MESSAGE TO PARTIES AND OBSERVER ORGANIZATIONS

Information on the technical session for implementing the workplan activities of the forum on the impacts of the implementation of response measures

I am pleased to convey to Parties and observer States to the Convention, the Kyoto Protocol and the Paris Agreement, United Nations organizations, and intergovernmental and non-governmental organizations admitted as observers a message from the Chair of the Subsidiary Body for Scientific and Technological Advice (SBSTA), Tosi Mpanu Mpanu, and the Chair of the Subsidiary Body for Implementation (SBI), Marianne Karlsen, regarding the technical session for implementing the workplan activities of the forum on the impacts of the implementation of response measures at the fifty-seventh sessions of the SBSTA and the SBI, as contained in the annex.

Yours sincerely,

(Signed by)

James Grabert
Director
Mitigation division

Distribution: To Parties and observer States to the United Nations Framework Convention on Climate Change through their national focal points and diplomatic missions accredited to the Federal Republic of Germany, United Nations organizations and intergovernmental and non-governmental organizations admitted as observers by the Conference of the Parties.

Annex

Message from the Chairs of the Subsidiary Bodies regarding the technical session for implementing the workplan activities of the forum on the impacts of the implementation of response measures

20 October 2022

Dear colleagues,

The COP, the CMP and the CMA established the six-year workplan of the forum on the impact of the implementation of response measures and its KCI through decisions 4/CP.25, 4/CMP.15 and 4/CMA.2. Pursuant to these decisions, the forum will implement the following workplan activities at the fifty-seventh sessions of the subsidiary bodies:

Activity 5 – Build awareness and understanding of Parties and other stakeholders to assess the economic impacts of potential new industries and businesses resulting from the implementation of response measures with a view to maximizing the positive and minimizing the negative impacts of the implementation of response measures;

Activity 11 – Facilitate, exchange and share experiences and best practices in the assessment of the environmental, social and economic co-benefits of climate change policies and actions informed by the best available science, including the use of existing tools and methodologies.

In this regard, we are pleased to inform you that a technical session for implementing workplan activities 5 and 11 of the forum is planned for **Sunday, 6 November 2022, in Sharm el-Sheikh, Egypt**, from 4.30 to 6.30 p.m.

The technical session will provide an out-of-negotiation space for implementing the above-mentioned workplan activities. The session will be informed by the work of the Katowice Committee of Experts on the Impacts of the Implementation of Response Measures. Further details will be made available [here](#).

The technical session will be held at COP 27, CMP 17 and CMA 4 and will be open to all registered participants of the conference. Parties and observers are encouraged to actively participate in the technical session to exchange and share experience and best practices in relation to the issues of the impacts of new industries resulting from mitigation actions and the co-benefits of climate actions.

Thank you in advance for your consideration and action.

Yours sincerely,

Tosi Mpanu Mpanu
Chair of the SBSTA

Marianne Karlsen
Chair of the SBI
