation
- 22 – 23 May: Third Dialogue under the UAE Just Transition Work Programme
- 23 May: Consultation to present the updated NAP technical guidelines to Parties

Each mandated event taking place during Climate Week will be organized in accordance with its respective mandate under the Conference of Parties serving as the meeting of Parties to the Paris Agreement and Subsidiary Bodies.

Nomination and registration procedures for each mandated event can be found in their [respective communications](#) to Parties and observer organizations.

Distribution: To Parties and observer States through their national focal points for climate change and diplomatic missions accredited to the Federal Republic of Germany, as well as United Nations and related organizations and specialized agencies, intergovernmental organizations and non-governmental organizations admitted as observers.

Implementation Forum Day

The programme also provides information on the Implementation Forum Day, which will take place on Wednesday, 21 May, with a series of events and will conclude with a plenary session on Thursday, 22 May.

The Implementation Forum Day will feature, among other activities, *COP 30 Incoming Presidency special events* and the *Implementation Labs*. These labs are designed to facilitate multistakeholder engagement aimed at identifying actionable solutions across three key areas: finance, technology, and carbon markets. Information on these events can be found at this [link](#).

Registration for the Implementation Forum Day events is now open to the public. Interested participants can register [here](#) until Thursday, 8 May 2025.

NDC Clinics

On Thursday, 22 and Friday, 23 May, the NDCs clinics will take place, a capacity building session with focus on NDCs implementation. Registrations are open for public registration [here](#) until Thursday, 8 May 2025.

Please note that participation in NDC Clinic and Implementation Forum events is subject to space availability and will not be funded. If you are receiving funding from the UNFCCC secretariat for other mandated events during Climate Week, kindly verify the specific dates covered by your funding, as it might not include the events at the Implementation Forum and the NDC Clinic.
