The COP at its 26th session, decided to continue discussions on long-term climate finance and to convene biennial high-level ministerial dialogues on climate finance in 2022, 2024 and 2026.

The COP 31 President will prepare a summary of the deliberations at the high-level ministerial dialogue, for consideration by COP 32.

The dialogue will be webcast. Requests for in-person participation may be sent to the secretariat at the Email address below for consideration on a first-in-first-served basis.

The aim of the COP 31 Presidency and the Presidency of Negotiations during this event is to facilitate interactive discussions whereby all participants may take the floor more than once and respond to other interventions. In this regard, participants will be requested to make succinct and focused interventions. Parties and observer States will be able to share their full statements in writing for publication on the web page of the dialogue.

Distribution: To United Nations system and specialized agencies and other relevant organizations, and intergovernmental organizations admitted as observers by the Conference of the Parties.
