Workshop 5

NOTIFICATION

The 5th Workshop under the Glasgow-Sharm el-Sheikh Work Programme on the Global Goal on Adaptation

21–23 March 2023

Pursuant to decisions 7/CMA.3 and 3/CMA.4, I am pleased to notify Parties and observer States to the Convention, the Kyoto Protocol and the Paris Agreement that the fifth workshop under the Glasgow-Sharm el-Sheikh work programme on the global goal on adaptation will take place from **21 to 23 March 2023**.

The workshop will take place in a hybrid setting, with the in-person element taking place in **Maldives**. In line with decision 3/CMA.4, there will be an option available for participants to actively take part virtually, and this will ensure the workshop is fully inclusive to all.

Further information on the theme of this fifth workshop, and subsequent workshops will be made available shortly via an information note from the Chairs of the Subsidiary Bodies. A concept note on this workshop will be published three weeks prior to the workshop date, in line with decision 3/CMA.4. Details of how Parties can nominate representatives will also be shared at the earliest convenience, and this workshop will also be open to observers.

Further details on the meeting will soon be made available on the [UNFCCC website](#).

Yours sincerely,

(Signed by)

Youssef Nassef
Director
Adaptation division

Distribution: To Parties and observer States to the United Nations Framework Convention on Climate Change through their national focal points and diplomatic missions accredited to the Federal Republic of Germany.
